In this Agreement, four types of Article numbers appear. These numbers have different applications. For example, some Articles apply to all Agencies covered under this Agreement, some Articles apply only to the Agencies within a particular coalition, some Articles apply only to a particular Agency within a coalition, and some apply only to temporary employees. The types of numbers used are as follows:

1. Articles which were negotiated centrally and apply to all coalitions and all Agencies within the four coalitions have numbers without any subcategories, e.g.:

- Article 20--Discipline and Discharge
- Article 27--Salary Increase
- Article 56--Sick Leave
- Article 70--Layoff

2. Article subcategories with no letter following the number signify that the Article applies to all Agencies within a particular coalition, e.g.:

- Article 18.3--Reorganization Notification (ODOT Coalition)
- Article 100.1--Security (Human Services Coalition)

The last digit in these subcategories identifies the coalition that the Article applies to:

- .1 Human Services Coalition
- .2 Institutions Coalition
- .3 ODOT Coalition
- .5 Special Agencies Coalition

3. Articles which have subcategories with a letter following the number signify that the Article applies only to a particular Agency within a coalition, e.g.:

- Article 32.5I,P--Overtime (OHCS, OSAC)
- Article 35.2K--Phone Calls (OYA Administration and Field)
- Article 70.2A--Geographic Area for Layoff (OYA Youth Correctional Facilities and Camps)

4. Centrally negotiated Articles which have a "T" attached signify Articles that apply only to temporary employees, e.g.:

- Article 19T--Personnel Records (Temporary Employees)
- Article 22T--No Discrimination (Temporary Employees)

(See Article 2, Section 4(c)(d) for a full listing of Articles and Letters of Agreement which apply to temporary employees.)

If an employee using the Master Agreement is looking for a contractual provision for his/her particular Agency, he/she must locate the subject by using either the Table of Contents or the Index.

NOTE: The Parties may elect to assemble and print a coalition agreement in addition to a Master Agreement.

ARTICLE 3--SCOPE OF AGREEMENT

Section 1. This Agreement binds the Union, its bargaining unit members, and any person designated by it to act on behalf of the Union. Likewise, this Agreement binds the Employer, the Department, the Agency, and any person designated to act on behalf of each.

Section 2. This Agreement supersedes all prior Collective Bargaining Agreements and Letters of Agreement negotiated between the Union and the State of Oregon acting by and through its Department of Administrative Services.

ARTICLE 4--TERM OF AGREEMENT

Section 1.

(a) This Agreement shall become effective on July 1, 2009, or such later date as it receives full acceptance by the Parties, and expires June 30, 2011, except where specifically stated otherwise in the Agreement.

(b) Either Party may give written notice during the period of October 15-November 15, 2010, of its desire to negotiate a successor Agreement.

(c) Negotiations shall commence the first week of December 2010, or such other date as may be mutually agreed to by the Parties.

Section 2. This Agreement shall not be opened during the term of this Agreement except by mutual agreement of the Parties, by proper use of Article 7--Separability, or as otherwise specified in this Agreement.

ARTICLE 5--COMPLETE AGREEMENT/PAST PRACTICES

Section 1. Complete Agreement. Pursuant to their statutory obligations to bargain in good faith, the Employer and the Union have met in full and free discussion concerning matters in "employment relations" as defined by ORS 243.650(7). This Contract incorporates the sole and complete agreement between the Employer and the Union resulting from these negotiations. The Union agrees that the Employer has no further obligation during the term of this Agreement to bargain wages, hours, or working conditions except as specified below. The Employer agrees that during the term of this Agreement it may not unilaterally change employee wages or hours. "Working conditions" established by a specific provision of this Agreement may not be unilaterally changed. Other "working conditions" not covered by this Agreement may only be changed pursuant to the restrictions and procedures in Section 2.

Section 2. Past Practices.

(a) The Parties recognize the Employer's full right to direct the work force and to issue work orders and rules and that these rights are diminished only by the law and this Agreement, including arbitrator's awards which may evolve pursuant to this Agreement, or for temporary employees, decisions resulting from dispute resolution procedures which may evolve pursuant to this Agreement.

(b) (1) The Employer may change or issue new work practices or rules covering permissive subjects of bargaining, including issuing administrative rules over issues which are nonnegotiable and are not in conflict with or otherwise addressed in a specific provision of this Agreement. The Employer agrees to bargain over any proposed changes in "working conditions" or their impact which are mandatory subjects of bargaining.

(2) If the Employer believes the change is a mandatory subject of bargaining, the Parties shall meet within ten (10) days of the Union's request to meet. One (1) Union Steward from the affected Agency will be allowed to use Agency time without loss of pay or benefits to participate in these negotiations. The Employer will not be liable for any overtime, premium pay, travel reimbursement, or mileage for the Union Steward. If the Union Steward is a temporary employee, while employed, the temporary employee would be unscheduled.

(3) The Union may file an unfair labor practice complaint with the Employment Relations Board if the Employer refuses to bargain. If the Board rules that the change is a permissive or prohibited subject of bargaining, the Union shall withdraw its demand to bargain. If the Board determines the change is a mandatory subject of bargaining, the Parties shall meet to negotiate this subject change.

(4) Notwithstanding ORS 243.698, if after ninety (90) days of bargaining, the Parties do not reach agreement, either Party may exercise its right to utilize the dispute resolution procedures under the PECBA, including the strike-permitted employees' right to strike (notwithstanding Article 8 of this Agreement), or, for strike-prohibited employees, the right to submit the matter to binding arbitration. Nothing precludes the

Parties from requesting mediation within the ninety (90) day period.

ARTICLE 6--LEGISLATIVE ACTION

Section 1. Provisions of this Agreement not requiring legislative funding or statutory changes before they can be put into effect shall be implemented on the effective date of this Agreement or the date otherwise specified in this Agreement. Necessary bills for implementation of the other provisions shall be submitted promptly by the Department of Administrative Services to the Legislative Assembly and both Parties shall jointly recommend passage of the funding and statutory changes.

Section 2. Should the Legislature not be in session at the time agreement is reached, the funding provisions of this Agreement shall be promptly submitted to the Emergency Board by the Department of Administrative Services and both Parties shall jointly recommend passage.

Section 3. Should the Legislature not be in session at the time agreement is reached, all other legislation necessary for the implementation of this Agreement shall be submitted to the next session (whether regular or special) of the Legislative Assembly.

ARTICLE 7--SEPARABILITY

In the event that any provision of this Agreement is at any time declared invalid by any court of competent jurisdiction, declared invalid by final Employment Relations Board (ERB) order, made illegal through enactment of federal or state law or through government regulations having the full force and effect of law, such action shall not invalidate the entire Agreement, it being the express intent of the Parties hereto that all other provisions not invalidated shall remain in full force and effect. The invalidated provision shall be subject to renegotiation by the Parties within a reasonable period of time from such request.

ARTICLE 8--NO STRIKE OR LOCKOUT

The Employer agrees that during the term of this Agreement, the Employer shall not cause or permit any lockout of employees from their work. In the event an employee is unable to perform his/her assigned duties because equipment or facilities are not available due to a strike, work stoppage, or slowdown by any other employees, such inability to provide work shall not be deemed a lockout.

During the term of this Agreement, the Union shall neither cause nor counsel the members of the bargaining unit to strike, walk out, slowdown, or commit other acts of work stoppage.

Upon notification confirmed in writing by the Department or Agency to the Union that certain bargaining unit employees covered by this Agreement are engaging in strike activity in violation of this Article, the Union shall, upon receipt of a mailing list, advise such striking employees in writing with a copy to the Department of Administrative Services and the affected Department and Agency, to return to work immediately. Such notification by the Union shall not constitute an admission that it has caused or counseled such strike activity. The notification by the Union to employees covered by this Agreement shall be made at the request of the Department of Administrative Services.

ARTICLE 9--MANAGEMENT'S RIGHTS

Except as may be specifically modified by the terms of this Agreement, the Employer shall retain all rights of management in the direction of their work force. Rights of management shall include, but not be limited to, the right to:

- (a) Direct employees.
- (b) Hire, promote, transfer, assign, and retain employees.
- (c) Suspend, discharge, or take other proper disciplinary action against employees.
- (d) Reassign employees.
- (e) Relieve employees from duty because of lack of work or other reasons.
- (f) Schedule work.
- (g) Determine methods, means, and personnel by which operations are to be conducted.

ARTICLE 10--UNION RIGHTS

Section 1. Rights/Obligations.

- (a) The Union and the Employer agree that there must be mutual respect for the rights and obligations of the Union and the Employer and the representatives of each.
- (b) Employees covered by the Agreement are at all times entitled to act through a Union representative in taking any grievance action or following any alternate procedure under this Agreement.
- (c) Once a bargaining unit member files a grievance, the employee shall not be required to discuss the subject matter of the grievance without the presence of the Union representative if the employee elects to be represented by the Union.

Section 2. The provisions of this Article and Articles 10.1 through 10.5 cover temporary employees. However, pay status provisions of this Article and Articles 10.1 through 10.5 shall not apply to temporary employees; instead temporary employees will be unscheduled rather than being in pay status or on paid or unpaid leaves for authorized activities. Such activities shall attempt to be scheduled during the temporary employee Steward's non-work hours.

Section 3. Union Organizer Visitations. Union Organizers, with approval from a responsible manager, shall be allowed reasonable contact with bargaining unit members on Agency facilities. The purpose of these visits will be to meet with Union Stewards, with employees, or management regarding any actions or procedures under this Contract, including but not limited to, employee grievances per Article 21--Grievance and Arbitration Procedure. The Union Organizer will have the right to contact any represented employee in their workplace, as long as it does not interfere with the normal flow of work (e.g., lunch hour, break, before and after workshifts). The Union agrees to provide the Agency and the Department of Administrative Services Labor Relations Unit with a list of authorized representatives.

Section 4. Building Use. Agency facilities may be used for Union activities according to current building use policies, so long as the facility is available and proper scheduling has been arranged.

Section 5.

- (a) **Bulletin Boards.** The Agency shall allow the use of reasonable bulletin board space for communicating with employees. Union material shall not be displayed

in the work area except in the designated bulletin board space.

(b) **E-Mail Messaging System.** Union representatives and SEIU-represented employees may use an Agency's e-mail messaging system to communicate about Union business provided that all of the following conditions are followed:

(1) Use shall not contain false, unlawful, offensive or derogatory statements against any person, organization or group of persons. Statements shall not contain profanity, vulgarity, sexual content, character slurs, threats or threats of violence. The content of the e-mail shall not contain rude or hostile references to race, marital status, age, gender, sexual orientation, religious or political beliefs, national origin, health or disability.

(2) Except as modified by this Article, an Agency shall have the right to control its e-mail system, its uses or information.

(3) The Agency reserves the right to trace, review, audit, access, intercept, recover or monitor use of its e-mail system without notice.

(4) Use of the e-mail system will not adversely affect the use of or hinder the performance of an Agency's computer system for Agency business.

(5) E-mail messages sent simultaneously to more than five (5) people shall be no more than approximately one (1) page and in plain or rich text format. Such group e-mails shall not include attachments or contain graphics (except for the Union logo). Recipients of such group e-mails shall not use the "Reply All" function.

(6) E-mail usage shall comply with Agency policies applicable to all users such as protection of confidential information and security of equipment.

(7) The Agency will not incur any additional costs for e-mail usage including printing.

(8) The Union will hold the Employer and Agency harmless against any lawsuits, claims, complaints or other legal or administrative actions where action is taken against the Union or its agents (including Union staff, Union officers and Stewards) regarding any communications or effect of any communications that are a direct result of use of e-mail under this Article.

(9) Such e-mail communications shall only be between SEIU-represented employees and managers, within their respective Agency, and the Union. However, for purposes of negotiations, bargaining team members may communicate across Agencies. Additionally, DAS recognized joint multi-Agency Labor-Management Committee members and the Union's Board of Directors may communicate across Agencies. The Union shall provide the names of its Board of Directors to DAS.

(10) Use of Agency's e-mail system shall be on employee's non-work time.

(11) E-mail communication may include links to the Union website, which may be accessed on non-work time.

(12) Nothing shall prohibit an employee from forwarding an e-mail message to his/her home computer.

(13) E-mail shall not be used to lobby, solicit, recruit, persuade for or against any political candidate, ballot measure, legislative bill or law, or to initiate or

coordinate strikes, walkouts, work stoppages, or activities that violate the Contract.

(14) Should the Employer believe that the Union's staff has violated Article 10, Section 5(b) of the Master Agreement, the Employer will notify the Union's Executive Director, in writing, within thirty (30) calendar days from the date of the alleged misuse of an Agency's e-mail system. The Executive Director shall respond, in writing, within thirty (30) days and include the action that will be taken to enforce the Master Agreement. If, despite these actions, the violation continues, the Employer will notify the Union, in writing, within thirty (30) calendar days that the alleged misuse may be arbitrated using the terms and conditions outlined in the Letter of Agreement 21.00-99-06. For the purpose of this Article, employees who are working for the Union while on a Union leave of absence will be considered Union staff.

Section 6. Union Steward Representation. The Employer agrees that a Union Steward system exists for employee representation available to all employees covered by this Agreement and also agrees to respect that when the employee is acting in his/her role of Steward, the relationship is different than that of supervisor and employee.

Section 7. List of Union Representatives. The Union shall provide the Employer (Department of Administrative Services and each Agency)* with a list of the names of authorized Union Stewards and duty location, worksite representation responsibility, and a list of authorized staff representatives, and shall update those lists as necessary. If problems arise regarding Union Steward authorized activities in representing employees, the Union agrees to discuss the problem with the Department of Administrative Services Labor Relations Unit or the Agency as the situation suggests.

*For DMV, Agency means the Division Administrator.

Section 8. The Employer agrees that there shall be no reprisal, coercion, intimidation, or discrimination against any Union Steward or elected officers for protected Union activities. It is recognized that only certain protected activities are permitted during work hours.

Section 9. New Employee Orientation. Reasonable time shall be granted for a representative of the Union to make a presentation at the orientation of new employees on behalf of the Union for the purpose of identifying the organization's representation status, organizational benefits, facilities, related information, and distributing and collecting membership applications. This time is not to be used for discussion of labor-management disputes. If the Union representative is an employee of the Agency, the employee shall be given time off with pay for the time required to make the presentation. The Employer will provide the Union reasonable notice of the place and time of meetings for the orientation of new employees. If the Agency does not offer an orientation within ninety (90) calendar days of hire, an on-site Union representative may request to meet with the new employee or group of new employees in the bargaining unit. Subject to prior supervisory approval(s), regarding scheduling, the Union representative will be allowed to meet on work time to cover these same items. Such time is limited to thirty (30) minutes. The Union agrees that temporary employees will not make presentations at new employee orientations.

Section 10. Union Stewards will be granted mutually agreed upon time off during regularly scheduled working hours to investigate and process grievances, and to represent bargaining unit employees in investigatory interviews, upon notice to their immediate supervisor. If the permitted activities would interfere with the work the Steward or employee is expected to perform, the immediate supervisor shall, within the next workday, arrange a mutually satisfactory time for the requested activity. Upon request of an employee who has received a written disciplinary action, a Union Steward may use Agency time to investigate the disciplinary action before the filing of a written grievance pursuant to Article 21 of the Agreement. Request for the use of Agency time to meet with the employee or communicate by telephone, if the employee is not at the same worksite, shall be pursuant to Article 10 and 10.1-10.5 of this Agreement.

Section 11. Union Stewards will receive their regular rate of pay for time spent processing grievances and representing bargaining unit employees in investigatory interviews as described in Article 20 and Article 21 during their regularly scheduled hours of employment. However, only one (1) Union Steward will be in pay status for any one (1) grievance except where a grievance involves employees in more than one (1) Agency or where another Steward within the same Agency and work location accompanies a Steward, appointed during the preceding twelve (12) months, to attend meetings with management related to a maximum of two (2) grievances during their regular working hours. Supervisors may request that Stewards maintain and submit a monthly activity report of work time spent investigating and processing grievances.

The Union shall indemnify and the Union and President hold the State harmless against any and all claims, damages, suits, or other forms of liability which may arise out of any action taken or not taken by the State for the purpose of complying with this Section.

Section 12. The Employer is not responsible for any compensation of employees or their representative for time spent processing grievances or distributing Union material outside their regularly scheduled hours of employment. The Employer is not responsible for any travel or subsistence expenses incurred by a grievant or Union Steward in the processing of grievances.

Section 13. Official Union delegates and members of the SEIU Local 503, OPEU, Board of Directors shall be granted personal leave, accrued vacation leave, accrued compensatory time, or leave of absence without pay at their request to attend the Union's biennial General Council or the SEIU quadrennial International Convention.

The Union shall notify the Agency of the names of official delegates and board members who shall attend General Council, at least thirty (30) days in advance of the date of the General Council. ARTICLE 13--CONTRACTING-OUT

Section 1. The Union recognizes that the Employer has the management right, during the term of this Agreement, to decide to contract out work performed by bargaining unit members. However, when the contract exceeds thirty thousand dollars (\$30,000) annually or when the contracting-out will displace bargaining unit members, such decisions shall be made only after the affected Agency has conducted a formal feasibility study determining the potential costs and other benefits which would result from

contracting-out the work in question. The Employer shall provide the Union with no less than thirty (30) days notice that it intends to request bids or proposals to contract out bargaining unit work where the decision would result in displacement of bargaining unit members. During this thirty (30) day period, the Employer shall not request any bids or proposals and the Union shall have the opportunity to submit an alternate proposal. The notification by the Employer to the Union of the results of the feasibility study will include all pertinent information upon which the Employer based its decision to contract out the work including, but not limited to, the total cost savings the Employer anticipates.

Feasibility studies will not be required when: (1) an emergency situation exists as defined in ORS 279A.010(1)(f), and (2) either the work in question cannot be done by available bargaining unit employees or necessary equipment is not readily available.

Nothing in this Article shall prevent the Employer from continually analyzing its operation for the purpose of identifying cost-saving opportunities.

Section 3. Should any full-time bargaining unit member become displaced as a result of contracting-out, the Employer and the Union shall meet to discuss the effect on bargaining unit members. "Displaced" as used in this Article means when the work an employee is performing is contracted to another entity outside state government and the employee is removed from his/her job.

- (a) Require the contractor to hire employees displaced by the contract at the same rate of pay for a minimum of six (6) months subject only to "just cause" terminations. In this instance, the State will continue to provide each such employee with six (6) months of health and dental insurance coverage through the Public Employee Benefits Board, if continuation of coverage under the Bargaining Unit Benefits Board is allowed by law and pertinent rules of eligibility. Pursuant to Article 70, Sections 10 through 12, an eligible employee shall be placed on the Agency layoff list and may, at the employee's discretion, be placed on a secondary recall list for a period of two (2) years; or
- (b) Place employees displaced by a contract elsewhere in state government in the following order of priority: within the Agency, within the department, or within state service generally. Salaries of employees placed in lower classifications will be red-circled. To the extent this Article conflicts with Article 45--Filling of Vacancies, this Article shall prevail.
- (c) An employee may exercise all applicable rights under Article 70--Layoff, including prioritizing options (1), (2), (3) or (4), as described in Article 70 Section 2, if the

employee finds option (a) or (b), as selected by the Employer, is unsatisfactory. The employee must select his/her Article 70 Section 2 options within five (5) calendar days pursuant to notification of (a) or (b) above.

Section 5. The following provisions govern the administration of the requirement under this Article to conduct feasibility studies in cases of contracting-out and will supplement the provisions included in the contract as well as the Parties' June 10, 1998 unfair labor practice settlement involving the Department of Transportation:

- (a) The Employer agrees to notify Agency heads, personnel managers and purchasing and/or contracting staff of SEIU Local 503, OPEU-represented Agencies concerning their obligations when contracting-out work performed by bargaining unit employees. Key items include that all state Agencies will conduct a feasibility study in instances of contracting-out work performed by bargaining unit employees, whether or not such contracting-out will result in displacement of bargaining unit employees. And, as specified below, certain information will be provided to SEIU Local 503, OPEU as a part of the feasibility study Agencies are required to complete.
- (b) The Employer will provide the individuals identified in Section 5(a) above with the form in Appendix H for their use in conducting feasibility studies pursuant to Article 13. Agencies will use this form in completing feasibility studies pursuant to Article 13. However, Agencies may develop and use other forms appropriate to the work being contracted, provided that there is no substantive change to the information to be reported pursuant to Article 13 as contained in Sections F-K of Appendix H.
- (c) The Parties agree that SEIU Local 503, OPEU-represented Agencies will send directly to SEIU Local 503, OPEU's Executive Director all future notices of intent to conduct a feasibility study under Article 13, and any related feasibility studies.

(See Letters of Agreement in Appendix A.)

ARTICLE 14--NEGOTIATIONS PROCEDURES

Section 1. Negotiations shall commence pursuant to Article 4 of this Agreement and the Parties will structure their Agreement per the four (4) Agency groups set forth below:

HUMAN SERVICES: Department of Human Services Non-Institutions, Employment Department;

INSTITUTIONS: Oregon Youth Authority (Youth Correctional Facilities), DHS Institutions: Oregon State Hospital (OSH), Eastern Oregon Training Center (EOTC), Blue Mountain Recovery Center (BMRC), Pendleton State Delivered Secure Residential Treatment Facility (Pendleton Cottage), OYA Administration and Field Services;

ODOT: Oregon Department of Transportation (ODOT), Forestry, Oregon Parks and Recreation Department (OPRD), Oregon Department of Aviation (ODOA), Oregon Department of Fish & Wildlife (ODFW);

SPECIAL AGENCIES: Justice, Revenue, Department of Community Colleges & Workforce Development (DCCWD), Workers' Compensation Board, Department of Consumer & Business Services (DCBS), Agriculture, Bureau of Labor and Industries (BOLI), Veterans' Affairs, Board of Nursing, Oregon Medical Board, Board of Dentistry, Board of Pharmacy, Mortuary and Cemetery Board, Board of

Psychologist Examiners, Board of Radiologic Technology, Board of Massage Therapists, Occupational Therapy Licensing Board, Board of Examiners for Speech Pathology & Audiology, Board of Naturopathic Medicine, Education, Water Resources, Library, Treasury, Commission for the Blind, Public Employees Retirement System (PERS), Special Schools, State Fair, State Scholarship, Department of Administrative Services, Oregon Watershed Enhancement Board (OWEB), Oregon Health Licensing Agency, Oregon Housing & Community Services (OHCS).

Section 2. The Union agrees, as a prior condition to the release of employees from work, to notify the Employer in writing of its members designated as representatives for negotiations.

(a) **Central Table.** The Employer agrees to grant leave with pay for up to eight (8) employees, except for temporary employees, at a central bargaining table to represent the Union for actual negotiating table time including caucuses, negotiation work sessions, and a reasonable number of membership meetings relating to negotiations. However, there shall be no more than one (1) employee representative from each Agency, except for Agencies which have two thousand, five-hundred (2,500) or more bargaining unit members which may have up to two (2) representatives, provided they are not from a single work location. Negotiations at the Central Table will take place during normal business hours.

(b) **Coalition Tables.** Coalition negotiations will take place after normal business hours. For Coalition negotiations, the Employer agrees to unschedule, or grant paid time as outlined below, for up to a total of twenty-four (24) employees designated as employee bargaining team representatives, except temporary employees, but no more than eight (8) employees per coalition table. The designated employee bargaining team representative will be granted up to twenty-four (24) non-cumulative hours each month of paid time for up to one-hundred and fifty (150) calendar days for attendance at negotiations, including travel time, provided coalition bargaining sessions and/or travel time occur during an employee's regular work schedule. However, the one-hundred and fifty (150) calendar days will begin no later than February 15 or the closest business day thereto. The inclusion of paid time will not result in the employee receiving greater benefit than the employee would have received had the employee not attended the bargaining session. Should it become necessary for the Employer to replace or unschedule an employee scheduled for swing or graveyard shift so as to permit that employee to participate in collective bargaining negotiations, the Union agrees alternatively as follows:

(1) Six (6) workdays notice shall be given by the Union to the Employer so as to allow the Employer to avoid payment of penalty pay for the schedule change of the replacement employee; or

(2) If the Union does not give notice prescribed in (1) above, the Union shall reimburse the Employer for the penalty pay paid to the replacing employee.

Section 3. The Employer is not responsible for travel, per diem, overtime, or other benefits beyond that which the employee would have received had the employee not attended bargaining sessions.

Section 4. Subject in each case to prior approval by the Agency, the Employer further agrees to grant leave without pay to additional employees determined necessary by the Union to attend negotiating sessions.

Section 5. Ratification. It is understood that all tentative agreements at the table are subject to ratification by both Parties.

ARTICLE 15--PARKING

The Employer agrees to advise the Union of any proposed change in parking rates at the State-owned or operated facilities as soon as the Department of Administrative Services has knowledge of an impending change.

(See Letter of Agreement in Appendix A.)

ARTICLE 17.5--AGENCY PERSONNEL RULES AND PRACTICES (Special Agencies Coalition)

Upon written request by the Union, the Agency will promptly furnish to it a written statement regarding its rules or policies on any specific employment matter or when they exist in written form, a copy thereof.

ARTICLE 18.3--REORGANIZATION NOTIFICATION

(ODOT Coalition)

The Union will be advised of any major Agency reorganizations which may adversely affect an employee's pay and/or classification.

ARTICLE 19--PERSONNEL RECORDS

Section 1. Each Agency shall maintain one (1) official personnel file for each employee, located at the primary administrative Personnel Office for the Agency. For purposes of this Article, "Agency" shall include health-related licensing boards and institutions that maintain the official personnel files for their employees.

Where the personnel records are maintained on microfiche/microfilm, the personnel file will include both microfiche/microfilm and any material not yet copied.

Upon reasonable notice, an employee may inspect the records, excluding any confidential reports from previous employers, in his/her official Agency personnel file or supervisory working file; provided that, if the official personnel file or supervisory working file is kept at a separate facility, the employee shall, at the Agency's discretion, either be allowed to go where the file is kept or the file will be brought to the employee for review within five (5) days of his/her request. With the employee's written authorization, his/her Union Steward may inspect the employee's official personnel file, and supervisory working file, consistent with the time requirements provided herein. If the supervisory working file cannot be made available due to the absence of a supervisor, extensions of up to ten (10) days will be granted.

No grievance material shall be kept in an employee's official personnel file.

Section 2. No information reflecting critically upon an employee except notices of discharge shall be placed in the employee's official personnel file that does not bear the signature of the employee. The employee shall be required to sign material to be placed in his/her official personnel file provided the following disclaimer is attached:

"Employee's signature confirms only that the supervisor has discussed and given a copy of the material to the employee.

The employee's signature does not indicate agreement or

disagreement with the contents of this material.”

If an employee is not available within five (5) working days or refuses to sign the material, the Agency may place the material in the file, provided a statement has been signed by two (2) management representatives and a copy of the document was mailed certified to the employee at his/her address of record or hand delivered to the employee.

Section 3. Employees shall be entitled to prepare and provide copies of any written explanation(s) or opinion(s) regarding any critical material placed in his/her official personnel file or supervisory working file. The employee's explanation or opinion shall be attached to the critical material and shall be included as part of the employee's official personnel record or supervisory working file so long as the critical materials remain in the file.

Where the personnel records are maintained on microfiche/microfilm, the explanation or opinion will be placed next to or in closest possible proximity to the critical material.

Section 4. An employee may include in his/her official personnel file a reasonable amount of relevant material such as letters of commendation, licenses, certificates, college course credits, and other material which relates creditably on the employee. This material shall be retained for a minimum of three (3) years except that licenses, certificates, or college credit information may be retained so long as they remain valid and relevant to the employee's work.

Section 5. Material reflecting caution, consultation, warning, admonishment, and reprimand shall be retained for a maximum of three (3) years. Such material may however be removed after twenty-four (24) months, provided there has been no recurrence of the problem or a related problem in that time. Earlier removal will be permitted when requested by an employee and if approved by the Appointing Authority.

Material relating to disciplinary action recommended, but not taken, or disciplinary action which has been overturned and ordered removed from the official personnel file(s) on final appeal, shall be removed.

Incorrect material will be removed, upon request, from an employee's personnel file. (See Article 85--Position Descriptions and Performance Evaluation.)

Section 6. Upon written request by the employee, the Agency will make a good faith effort to return material removed from the official personnel file to the employee. A copy of the request will be maintained in the official personnel file.

ARTICLE 19T--PERSONNEL RECORDS

(Temporary Employees)

Section 1. Each Agency shall maintain one (1) official personnel file for each employee, located at the primary administrative Personnel Office for the Agency. For purposes of this Article, "Agency" shall include health-related licensing boards and institutions that maintain the official personnel files for their employees.

Where the personnel records are maintained on microfiche/microfilm, the personnel file will include both microfiche/microfilm and any material not yet copied.

Upon reasonable notice, an employee may inspect the records, excluding any confidential reports from previous employers, in his/her official Agency personnel file; provided that, if the official personnel file is kept at a

separate facility, the employee shall, at the Agency's discretion, either be allowed to go where the file is kept or the file will be brought to the employee for review within five (5) days of his/her request. With the employee's written authorization, his/her Union Representative may inspect the employee's official personnel file, consistent with the time requirements provided herein.

No grievance material shall be kept in an employee's official personnel file.

Section 2. No information reflecting critically upon an employee shall be placed in the employee's official personnel file without a copy being provided to the employee in person or by mail at the last known address.

Employees shall be entitled to prepare a written explanation or opinion regarding any critical material placed in his/her official personnel file. The employee's explanation or opinion shall be attached to the critical material and shall be included as part of the employee's official personnel record so long as the critical materials remain in the file. Where the personnel records are maintained in a different format, the explanation or opinion will be placed next to or in closest possible proximity to the critical material.

Section 3. Supervisory Working Files. With reasonable advance notice, an employee shall be allowed to inspect the working file on him/herself that is maintained by his/her supervisor.

ARTICLE 19.1M--PERSONNEL RECORDS

(DHS Non-Institutions)

When the Agency receives a subpoena or request for an employee's personnel records, except for an inquiry as a result of a criminal law complaint or request for verification of employment and salary, the Agency shall notify the employee of the subpoena or request, who has made it, the information being subpoenaed or requested, and the reason for the subpoena or request.

ARTICLE 19.2K--PERSONNEL RECORDS

(OYA Administration and Field Services)

When the Agency receives a subpoena or request for an employee's personnel records, except for an inquiry as a result of a criminal law complaint or request for verification of employment and salary, the Agency shall:

- (a) notify the employee of the subpoena or request, who has made it, the information being subpoenaed or requested, and the reason for the subpoena or request; and
- (b) provide the employee with a copy of all material sent in response to the subpoena or request.

ARTICLE 20--INVESTIGATIONS, DISCIPLINE, AND DISCHARGE

Section 1. The principles of progressive discipline shall be used when appropriate. Discipline shall include, but not be limited to: written reprimands; denial of an annual performance pay increase; reduction in pay;* demotion; suspension without pay*; and dismissal. Discipline shall be imposed only for just cause.

*For FLSA-exempt employees, except for penalties imposed for infractions of safety rules of major significance, no reduction in pay and only suspensions without pay in one (1) or more full workweek increments unless or until FLSA restrictions on economic sanctions for exempt employees are eliminated by statute or a court decision the State determines dispositive. Safety rules of major

significance include only those relating to the prevention of serious danger to the Agency, or other employee.

Section 2. Suspension With Pay or Duty Stationed at Home Pending an Investigation by the Agency's Human Resource Office. The employee shall be notified in writing of the initial reason for the action within seven (7) calendar days of the effective date of the action. The Agency will conduct the initial interview with the employee within thirty (30) calendar days of notification of the action. The investigation shall be completed within one-hundred twenty (120) calendar days. However, if the investigation is not concluded within the timeline, the Agency will notify DAS and the Union of the specific reason(s) and the amount of additional time needed which shall be no more than thirty (30) days at a time.

Section 3. A written pre-dismissal notice shall be given to a regular status employee who is being considered for dismissal. Such notice shall include the then known complaints, facts, and charges, and a statement that the employee may be dismissed. The employee shall be afforded an opportunity to refute such charges or present mitigating circumstances to the Appointing Authority at a time and date set forth in the notice, which date shall not be less than seven (7) calendar days from the date the notice is received or, at the option of the employee, by written response by that date. The employee shall be permitted to have an official representative present. At the discretion of the Appointing Authority, the employee may be suspended with or without pay or be allowed to continue to work as specified in the pre-dismissal notice. Should an employee be suspended without pay, the employee will first be afforded notice and right to present mitigating circumstances to the Appointing Authority or designee.

Section 4. Dismissal, Reduction, Suspension Without Pay, Demotion, Written Reprimands, Performance Pay Increase Denial, and any other form of Discipline.

(a) An employee shall receive written notice of the discipline with the specific charges and facts supporting the discipline at the time disciplinary action is taken.

Copies of pre-dismissal and dismissal notices will be sent to the Union headquarters (Salem) within five (5) calendar days of being issued to the employee. Failure to send a copy of the pre-dismissal or dismissal notice to the Union will not void the disciplinary action.

Suspensions with pay will not be recorded in employee personnel files nor in any manner used against an employee if no disciplinary action is subsequently taken.

(b) The Employer will make a good faith effort to have the following statement appear on all dismissals and disciplinary notices covered in Section 4(a) above:

If you choose to contest this action you have a right to be represented by the SEIU Local 503, OPEU. SEIU must file an appeal within thirty (30) calendar days from the effective date of this action in accordance with Article 21.

Failure to include this notice will not void the disciplinary action.

Section 5. Employees in initial trial service with the State shall have no right to appeal removals from state service under this Article. Employees in trial service as a result of promotion who are returned to their former classification shall have no right of appeal under this Article for such removal. However, an employee in trial service as a result

of promotion who is dismissed from state service may have his/her dismissal appealed by the Union under this Article.

Section 6. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

(See Last Chance Agreements, Article 21, Section 11.)

ARTICLE 21--GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. Grievances are defined as acts, omissions, applications, or interpretations alleged to be violations of the terms or conditions of this Agreement.

Grievances shall be filed within thirty (30) calendar days of the date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance.

Grievances shall be reduced to writing, stating the specific Article(s) alleged to have been violated and clear explanation of the alleged violation, sufficient to allow processing of the grievance. Grievances shall be filed through the appropriate steps of this procedure on the form identified as the Official Statement of Grievance Form. Except during the initial thirty (30) calendar day filing period at Step 1 or Step 2, whenever a grievance is properly filed at that step, and provided there has been no response from Agency management to the filed grievance, the Union shall not expand upon the original elements and substance of the written grievance. The Union may add other relevant Articles to the list of Articles allegedly violated at Step 2.

All grievances shall be processed in accordance with this Article and it shall be the sole and exclusive method of resolving grievances, except for the following Articles:

- Article 2--Recognition
- Article 5--Complete Agreement/Past Practices
- Article 56--Sick Leave (FMLA/OFLA)
- Article 22--No Discrimination
- Article 81--Reclassification Upward, Reclassification Downward, and Reallocation

Section 2. Time limits specified in this and the above-referenced Articles shall be strictly observed, unless either Party requests a specific extension of time, which if agreed to, must be stipulated in writing and shall become part of the grievance record. "Filed" for purposes of Step 1 through Step 4 grievances shall mean postmarked (dated by meter or U.S. Post Office), fax received by close of the business day or actual receipt.

If at any step of the grievance procedure, the Employer fails to issue a response within the specified time limits, the grievance shall automatically advance to the next step of the grievance procedure unless withdrawn by the grievant or the Union. If the grievant or Union fails to meet the specified time limits, the grievance will be considered withdrawn and it cannot be resubmitted.

Grievance steps referred to in this Article may be waived by mutual agreement in writing. Such written agreements shall become part of the grievance file.

Section 3. When required by the Employer to investigate the grievance, any time spent by employee(s) to attend meetings during regular working hours, shall be considered as work time.

Section 4. Group Grievances. Where there are group grievances in Agencies involving two (2) or more supervisors, such grievances shall be filed and processed in accordance with Step 2 of the grievance procedure. When a grievance involves employees in more than one (1) Agency, such grievance shall be filed and processed in accordance with Step 3 of this Article. The grievance shall specifically enumerate, by name, the affected employees, when known. Otherwise, the affected employees will be generically described in the grievance.

Section 5. Grievances shall be processed as follows:

TIME TO FILE: Thirty (30) calendar days for initial filing	
PLACE TO FILE	TYPE OF GRIEVANCE
AGENCY HEAD (Step 2)	<ul style="list-style-type: none"> • Article 20--Discipline/Discharge • Article 22--Discrimination • Article 81--Reclass Down • Article 21, Section 4 - Group Grievances involving multiple supervisors in one Agency • Family Medical Leave (FMLA/OFLA)

MANAGEMENT/ EXECUTIVE SERVICE SUPERVISOR (Step 1)	<ul style="list-style-type: none"> • All other grievances/contract violations

See Appendix F for detailed table on grievance filing.

Step 1. The grievant(s), with or without Union representation, shall, within thirty (30) calendar days, file the grievance except as otherwise noted to his/her management/executive service supervisor*. Upon request of either Party, the Parties will meet to discuss the grievance. The supervisor shall respond in writing to the grievant(s) within fifteen (15) calendar days from the receipt of the grievance. In all cases, the grievant and his/her management/executive service supervisor will attempt to meet within the thirty (30) calendar day filing period in an attempt to resolve the grievance at the lowest possible level of management. Failure to meet will not invalidate the grievance.

All Step 1 grievance settlements are non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings now or in the future. Step 1 grievance settlements shall be reduced to writing and signed by the grievant and management/ executive service supervisor. Actions taken pursuant to Step 1 settlement agreements shall not be deemed to establish or change practices under the Collective Bargaining Agreement, including but not limited to Article 5, or ORS Chapter 243, and shall not give rise to any bargaining or other consequential obligations.

*In ODOT (Highway), this is the District Maintenance Supervisor; in OPRD, this is the District Park Manager; or, in either case, the equivalent Program Manager; and in Forestry, this is the District Forester or Program Director. In the State-owned Airports Branch of ODOA, this is the State Airports Manager. In the Statewide Services Branch of ODOA, this is the Agency Head. In ODFW, grievances filed at Step 1 are to be filed with the Division Administrator

or Regional Manager, whichever is appropriate for that work unit.

Step 2. When the response at Step 1 does not resolve the grievance, the grievance must be filed by the Union within fifteen (15) calendar days after the Step 1 response is due or received. The appeal shall be filed in writing to the Agency Head or his/her designee, who shall respond in writing within fifteen (15) calendar days (thirty (30) calendar days for discipline) after receipt of the Step 2 appeal. Upon request of either Party, the Parties will meet to discuss the grievance.

“Agency Head” as used in this Section shall normally mean the appointed or elected executive head of the Agency, except as follows:

- Health-Related Licensing Boards—Chief Administrative Officer
- DHS Institutions—Institution or Facility Superintendent
- ODOT—Chief of Human Resources or designee
- OPRD—Parks Director or designee
- Forestry—State Forester or designee
- ODFW—Agency Director or designee

Step 3. Failing to settle the grievance in accordance with Step 2, the appeal, if pursued, must be filed by the Union and received by the Labor Relations Unit of the Department of Administrative Services within fifteen (15) calendar days after the Step 2 response is due or received. The Labor Relations Unit shall respond in writing within fifteen (15) calendar days from receipt of the Step 3 appeal. At this step the Parties agree that a face-to-face meeting (or the equivalent by phone) will occur between the Union and Labor Relations Unit. If the Union wishes to pursue a grievance involving only temporary employees beyond Step 3, the issue must first be submitted to grievance mediation. The request to initiate mediation shall be submitted by the Union to the Labor Relations Unit within fifteen (15) days of the Step 3 response.

Step 4. Grievances which are not satisfactorily resolved at Step 3 may be appealed to arbitration. If the Union intends to appeal to arbitration, the appeal must be received by the Labor Relations Unit of the Department of Administrative Services within forty-five (45) calendar days after the Step 3 response was due or received. If the Union has filed a notice of intent to arbitrate a grievance but has not requested selection of an arbitrator within two (2) months of such notice, LRU may require that an arbitrator be selected and a hearing date agreed upon. In this situation, a letter from the Union requesting an arbitrator shall be sent within fifteen (15) days of such request by LRU or the grievance will be deemed withdrawn.

Section 6. Arbitration Selection and Authority.

(a) Arbitrations between the Parties shall be presented to one of the following arbitrators:

1. Gary L. Axon
2. Catherine C. Harris
3. Howell L. Lankford
4. James A. Lundberg
5. Ronald L. Miller
6. Sylvia P. Skratek
7. Kathryn T. Whalen
8. Timothy D. W. Williams

Through mutual agreement, the Parties may elect to reopen this Section to modify the list of arbitrators.

(b) Arbitrators shall be assigned on a rotational basis in the order set out above. Upon Labor Relations’ receipt of a letter of intent to arbitrate and subsequent

approval to proceed to arbitration from the SEIU Local 503, OPEU, a calendar for potential date selection will be offered which includes the three (3) month period beginning the second full month after receipt of the approval to proceed correspondence. However, when the arbitrator originally selected is unable to schedule a hearing within the three (3) month period, the next arbitrator in rotation will be sent the same dates to schedule the hearing. In instances where the Parties agree to consolidate cases, meaning combining a related disciplinary action with a pending arbitration case, the arbitrator assigned to handle the first case will also be assigned to handle the subsequent matter. Arbitrators will use cancellation days and any unused scheduled days for writing awards on any outstanding cases under this Agreement. Cancellation fees will be applied toward any writing days.

- (c) Within fifteen (15) calendar days of receiving confirmation of an appeal of a grievance to arbitration, the Labor Relations Unit shall assign the next arbitrator on the list for selection and shall simultaneously notify the interested Parties of such assignment.
- (d) Representatives of each Party, in conjunction with the chosen arbitrator, shall mutually select dates for arbitration within a reasonable period of time.
- (e) The arbitrator shall have the authority to hear and rule on all issues which arise over substantive or procedural arbitrability. Such issues, if raised, must be heard prior to hearing the merits of any appeal to arbitration. Upon motion by either Party that there exists issues involving substantive or procedural arbitrability, the arbitrator shall hear the arbitrability issue(s) first and the Parties shall make oral closing statements. The arbitrator shall issue a bench ruling by the end of the business day. When the arbitrator determines that the case is not arbitrable, the decision shall be affirmed in writing within seven (7) calendar days from the close of the hearing. If the grievance is arbitrable, the Parties shall continue with the hearing that day or the next business day, as time permits. In cases where arbitrability is affirmed, the arbitrator's award will include written findings on arbitrability.
- (f) The Parties agree that the decision or award of the arbitrator shall be final and binding on each of the Parties. The arbitrator shall issue his/her decision or award within thirty (30) calendar days of the closing of the hearing record. The arbitrator shall have no authority to rule contrary to, to amend, add to, subtract from, change or eliminate any of the terms of this Agreement. The arbitration will be handled in accordance with the rules of the American Arbitration Association.
- (g) The Employer and the Union will develop stipulations of fact and use affidavits and other time-saving methods whenever possible and when mutually agreed upon in all cases proceeding to arbitration.
- (h) The Parties shall split the arbitrator's charges equally. All other expenses shall be borne exclusively by the Party requiring the service or item for which payment is to be made.
- (i) Arbitrations for cases involving Articles exclusively applying to temporary workers shall be processed using the expedited grievance procedure outlined in LOA 21.00-99-06.

Section 7. Upon request, an employee shall have the right to Union representation during an investigatory interview that an employee reasonably believes will result in disciplinary action. The employee will have the opportunity to consult with a local Union Steward or Organizer before the interview, but such designation shall not cause an undue delay.

Section 8. A grievant shall be granted leave with pay for appearance before the Employment Relations Board or arbitration, including the time required going and returning to his/her headquarters. The Union Steward of record shall be granted leave with pay to attend the actual Board or arbitration hearing. The Steward shall not be eligible for overtime, travel expenses, penalty payments or premium payments as a result of this Section.

Section 9. No reprisals shall be taken against any employee for exercise of his/her rights under the provisions of this Article.

Section 10. Information requests concerning grievances shall be sent to the Agency or Union with a copy to the Department of Administrative Services, Labor Relations Unit. The request(s) shall be specific and relevant to the grievance investigation. The Agency/Union will provide the information to which the Party is lawfully entitled. Reasonable costs shall be borne by the requesting Party. The requesting Party shall be notified of any costs before the information is compiled.

Notwithstanding Article 19--Personnel Records, and upon the Union's written request, the Agency, within a reasonable period of time, will provide a listed summary of redacted Agency-issued disciplinary actions or redacted disciplinary letters, whichever is requested by the Union.

Section 11. The Parties acknowledge that an Agency, at its own discretion, may offer a last chance agreement to an employee. Last chance agreements will be signed by the employee and the Union unless the employee affirms in writing that the Union not be a Party to the agreement. Such agreement, if offered, shall include the conditions, consequences of failure and term of agreement. This Section does not apply to temporary employees. (See Letters of Agreement in Appendix A.)

ARTICLE 22--NO DISCRIMINATION

Section 1. It is the policy of the Employer and the Union not to engage in unlawful discrimination against any employee because of race, color, marital status, religion, sex, national origin, age, mental or physical disability, or any other protected class under State or Federal law. Neither will the Employer discriminate based on gender identity or sexual orientation. To this end, the Parties further agree to apply the provisions of this Agreement equally to all employees in the bargaining unit without regard to their status in any of the categories specified above and to support application of federal and state laws and regulations, where applicable.

Section 2. Sexual harassment is considered a form of sex discrimination. No employee shall be subjected to sexual harassment by the Employer, Union, or other bargaining unit members. Unwelcome sexual advances, requests for sexual favors, and other deliberate or repeated unsolicited verbal or physical conduct of a sexual nature constitutes sexual harassment when:

- (a) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;

- (b) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (c) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Section 3. Discipline and Discharge appeals which allege the action was taken for gender identity, sexual harassment, or sexual orientation reasons shall follow the appeal time frames in Article 20.

Any other grievance alleging any form of discrimination as listed in Section 1 will be submitted in writing within thirty (30) days of date the grievant or the Union knows or by reasonable diligence should have known of the alleged grievance, directly to the Agency Head or designee as defined or used in Article 21, Section 5. The Agency Head or designee shall respond within fifteen (15) calendar days after receipt of the grievance. If the grievance is still not resolved at this level, grievances alleging discrimination based on gender identity, sexual harassment, or sexual orientation shall be submitted by the Union to the Department of Administrative Services for resolution within fifteen (15) calendar days after receipt of the Agency Head's response. The Department of Administrative Services Labor Relations Unit's response shall be due fifteen (15) calendar days after receipt of the grievance.

Section 4. All other unresolved discrimination grievances may be submitted by the Union or the grievant to the Bureau of Labor and Industries or the EEOC for resolution, if not already so filed. In the case of gender identity, sexual harassment, or sexual orientation grievances, the Union may proceed to arbitration per Section 5 of this Article. Nothing in this Article shall preclude an employee from filing a charge of discrimination with the Bureau of Labor and Industries or the EEOC at any time. It is agreed, however, that there will be no concerted effort on the part of the Employer to discourage arbitration or the Union to encourage the use of multiple sources of complaint resolution.

Section 5.

- (a) An employee who is assigned work that is performed in a light fixed wing aircraft or helicopter involving one (1) or more of the following duties, such as:

- (1) flying grid patterns
- (2) low altitude tracking and spotting
- (3) locate and capture animals
- (4) collecting census data

shall receive one dollar and fifty cents (\$1.50) per hour in the performance of these duties for actual air time only.

- (b) Employees that are being transported to a job site, normal courier duties, point-to-point travel, or similar circumstances shall not qualify for this differential. Pilots are excluded from any part of this provision.

Section 2. Diving Differential. Employees whose work assignment requires the use of self-contained underwater breathing apparatus or other sustained underwater diving equipment and who pass current certification for the use of

such equipment will receive a differential of five dollars (\$5.00) per hour or any fraction thereof, for actual diving time.

ARTICLE 27--SALARY INCREASE

For purposes of contract administration, see Letter of Agreement that affects employees who have Salary Eligibility Dates and who are not at the top step of their pay ranges.

Section 1. Public Employees Retirement System ("PERS") Members.

For purposes of this Section 1, "employee" means an employee who is employed by the State on August 28, 2003 and who is eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 2003.

Retirement Contributions. On behalf of employees, the State will continue to "pick up" the six percent (6%) employee contribution, payable pursuant to the law. The Parties acknowledge that various challenges have been filed that contest the lawfulness, including the constitutionality, of various aspects of PERS reform legislation enacted by the 2003 Legislative Assembly, including Chapters 67 (HB 2003) and 68 (HB 2004) of Oregon Laws 2003 ("PERS Litigation"). Nothing in this agreement shall constitute a waiver of any Party's rights, claims or defenses with respect to the PERS Litigation.

Section 2. Oregon Public Service Retirement Plan Pension Program Members.

For purposes of this Section 2, "employee" means an employee who is employed by the State on or after August 29, 2003 and who is not eligible to receive benefits under ORS Chapter 238 for service with the State pursuant to Section 2 of Chapter 733, Oregon Laws 733.

Contributions to Individual Account Programs. As of the date that an employee becomes a member of the Individual Account Program established by Section 29 of Chapter 733, Oregon Laws 2003, and pursuant to Section 3 of that same Chapter, the State will pay an amount equal to six percent (6%) of the employee's monthly salary, not to be deducted from the salary, as the employee's contribution to the employee's account in that program. The full amount of the contributions paid by the Employer on behalf of employees, pursuant to the Agreement shall be considered as "salary" within the meaning of ORS 238.005(20) for purposes of computing an employee member's "final average salary" within the meaning of ORS 238.005(8), but shall not be considered to be "salary" for the purposes of determining the amount of employee contributions required to be contributed pursuant to Section 32 of Chapter 733, Oregon Laws 2003.

Section 3. Effects of Changes in Law (other than PERS Litigation).

In the event that the State's payment of a six percent (6%) employee contribution under Section 1 or under Section 2, as applicable, must be discontinued due to a change in law, valid ballot measure, constitutional amendment, or a final, non-appealable judgment from a court of competent jurisdiction (other than in the PERS Litigation), the State shall increase by six percent (6%) the base salary rates for each classification in the salary schedules in lieu of the six percent (6%) pick-up. This transition shall be done in a manner to assure continuous payment of either the six percent (6%) contribution or a six percent (6%) salary increase.

For the reasons indicated above, or by mutual agreement, if the State ceases paying the applicable six

percent (6%) pickup and instead provides a salary increase for eligible bargaining unit employees during the term of the Agreement, and bargaining unit employees are able, under then-existing law, to make their own six percent (6%) contributions to their PERS account or the Individual Account Program account, as applicable, such employees' contributions shall be treated as "pre-tax" contributions pursuant to Internal Revenue Code, Section 414(h)(2).

Section 4. Compensation Plan for Non-Strikeable Unit.

The Parties agree to maintain a separate wage compensation plan for SEIU Local 503, OPEU-represented employees in the non-strikeable unit, including employees at Oregon State Hospital in positions designated as security, with the representation code of OXN or OXS. (See Appendix D.)

Section 5. New/Revised Classifications.

(a) Effective October 1, 2009, the following new and revised classifications will be established at the salary ranges listed below:

(b) Implementation Procedure for Above Classifications.

Effective October 1, 2009, all employees will retain their current salary rate in the new classification except that employees whose current rate is below the first step of the new range shall be moved to the first step in the new range and a new salary eligibility of October 1, 2010 will be assigned. For an employee whose rate is within the new salary range, but not at a corresponding salary step, his/her salary shall be adjusted to the next higher rate closest to his/her current salary, effective October 1, 2009. "Red-circle" under Article 81, Section 3 will apply when appropriate, (i.e., in cases of downward reclassification).

(c) Delete the following classifications from the compensation plan:

Effective July 1, 2009, all employees will retain their current salary rate in the new range except that employees

whose current rate is below the first step of the new range shall be moved to the first step in the new range and a new salary eligibility of July 1, 2010 will be assigned. For an employee whose rate is within the new salary range, but not at a corresponding salary step, his/her salary shall be adjusted to the next higher rate closest to his/her current salary, effective July 1, 2009. "Red-circle" under Article 81, Section 3 will apply when appropriate, (i.e., in cases of downward reclassification).

ARTICLE 29--SALARY ADMINISTRATION

For purposes of contract administration, see Letter of Agreement that affects employees who have Salary Eligibility Dates and who are not at the top step of their pay ranges.

Section 1. Pay.

(a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.

(b) All employees shall be paid no later than the first day of the month. However, employees who begin work after payroll cutoff will be paid in the subsequent mid-month payroll for time worked in the affected pay period. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for disciplinary action. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for disciplinary action. However, this shall not apply to appropriate mid-month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.

(c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment to a position in state service. An entrance salary rate may exceed the minimum rate when the Appointing Authority believes it is in the best interest of the State to do so.

(d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority, in emergency

cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:

1. Death in family
2. Major car repair
3. Theft of funds
4. Automobile accident (loss of vehicle use)
5. Accident or sickness
6. Destruction or major damage to home
7. New employee lack of funds (maximum--one (1) draw)
8. Moving due to transfer or promotion.

Section 2. Submission of Salary Increases.

Recommendations for salary increases must be made to be effective on the first day of the month and must be submitted prior to the proposed effective date. However, retroactive six (6) month and annual salary increases to correct errors or oversights and retroactive payments resulting from grievance settlements shall be authorized. The proposed effective date for retroactive six (6) month and annual salary increases must be the first day of the month no more than twelve (12) months prior to the time of submitting the correcting recommendation.

Section 3. Performance Increase. Salary administration shall be based upon a performance-based system. Employees shall be granted an annual performance pay increase on their eligibility date if the employee is not at the top of the salary range of their classification, and provided the employee's performance has not been deficient. Employees who do not receive an annual performance pay increase shall receive timely notice of deficient performance or conduct during the evaluation period. Employees shall receive a notice related to the deficiencies as they are noted prior to the completion of the performance evaluation period. "Timely" shall be a reasonable amount of time, taking into consideration the specific alleged deficient performance. Such notice shall provide the employee with adequate opportunity to correct the problem prior to the end of the evaluation period.

Employees shall be eligible for performance increases at the first of the month following the intervals of:

- (a) Annual periods after the initial date of hire until the employee has reached the top step in his/her salary range. However, should an employee be promoted during the first year of service with the Employer, the employee shall not receive this increase, but shall be eligible for increases in Section 3(b).
- (b) The first six (6) months after promotion and annual periods thereafter until the employee has reached the top step in his/her salary range.

Performance-based pay shall use the following criteria:

- (1) Classification specifications developed and promulgated by the Employer.
- (2) An individual position description reduced to writing.
- (3) Written memoranda including letters of instruction, when necessary. Work plans where used will not be accepted as a substitute for notice of deficiency.
- (4) Disciplinary action.

The above criteria shall be the primary factors upon which an employee's performance is judged and upon

which annual performance pay decisions are determined.

Section 4. Salary on Demotion. Whenever an employee demotes to a job classification in a lower range that has a salary rate the same as the previous salary step, the employee's salary shall be maintained at that step in the lower range.

Whenever an employee demotes to a job classification in a salary range which does not have corresponding salary steps with the employee's previous salary but is within the new salary range, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that their current salary rate is below the next higher rate in the salary range. This increase shall not exceed the highest rate in the new salary range.

Whenever employees demote to a job classification in a lower range, but their previous salary is above the highest step for that range, the employee shall be paid at the highest step in the new salary range.

This Section shall not apply to demotions resulting from official disciplinary actions.

Section 5. Salary on Promotion.

- (a) An employee shall be given no less than an increase to the next higher rate in the new salary range effective on the date of promotion.

If an employee is demoted or removed during trial service as a result of a promotion, his/her salary shall be reduced to the former step, and the previous salary eligibility date shall be restored.

If the employee's salary eligibility date occurs during the promotional trial service period, upon reinstatement to the previous class, the salary eligibility date prior to promotion will be recognized.

- (b) **Salary on Recall from Demotion in Lieu of Layoff.** Upon recall to his/her former classification, an employee demoted in lieu of layoff shall retain his/her previous salary eligibility date and, as of the date of recall, be restored at the salary the employee would have been eligible for had a demotion not occurred, unless the employee is denied the increase as a disciplinary action.

Section 6. Salary on Lateral Transfer. An employee's salary shall remain the same, except where the Appointing Authority or designee determines that exceptional circumstances justify payment of a higher rate, when transferring from one (1) position to another which has the same salary range.

Section 7. Effect of Break-In-Service. When an employee separates from state service and subsequently returns to state service, except as a temporary employee, the employee's salary eligibility date shall be determined by the Agency as follows:

- (a) **Return from Recall List.** The employee's previous salary eligibility date, adjusted by the amount of break-in-service, shall be restored.
- (b) **Return from Reemployment.** The employee's previous salary eligibility date, adjusted by the amount of break-in-service, shall represent the earliest salary eligibility date following return. However, the salary eligibility date may be established as the first of the month in any future month up to twelve (12) months from the date of reemployment.

Section 8. Rate of Pay on Appointment from Layoff

List. When an individual is appointed from a layoff list to a position in the same classification in which the person was previously employed, the person shall be paid at the same salary step at which such employee was being paid at the time of layoff. The salary eligibility date of an individual who is appointed from a layoff list shall be determined in accordance with Section 7.

Section 9.

(a) Rate of Pay on Return to State Service by Reemployment.

When a former employee is appointed from reemployment to a position in the same classification in which he/she was previously employed or in a related classification with the same salary range, he/she may be paid at or below the step at which he/she was being paid at the time of his/her termination. If a person is reemployed in a position in a classification with a lower salary range than that of his/her previous position, he/she may be paid at any step in the lower salary range not exceeding the rate he/she was being paid in the higher classification, except where exceptional circumstances justify payment of a higher rate. The salary eligibility date of a former employee who is appointed from reemployment shall be determined in accordance with Section 7.

(b) Rate of Pay on Reemployment Without a Break-In-Service.

(1) When a current employee is returning from demotion to a position in the same classification in which he/she was previously employed or in a related classification with the same salary range, the employee shall be restored at the salary step the employee would have been eligible for had a demotion not occurred, not to exceed the top step.

(2) When a person is reemployed in a position in a classification with a lower salary range than that of his/her previous position as referenced in Subsection (b)(1), the employee may be paid at any step in that lower salary range not to exceed the top step or the rate he/she would have received pursuant to Subsection (b)(1). However, if an employee's current rate of pay is below the top step of the lower classification's salary range, she/he retains that rate unless the employee is eligible to receive a higher rate pursuant to Subsection (b)(1) or (b)(4) not to exceed the top step.

(3) In both instances, the former salary eligibility date (SED) is restored unless the SED is changed in compliance with the Collective Bargaining Agreement (e.g., Article 61, Leave Without Pay).

(4) Pay of a higher rate, not to exceed the top step, may be granted subject to exceptional circumstances, upon approval of the appointing authority.

Section 10. Recoupment of Wage and Benefit Overpayments.

(a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.

(b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.

(c) For purposes of recovering overpayments of fifty dollars (\$50.00) or less, notice will be provided on the employee paystub.

(d) For purposes of recovering overpayments of more than fifty dollars (\$50.00) by payroll deduction, the following shall apply:

(1) The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.

(2) If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.

(3) If the overpayment amount to be repaid is more than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in monthly amounts not exceeding five percent (5%) of the employee's regular base salary. If an overpayment is less than five percent (5%) of the employee's regular monthly base salary, the overpayment shall be recovered in a lump sum deduction from the employee's paycheck. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check(s).

(4) Subsections (d)(1) through (d)(3) of this Section shall not apply to payroll adjustments necessitated by a discrepancy between actual hours of paid time versus hours projected for payroll purposes from one pay period to another. For example, if an employee utilizes leave without pay near the end of a month but is paid for such time because such leave without pay was not anticipated at the payroll cutoff date for that month, the employee's pay and benefit entitlements may be adjusted on the following month's paycheck.

However, under limited conditions (listed below) an exception to lump sum recoupment of wage overpayments greater than five percent (5%), as a result of leave without pay, shall apply. In these cases, an employee may request a repayment schedule not to exceed three (3) months:

(A) When entries are made by a person authorized by the Agency to complete a timesheet on behalf of an absent employee which results in overpayment.

(B) When entries on the timesheet made by an employee were correct, but the timesheet data was incorrectly input by the Agency which results in an overpayment.

(5) The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

(See Letters of Agreement in Appendix A.)

ARTICLE 29T--SALARY ADMINISTRATION

(Temporary Employees)

Section 1. Pay.

- (a) Pay for employees in the bargaining unit shall be in accordance with the Compensation Plan adopted by the Department of Administrative Services and approved by the Governor as modified by this Agreement. No changes shall be made in the Compensation Plan which affect SEIU Local 503, OPEU bargaining unit employees unless the Parties to this Agreement have negotiated the changes and reached agreement on what changes will be made. This is not intended to prevent mechanical changes or other minor changes necessary to administer the Compensation Plan.
- (b) All employees shall be paid no later than the first day of the month or semi-monthly, as appropriate. When a payday occurs on Monday through Friday, payroll checks shall be released to employees on that day. When payday falls on a Saturday, Sunday, or holiday, employee paychecks shall be made available after 8:00 a.m. on the last working day of the month, or as appropriate for hourly employees. When an employee is not scheduled to work on the payday, the paycheck may be released prior to payday if the paycheck is available and the employee has completed the "Request for Release of Payroll Check" Form AD20. However, the employee may not cash or deposit the check prior to the normal release time. Any violation of this provision may be cause for denial of future early release of paycheck. All checks released early under this Article shall be accompanied by written notice from the Employer as to the normal release time and date for that employee and a statement that early cashing or depositing of the check may be cause for denial of future early release of paycheck. However, this shall not apply to appropriate tenth (10th) of the month payroll. The release day for December paychecks dated January 1 shall be the first working day in January to avoid the risk of December's paychecks being included in the prior year's earnings for tax purposes.
- (c) Employees shall be paid no less than the minimum rate of pay for their classification upon appointment as a temporary employee.
- (d) Release of sixty percent (60%) of an employee's earned gross wages prior to the employee's designated payday shall be authorized subject to approval of the Appointing Authority, in emergency cases upon receipt of a written request from the employee that describes the emergency. An emergency situation shall be defined as an unusual, unforeseen event or condition that requires immediate financial attention by an employee. Emergencies include but are not limited to the following circumstances:
 1. Death in family
 2. Major car repair
 3. Theft of funds
 4. Automobile accident (loss of vehicle use)
 5. Accident or sickness
 6. Destruction or major damage to home
 7. New employee lack of funds (maximum--one (1) draw)
 8. Moving due to transfer or promotion.

Section 2. Recoupment of Wage and Benefit Overpayments.

- (a) In the event that an employee receives wages or benefits from the Agency to which the employee is not entitled, regardless of whether the employee knew or should have known of the overpayment, the Agency shall notify the employee in writing of the overpayment which will include information supporting that an overpayment exists and the amount of wages and/or benefits to be repaid.
- (b) The Agency shall be limited in using the payroll deduction process to a maximum period of three (3) years before the notification. An employee who disagrees with the Agency's determination that an overpayment has been made to the employee may grieve the determination through the grievance procedure.
- (c) For purposes of recovering overpayments of fifty dollars (\$50.00) or less, notice will be provided on the employee paystub.
- (d) For purposes of recovering overpayments of more than fifty dollars (\$50.00) by payroll deduction, the following shall apply:
 - (1) The employee and the Agency shall meet and attempt to reach mutual agreement on a repayment schedule within thirty (30) calendar days following written notification.
 - (2) If there is no mutual agreement at the end of the thirty (30) calendar day period, the Agency shall implement the repayment schedule stated in Subsection (d)(3) below.
 - (3) The overpayment shall be recovered in amounts not exceeding five percent (5%) of the employee's wage per pay period. If an employee leaves Agency service before the Agency fully recovers the overpayment, the remaining amount may be deducted from the employee's final check(s).
 - (4) In the event the employee was paid for hours not worked, Subsections (b), (c), and (d) shall not apply and the overpayment is subject to immediate recoupment.
- (e) The Article does not waive the Agency's right to pursue other legal procedures and processes to recoup an overpayment made to an employee at any time.

ARTICLE 30--PAYROLL COMPUTATION PROCEDURES

Section 1. Definitions.

- (a) Permanent Full-Time: A permanent position equivalent to eight (8) hours per day or forty (40) hours per week. A permanent full-time employee will be paid on a monthly salary basis, and all benefits will be calculated on a monthly pay status basis.
- (b) Permanent Part-Time: A permanent position less than permanent full-time. A permanent part-time employee will be paid on a fixed partial monthly or hourly salary basis, and all benefits will be calculated on a partial monthly or pay period, pay status basis. All permanent part-time employees whose work hours are regularly scheduled (work hours are based on a predetermined schedule) shall be paid on a fixed partial monthly basis.
- (c) Seasonal Full-Time: A seasonal position normally equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on a monthly, hourly, or fixed partial monthly salary

basis. All benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.

- (d) **Seasonal Part-Time:** A seasonal position normally less than equivalent to eight (8) hours per day or forty (40) hours per week. An employee in such position will be paid on an hourly basis and all benefits will be calculated on a partial pay period, pay status basis.
- (e) **Temporary Full-Time:** A temporary appointment equivalent to eight (8) hours per day or forty (40) hours per week. - (f) **Temporary Part-Time:** A temporary appointment less than full time. A temporary part-time employee will be paid on a monthly, hourly, or fixed partial monthly salary basis. Any applicable benefits will be calculated on a partial monthly or pay period, pay status basis, whichever is appropriate.
- (g) **Number of Workdays in Month or Pay Period:** Number of possible workdays in the month or pay period based on the employee's weekly work schedule, such as Monday-Friday, Tuesday-Saturday, etc. Holidays that fall within the employee's work schedule are counted as workdays for that month or pay period.
- (h) **Hourly Rates of Pay:** The hourly equivalent of the monthly base rates of pay as published in the Compensation Plan. The hourly rates are computed by dividing the monthly salary by 173.33 (or by 162.5 for certain Printer classifications).
- (i) **Partial Month's Pay:** A prorated monthly or pay period salary. The number of hours actually worked by an employee divided by the total number of possible hours in the month or pay period based on the work schedule, times the full monthly or pay period salary rate. For example, if the employee works 115 hours in a month or pay period with a possible work schedule of 121 hours, the partial month's pay is computed as follows:

$$\frac{115}{121} \times \text{Full Month Salary} = \text{Gross Partial Pay}$$
- (j) **Days Worked:** Includes all days actually worked, all holidays, and all paid leave, which occurs within an employee's service period.

Section 2. General Compensation.

- (a) **Permanent Full-Time Employees:** Pay and benefits will be computed on a monthly pay status basis.
- (b) **Permanent Part-Time Employees:**
 - (1) Pay and benefits will be computed on a prorated monthly or pay period basis, such as one-half (½) monthly or pay period pay for a half-time employee, or pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis. Permanent part-time employees in permanent full-time positions will be treated as permanent part-time for purposes of this Article.
 - (2) Employees paid on a fixed partial monthly basis shall have all extra hours worked over the regular part-time schedule paid at the hourly rate. Employees paid on a fixed partial monthly basis who work less

than the regular part-time schedule shall have time deducted at the hourly rate.

- (c) **Seasonal Full-Time Employees:** Pay and benefits will be computed on a monthly, prorated monthly, or an hourly pay period, pay status basis.
- (d) **Seasonal Part-Time Employees:** Pay will be computed on an hourly basis, and pay and benefits will be normally prorated on a pay period, pay status basis.
- (e) **Job Sharing Employees:** The total time worked by all job share employees in one (1) position will not exceed 1.0 FTE.
- (f) **Temporary Full-Time Employees:** Pay and applicable benefits will be computed on a monthly, prorated monthly, or an hourly pay period pay status basis.
- (g) **Temporary Part-Time Employees:** Pay and applicable benefits will be computed on an hourly basis, and pay will normally be prorated on a pay period, pay status basis.
- (h) **Partial Month's Pay or Partial Pay Period:**
 - (1) Partial month's pay (or prorated monthly or pay period pay) is applied when:
 - (A) A full-time employee is hired on a date other than the first working day of the month or pay period (based on employee's work schedule).
 - (B) A full-time employee separates prior to the last workday in the month or pay period (based on the employee's work schedule).
 - (C) A full-time employee is placed on leave without pay or returns from leave without pay, or is unscheduled.
 - (D) An employee is appointed to a permanent part-time position.
 - (2) See definition for partial month's pay under Section 1(i) for computation procedures.
- (i) **Changes in Salary Rate:** When an employee's salary rate changes in the middle of a month, pay will be computed on the fractional amount of hours worked at each salary rate during the month. For example:

$$\frac{\text{Actual Hours}}{\text{Possible Hours}} \times \text{Old Rate} + \frac{\text{Actual Hours}}{\text{Possible Hours}} \times \text{New Rate} = \text{Gross Pay}$$

Section 3. The Parties agree that if the Employer adopts a biweekly pay plan, this Article of the Contract will be open for renegotiation.

ARTICLE 31--INSURANCE

Section 1. Employer Contribution.

- (a) An Employer contribution for health and dental benefits will only be made for each active employee who has at least eighty (80) paid regular hours in a month and who is eligible for medical insurance coverage.
- (b) It is understood that the administrative intent of this Article is that the Employer contribution is made for individuals who are participants in the medical insurance coverages. Participation will mean that eligible less-than-full-time employees who drop out of coverage will be considered to participate. Additionally, employees who elect to opt out of coverage for a cash incentive will be considered to participate.

Section 2. Full-Time Employees.

- (a) An Employer contribution shall be made for full-time employees who have at least eighty (80) paid regular

hours in a month.

Effective January 1, 2009 through December 31, 2009, the Employer shall make a contribution sufficient to cover the premium costs for the PEBB health, dental and basic life benefits chosen by each eligible full-time employee who has at least eighty (80) paid regular hours in a month.

For plan year January 1, 2010 through December 31, 2010, the Employer will increase its monthly contributions by up to five percent (5%) of the actual monthly composite resulting for plan year 2009.

For plan year January 1, 2011 through December 31, 2011, the Employer will increase its monthly contributions by up to five percent (5%) of the actual monthly composite resulting for plan year 2010.

If in either or both of the plan years described above, the premium increase is greater than five percent (5%), the Parties shall jointly petition the Public Employees Benefit Board to use reserve funding to pay for premium increases in excess of five percent (5%) up to a maximum of ten percent (10%) in each year.

- (b) The Parties agree to jointly petition the PEBB to continue to do as follows: Employees who live in counties where the PEBB considers there to be an insufficient number of preferred primary care providers within the PPO network will receive the same level of benefits when they use a non-preferred primary care provider as they would using a preferred primary care provider.

Section 3. Less-Than-Full-Time Employees.

- (a) For less-than-full-time employees (including part-time, seasonal, and intermittent employees), who have at least eighty (80) paid regular hours in the month, the Employer shall contribute a prorated amount of the contribution for full-time employees. This prorated contribution shall be based on the ratio of paid regular hours to full-time hours to the nearest full percent, except that less-than-full-time employees who have at least eighty (80) paid regular hours in a month shall receive no less than one-half (½) of the contribution for full-time employees.

- (b) The following administrative procedures shall be used for the calculation of Employer health plan contributions for less-than-full-time employees, under this Section.

(1) "Regular hours" means all hours of work or paid leave except overtime hours, i.e., those above eight (8) hours in a day or forty (40) hours in a week. Thus, "regular hours" shall include additional non-overtime hours worked above an employee's regular work schedule.

(2) The formulas to be used for calculating the Employer's prorated health plan contribution shall be those provided in Article 30--Payroll Computation Procedures.

(3) In the event that a less-than-full-time employee, who is regularly scheduled to work half-time or more, fails to maintain at least half-time paid regular hours because of the effect of prorated holiday time or other paid or unpaid time off, he/she shall be allowed to use available vacation or comp time to maintain his/her eligibility for benefits and the Employer's contribution for such benefits.

Section 4. Coordination of Benefits. The Public Employee Benefits Board (PEBB) may adopt any of the effect-on-benefit alternatives described in the National Association of Insurance Commissioners (NAIC) 1985 model acts and regulations, or any subsequent alternatives promulgated by the NAIC.

Section 5. Administration. Agencies will continue to pay employee insurance premiums directly to the appropriate insurance carriers and remit balances either to the employees' flex benefit account or to PEBB, as directed by PEBB.

Section 6. The State ceases to have a proprietary interest in its own contributions to the benefit plan premium when it pays such funds to the carrier or to persons who have an irrevocable duty to transfer such payments to the carriers when due.

(See Letters of Agreement in Appendix A.)

ARTICLE 32--OVERTIME

Section 1. Definition of Time Worked. All time for which an employee is compensated at the regular straight time rate of pay, except on-call time and penalty payment(s) (Articles 34 and 40) but including holiday time off, compensatory time off, and other paid leave, shall be counted as time worked. Holidays which fall on an employee's scheduled day off shall not count as time worked toward computation of overtime. (See Letter of Agreement regarding sick leave exclusion in Appendix A.)

Section 2. Overtime Work Definition. Overtime for employees working a regular work schedule is time worked in excess of eight (8) hours per day or forty (40) hours per workweek. Overtime for employees working an alternate work schedule is time in excess of the daily scheduled shift or forty (40) hours per workweek. Overtime for employees working a flexible work schedule is time in excess of the agreed upon hours each day or time in excess of forty (40) hours per workweek. Time worked beyond regular schedules by employees scheduled for less than eight (8) hours per day or forty (40) hours per workweek is additional straight time worked rather than overtime until the hours worked exceed eight (8) hours per day or forty (40) hours per workweek. In a split shift, the time an employee works in a day after twelve (12) hours from the time the employee initially reports for work is overtime. For purposes of this Article, time worked includes telephone calls made to an employee or by an employee after his/her workshift for work-related purposes.

Paid sick leave shall not be counted as time worked for the purposes of overtime calculation, except that paid sick leave used shall be counted toward overtime calculation if the employee is mandated to work on a regularly scheduled day off.

Notwithstanding the foregoing eligibility criteria, in cases where the application of reporting time changes or a "penalty" payment is appropriate, the rate of compensation shall be the straight time hourly rate of pay.

Section 3. Compensation. All employees shall be compensated for overtime at the rates set out in Section 4. No application of this Article shall be construed or interpreted to provide for compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a "pyramiding" of overtime and penalty payments.

Section 4. Eligibility for Overtime Compensation.

(a) **Overtime Eligible Positions.** Time and one-half (1 ½) their regular hourly rate unless the position is executive, administrative or professional as defined by the Fair Labor Standards Act (FLSA) and ORS 653.269(5)(a) or unless the classification contains direct care nursing employees, in the following classifications or successor classifications:

- 6214 Institution RN
- 6255 Nurse Practitioner

(See Letter of Agreement regarding procedure for determining overtime exempt or non-exempt status in Appendix A.) Such time and one-half (1 ½) compensation shall be in the form of cash or compensatory time, pursuant to Articles 32.1-32.5.

In Agencies where there is no contractual limitation on the accumulation of compensatory time the Employer may:

(1) schedule unilaterally up to forty (40) hours of unused compensatory time per employee per fiscal year, after prior notice of at least five (5) working days to the affected employees; and/or

(2) pay off in cash some or all of an employee's unused compensatory time once per fiscal year.

(b) **Straight Time Eligible Positions.** Employees in positions, except as identified in Section 4 above, which have been determined to be executive, administrative, or professional as defined by the FLSA and ORS 653.269(5)(a) shall receive time off for authorized time worked in excess of eight (8) hours per day or forty (40) hours per week at the rate of one (1) hour off for one (1) hour of overtime worked subject to limitations of Articles 32.1-32.5. (See Letter of Agreement in Appendix A.)

This time off shall be utilized within the fiscal year earned or shall be lost, except when the scheduling has been extended by the Agency or as otherwise specified below. At ninety (90) days prior to loss of such compensatory time, employees shall be notified that they must use or lose the hours. Time earned in the last ninety (90) days may, at the discretion of management, be carried forward into the next fiscal year. However, such carry forward may not increase the total compensatory time that may be accrued in that year. If time off requests are denied for use of accrued leave before the year ends, these accrued hours will be paid in cash upon forfeiture. Employees will take all necessary steps to request use of compensatory time during the fiscal year.

(c) No overtime is to be worked without the prior authorization of management.

Section 5. Schedule Change. When a change of work schedule is requested by an employee and approved by the Agency, all forms of penalty pay shall be waived by the employee. When a change of work schedule is requested by an employee and approved by the Agency, overtime compensation for that workday, but not for work over forty (40) hours per week, associated with the changed schedule shall be waived.

Section 6. Record. A record of all overtime worked shall be maintained by the Agency.

Section 7. See Articles 32.1-32.5, and Letters of Agreement in Appendix A.

ARTICLE 32T--OVERTIME (Temporary Employees)

Section 1. Time Worked Definition. Time worked is defined as actual hours worked.

Section 2. Overtime Work Definition. Overtime for non-exempt employees working any work schedule is actual time worked in excess of forty (40) hours per workweek.

Section 3. Compensation. All non-exempt employees shall be compensated for overtime at time and one-half (1 ½) of their regular hourly rate. No overtime is to be worked without the prior authorization of management.

Section 4. No application of this Article shall be construed or interpreted to provide compensation for overtime at a rate exceeding time and one-half (1 ½), or to effect a "pyramiding" of overtime and penalty payments.

Section 5. Record. A record of all overtime worked shall be maintained by the Agency.

ARTICLE 32.1--OVERTIME (Human Services Coalition)

Section 1. Distribution of Overtime. Overtime shall be distributed as equally as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work unit in which the overtime is to be worked. Overtime will be assigned to volunteers according to seniority, the most senior having priority. If there are not sufficient volunteers to meet the Agency's needs, mandatory overtime will be assigned according to inverse seniority. Seniority and volunteers notwithstanding, special qualifications or case handling continuity will be given first consideration in the assignment of overtime.

Section 2. Notice of Overtime. The Agency shall give as much notice as possible of overtime to be worked. No overtime is to be worked without the prior authorization of management except in emergent situations necessary to effect Agency services.

Section 3. Payment of Overtime. Payment of overtime shall be included in the payroll paid on the first of the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off date. All eligible employees who work overtime shall be compensated for authorized overtime, either in the form of cash or compensatory time off to be determined by the employee. In the event budgetary or staffing limitations exist, in fact, and the Agency so notifies the employee in writing of the fact, with a copy to the Union, the Agency may designate the form of overtime compensation. Compensatory time accrued by employee choice may accumulate to a maximum of one-hundred twenty (120) hours. Compensatory time may be paid off quarterly at the option of the Employer.

Section 4. Overtime Break. When an employee is required to work overtime two (2) or more hours beyond the end of the shift, he/she, at the employee's discretion, may take a fifteen (15) minute paid break before beginning the overtime shift.

Section 5. Subject to the operating requirements of the Agency, the employee may take accrued compensatory time off for overtime earned following approval by his/her supervisor. If the Agency is unable to schedule time off, the Agency shall pay cash for the balance of the unused compensatory time. If two (2) or more employees request the same time off, and the matter cannot be resolved by agreement of the employees concerned, the employee having the greatest length of continuous service with the Agency shall be granted time off. This option shall only be

used once in every twelve (12) months by an individual employee.

ARTICLE 32.2A--OVERTIME

(OYA Youth Correctional Facilities and Camps)

Section 1. This Article is intended only to provide a basis for the calculation of overtime and none of its provisions shall be construed as a guarantee of any minimum or maximum hours of work or weeks of work to any employee or to any group of employees.

Section 2. The Institution shall give forty-eight (48) hours notice of overtime to be worked, except in cases of bona fide emergency, when they shall give as much notice as possible.

Section 3.

(a) In assigning overtime work, the Institution agrees to consider any circumstances which might cause such an assignment to be an unusual burden upon the employee. When such circumstances do exist, the employee shall not be required to work unless his/her absence would cause the Institution to be unable to meet its responsibilities.

(b) Overtime shall be distributed as equally as feasible among permanent employees performing the kind of work required, and currently assigned to the cottage or work unit in which the overtime is to be worked.

Section 4.

(a) All overtime shall be first offered to volunteers within the cottage or work unit; overtime shall be assigned on a rotating basis within that cottage or work unit. The Institution shall not be required to contact employees on compensatory time, vacation, or sick leave to work overtime. In the event the employee is missed by rotation, the employee will notify his/her immediate supervisor, and through mutual agreement a make-up work period shall be assigned by the Manager or their designee.

(b) Should no volunteers be found within the cottage or work unit, campus-wide volunteers who have notified the Manager or their designee in writing shall be considered. Institution-wide volunteers must report changes in their availability as they occur. Permanent employees will be offered all overtime opportunities prior to temporary employees.

(c) Employees eligible for overtime except as provided under Article 32, Section 4, shall be compensated for overtime in the form of cash unless the employee elects to receive time off in lieu of cash at the time of signing his/her next overtime report following the overtime shift. Cash payment shall be subject to the Institution's budgetary limitations and time off in lieu of cash subject to the Institution's work requirements as provided in Article 97.2A--Scheduling of Compensatory Time Off. The Institution shall give the Union thirty (30) days notice of budgetary restrictions.

Section 5.

(a) Any employee shall be allowed to accumulate no more than eighty (80) hours of compensatory time off. When an employee accumulates hours in excess of eighty (80) hours, he/she will be paid for the excess except as provided in Article 32, Section 4.

(b) All utilization of compensatory time off shall be in accordance with the Scheduling of Compensatory Time Off Article.

Section 6.

(a) If an employee works two (2) consecutive shifts, or the greater part of the second shift, the employee will either:

(1) be provided a meal to be served at the regular mealtime of the Institution or, if the shift includes no such time, at a time mutually acceptable to the supervisor and the employee, or

(2) the employee will be eligible for a five dollar and fifty cents (\$5.50) penalty payment from the Institution if the Institution is unable to provide the meal.

(b) If the supervisor and the employee mutually agree to schedule a relieved meal break prior to starting the second shift, the above shall not apply.

(c) This Section shall not apply if the employee is eligible for payment under Article 36--Travel Allowance.

(See Letter of Agreement in Appendix A.)

ARTICLE 32.2C,E,G,H--OVERTIME (OSH, EOTC, BMRC, Pendleton Cottage)

Section 1. This Article is intended only to provide a basis for the calculation of overtime and none of its provisions shall be construed as a guarantee of any minimum or maximum hours of work or weeks of work to any employee or to any group of employees.

Section 2. The Institution or Facility shall give as much notice as possible of overtime to be worked. However, the Institution or Facility will consider any circumstances that might cause an assignment to be an unusual burden upon an employee and when such circumstances do exist, the employee shall not be required to work unless his/her absence would cause the Institution or Facility to be unable to meet its responsibilities or there is an emergency involving the public health or safety.

Section 3. Overtime shall be distributed as equitably as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work section in which the overtime is to be worked.

Section 4.

(a) Where employees are subject to the provisions of the FLSA, they shall receive cash for overtime worked unless the employee requests in writing on or before the fifteenth (15th) of the month to receive compensatory time. Payment for overtime shall be made no later than the first (1st) of the month following the timekeeping period in which the overtime was worked.

(b) Employees excluded from FLSA shall receive compensatory time pursuant to Article 32--Overtime.

Section 5.

(a) If an employee works two (2) consecutive shifts, or the greater part of the second shift, the employee will either:

(1) be provided a meal to be served at the regular mealtime of the Institution or Facility or, if the shift includes no such time, at a time mutually acceptable to the supervisor and the employee, or

(2) the employee will be eligible for a five dollar and fifty cents (\$5.50) penalty payment from the Institution or Facility if the Institution or Facility is unable to provide the meal.

(b) If the supervisor and the employee mutually agree to schedule a relieved meal break prior to starting the second shift, the above shall not apply.

- (c) This Section shall not apply if the employee is eligible for payment under Article 36--Travel Allowance.
(See Letters of Agreement in Appendix A.)

ARTICLE 32.2K--OVERTIME

(OYA Administration and Field Services)

Section 1. Distribution of Overtime. Overtime shall be distributed as equally as feasible among qualified employees customarily performing the kind of work required, and currently assigned to the work unit in which the overtime is to be worked. Overtime will be assigned to volunteers according to seniority, the most senior having priority. If there are not sufficient volunteers to meet the Agency's needs, mandatory overtime will be assigned according to inverse seniority. Seniority and volunteers notwithstanding, special qualifications or case handling continuity will be given first consideration in the assignment of overtime.

Section 2. Notice of Overtime. The Agency shall give as much notice as possible of overtime to be worked. No overtime is to be worked without the prior authorization of management except in emergent situations necessary to affect Agency services.

Section 3. Payment of Overtime. Payment of overtime shall be included in the payroll paid on the first of the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off date. All eligible employees required to work overtime shall be compensated for authorized overtime, either in the form of cash or compensatory time off to be determined by the employee. The employee shall indicate his/her choice when notified of having to work the overtime or shall lose the choice option. In the event budgetary or staffing limitations exist, in fact, and the Agency so notifies the employee in writing of the fact, with a copy to the Union, the Agency may designate the form of overtime compensation. Compensatory time accrued by employee choice may accumulate to a maximum of eighty (80) hours. Compensatory time may be paid off quarterly at the option of the Employer.

Section 4. Overtime Break. When an employee is required to work overtime two (2) or more hours beyond the end of the shift, he/she, at the employee's discretion, may take a fifteen (15) minute paid break before beginning the overtime shift.

(See Letter of Agreement in Appendix A.)

ARTICLE 32.3--OVERTIME (ODOT Coalition)

Section 1. Assignment of Overtime.

- (a) In assigning overtime work, the Agency agrees to consider any circumstances which might cause such an assignment to be an unusual burden upon the employee. When such circumstances do exist, the employee shall not be required to work unless his/her absence would cause the Agency to be unable to meet its responsibilities.
- (b) Non-bargaining unit employees or excluded supervisory personnel shall not perform overtime work which is normally done by employees working under the jurisdiction of this Agreement except when:
- (1) performed to assist or instruct an employee who does not have sufficient training or experience to perform the job assigned; or

(2) filling vacancies temporarily due to absence of personnel until a replacement or replacements can be obtained; or

(3) performing emergency work where prompt execution of the work is essential to insure safety and to protect state property and/or employees; or

(4) the performance of such work by him/her is part of the normal operation of the work unit.

Section 2. Notice of Overtime. The Agency shall give as much notice as possible of overtime to be worked.

Section 3. Distribution of Overtime. Overtime shall be distributed equally, as feasible, among employees customarily performing the kind of work required and assigned to the work unit in which the overtime is to be worked. Employees not required to work under this Section shall have the overtime forgone recognized for the sole purpose of equalization.

Section 4. Limitation on Hours.

- (a) No employee shall be required to work more than a twelve (12) hour shift or thirteen (13) continuous hours without being given the opportunity to take an off-duty period of no less than ten (10) hours. This provision does not apply to Forestry employees on fires or ODFW employees.
- (b) Forestry employees assigned to project fires will, within manpower limitations, be provided the opportunity to take rest periods within the first twenty-four (24) hours an employee is assigned to a project fire. The employee's regular workshift shall count toward the twenty-four (24) hour period when there is no off-duty break between their regular shift and assignment to a project fire.

After the initial twenty-four (24) hour period described above, employees will be given a seven (7) hour off-duty rest period, except in situations beyond the Agency's control. Further, except in situations beyond the Agency's control, no employee shall be required to work more than a sixteen (16) hour shift or seventeen (17) continuous hours without being given the opportunity to take another off-duty period of no less than seven (7) hours.

Section 5. Payment of Overtime.

(a) ODOT, OPRD.

(1) Payment for overtime shall be no later than one (1) month following the pay period in which the overtime is worked.

(2) All employees shall receive cash for overtime worked. If, however, the employee wishes to receive compensatory time off in lieu of cash, he/she may opt to receive compensatory time up to an accumulation of one-hundred and twenty (120) hours. Over an accumulation of one-hundred and twenty (120) hours, the Employer may refuse to allow the employee to continue to accrue compensation time in lieu of cash.

Subject to the restriction listed above, an employee's request for cash or compensatory time will remain in effect until the employee elects a change. The employee may not elect such a change more than once per month. (See Letter of Agreement in Appendix A.)

(b) Forestry.

(1) Payment for overtime shall be no later than one (1) month following the pay period in which the overtime is worked.

(2) Overtime will be paid in cash whenever funds are available, except an employee shall have the option of maintaining a maximum of one-hundred and twenty (120) hours of compensatory time for authorized overtime. Employees must indicate their preference to accumulate compensatory time in lieu of cash. An employee's request for cash or compensatory time will remain in effect until the employee elects a change. The employee may not elect a change more often than once a month. All overtime earned on fires outside the assigned district, and overtime earned as "extra costs" within the district will be paid in cash at the rate specified in Article 32, Section 4 of this Agreement. Straight time eligible positions may be paid cash when such time is earned on in-district fires. Such cash payment may be made when mutually agreed by the employee and the Agency. When funds are not available for cash payment of overtime, compensatory time may exceed one-hundred and twenty (120) hours and compensation will be in the form of compensatory time off up to the maximum allowable under the Fair Labor Standards Act (most employees two-hundred forty (240) hours).

(c) ODFW.

(1) Payment for overtime shall be no later than one (1) month following the pay period in which the overtime is worked.

(2)

(A) All FLSA non-exempt employees shall receive compensatory time off for authorized overtime worked. If, however, the employee wishes to receive cash in lieu of compensatory time off, he/she may opt to receive cash. Subject to the restriction listed in Subsection (B) of this Section, an employee's request for cash or compensatory time off will remain in effect until the employee elects a change. The employee may not elect such a change more than once per month.

(B) All employees will have the option of maintaining a maximum balance of one-hundred twenty (120) hours of accrued compensatory time off by June 30 of each calendar year. Taking compensatory time off shall be subject to prior approval of the employee's immediate supervisor.

Section 6. Compensatory Time Off.

(a) Subject to the operating requirements of the Agency, employees shall have their choice of compensatory time off. If two (2) or more employees request the same period of time off and the matter cannot be resolved by agreement of the employees concerned, the employee having the greatest length of service with the Agency shall be granted the time off. Compensatory time may be used in lieu of vacation leave or sick leave with management approval, provided the employee is not on written notice for attendance issues.

(b) Employees shall be allowed the option of taking compensatory time off in combination with vacation leave. However, compensatory time off taken in this manner shall be subject to the provisions of the Vacation Article rather than the provision of this Article.

(c) ODOT and OPRD, Except Forestry. Each employee shall be allowed to accrue compensatory time up to a period of one (1) year from date of accrual. The

Agency shall notify each employee thirty (30) days in advance of the one (1) year accrual date of the compensatory time that should be used up. When the employee receives notice of the yearly accrual date, the Agency may schedule the employee to take the time off during that thirty (30) day period. If the Agency cannot schedule the employee for time off, the Agency shall pay cash for the compensatory time that will exceed one (1) year from date of accrual.

(d) ODFW. Each employee shall be eligible to accrue and use compensatory time off through June 30 of each calendar year. The Agency shall notify each employee by January 1 of each calendar year of their accrued compensatory time off balances. In order to reduce an employee's compensatory time off balance to one-hundred twenty (120) hours or below, the Agency may schedule the employee to take time off from March 1 to June 30 in the same calendar year. If the Agency cannot schedule the employee for the time off, the Agency shall pay down to one-hundred twenty (120) hours for the compensatory time off not used by June 30 of each calendar year.

Section 7. Forestry.

(a) An employee occupying an FLSA-exempt position shall have their overtime pay rate changed from one (1) hour of time off for every hour of authorized overtime worked that exceeds eight (8) or ten (10) hours in a day, whichever is applicable, or forty (40) hours in a workweek to time and one-half (1 ½) for any authorized overtime worked that exceeds eight (8) or ten (10) hours in a day, whichever is applicable, or forty (40) hours in a workweek when all of the following conditions are met:

(1) The employee is relieved of all of his/her regularly assigned duties and assigned by the Agency to perform assigned duties during a fire emergency or other incident; and,

(2) The Agency has authorized the employee to work overtime.

(3) The term "other incident" shall be defined as flood, earthquake, or insect infestation that requires the Agency to mobilize an incident management team.

(b) The terms and conditions under which the FLSA-exempt employee will receive time and one-half (1 ½) overtime pay under this Agreement will be consistent with Article 32.3, Section 5(b)(2) of this Agreement.

(c) When an employee is released from fire emergency or other incident duties and returns to his/her regularly assigned duties, the employee will receive the overtime pay rate consistent with Article 32, Section 4(b) of this Agreement.

(See Letters of Agreement in Appendix A.)

ARTICLE 32.5A,B,C,D,E,F,G,U,X--OVERTIME

(Education including OSD, Water Resources, Library, Treasury, Department of Administrative Services, Commission for the Blind, PERS, DCCWD, OWEB)

Section 1. Distribution of Overtime. Overtime work shall be distributed as equally as is feasible among qualified employees in the work unit who normally do the particular type of work needed. In the Department of Administrative Services, "work unit" for this purpose means the employees who, by position description, normally perform the particular type of work involved at the worksite that is involved. When such an assignment creates a burden for

the employee, the Agency agrees to attempt to assign it to another qualified employee or to cancel the assignment. When such burden exists, the employee shall not be required to work unless his/her absence would cause the Agency to be unable to meet its responsibilities.

Section 2. Notice of Overtime. The Agency will give employees as much notice as practicable that overtime will be required.

Section 3. Payment for Overtime. Payment of overtime shall be included in the payroll paid the month following the pay period in which overtime is worked if the overtime is reported prior to the payroll cut-off dates, provided, however, that payment shall be made no later than thirty-one (31) days after overtime work is reported.

Section 4. Overtime Rest Periods. If an employee is assigned one (1) or more hours of overtime work contiguous to his/her regular workshift or is called back within one (1) hour of his/her scheduled quitting time, the Agency will provide a fifteen (15) minute rest period after two (2) hours of overtime completed.

Section 5. Compensatory time shall be scheduled, as much as possible, at the convenience of the employee, consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflict shall be resolved on a rotating basis. This time off shall be utilized within one (1) year of being earned or shall be paid in cash except as provided in Article 32, Section 4.

Section 6. Election of Cash/Compensatory Time Off.

- **Water Resources/OWEB**—Except as provided in Article 32, Section 4, employees shall receive compensatory time for overtime worked unless the eligible employee elects to receive cash subject to budgetary depletion. If the eligible employee wishes to receive cash in lieu of compensatory time off, the employee must request this method of compensation no later than the first regular working day following the date the overtime was worked.
- **Library**—Under normal circumstances, compensation for authorized overtime will be compensatory time off. Cash payment for overtime must be authorized in advance in writing by the Division Administrator except as provided in Article 32, Section 4.
- **Treasury**—Eligible employees shall receive cash for overtime worked, except as provided in Article 32, Section 4, unless the employee elects to receive compensatory time off. If the employee wishes to receive compensatory time off in lieu of cash, the employee must request this method of compensation no later than the first regular workday following the date the overtime was worked.
- **Commission for the Blind**—Eligible employees, except as provided in Article 32, Section 4, shall receive either cash or compensatory time off for working authorized overtime. An employee shall make a request to the Agency no later than the first workday following the date the overtime is worked for either cash or compensatory time off. In instances of overtime assignment when monies budgeted to Personal Services are exhausted, overtime compensation shall be paid by compensatory time off. The employee requested to work such overtime shall be advised that payment will be compensatory time off at the time of

the request. Employees who decline overtime for reason of non-cash payment shall not have such time counted for purposes of equalization.

- **PERS**—Eligible employees, except as provided in Article 32, Section 4, shall receive compensatory time off for overtime worked unless the employee elects to receive cash, subject to budgetary limitation and workload requirements. If the employee wishes to receive cash in lieu of compensatory time off, the employee must request this method of compensation prior to accepting assignment of the overtime.
- **Education including OSD**—Except as provided in Article 32, Section 4, eligible employees shall have the option of cash payment or compensatory time off for overtime worked.
- **Department of Administrative Services**—Except as provided in Article 32, Section 4, eligible employees shall be compensated in cash for overtime worked. An employee may request to accrue compensatory time off for overtime worked in lieu of cash. Such requests must be in writing and filed with the employee's immediate supervisor no later than the first regular workday following the date the overtime was worked. The supervisor shall promptly approve or deny such requests based on the availability of funds and operating needs of the organization. Requests for compensatory time for overtime which are in conflict with the provision of the Fair Labor Standards Act shall not be granted.
- **DCCWD**—Except as provided in Article 32, Section 4, eligible employees shall have the option of cash payment or compensatory time off for overtime worked.

Section 7. OSD Only. The Employer will pay one-half (½) hour overtime to Dorm Counselors who are unable to take their rest breaks. Further, should scheduling of LPNs and/or Child Care Workers result in their being unable to take breaks in the future, those employees will also be paid one-half (½) hour overtime.

ARTICLE 32.5H,N,Q,T,V--OVERTIME (Justice, Revenue, DCBS, Veterans' Affairs, WCB)

Section 1. Distribution of Overtime. Overtime work assignments shall be distributed as equally as is feasible among employees in the work unit who normally do the particular type of work needed. When such an assignment is a burden to the employee, the Agency agrees to attempt to assign it to another employee or cancel the assignment. When such burden exists, the employee shall not be required to work unless his/her absence would cause the Agency to be unable to meet its responsibilities.

Section 2. Notice of Overtime. The Agency will give employees as much notice as practicable that overtime will be required.

Section 3. Payment for Overtime. Cash payment for overtime shall be paid not later than the first (1st) of the second month following the calendar month in which the overtime was worked.

Section 4. Overtime Rest Periods. If an employee is assigned one (1) or more hours of overtime work contiguous to his/her regular workshift or is called back within one (1) hour of his/her scheduled quitting time, the Agency will provide a fifteen (15) minute rest period after two (2) hours of overtime completed.

Section 5. Compensatory time shall be scheduled, as much as possible, at the convenience of the employee,

consistent with the operating requirements of the Agency. - (d) Any employee who was interviewed may request and shall receive in writing an explanation of the reasons he/she was not selected.

Section 2. Transfers Within Classification.

- (a) A vacancy is defined as an unfilled position in the Institution which it intends to fill. Seniority is defined as continuous service in the Institution. At Oregon State Hospital: Seniority includes continuous service at Oregon State Hospital and Dammasch State Hospital. At EOTC/BMRC: Seniority includes continuous service at EOSS. For purposes of voluntary transfer only, seniority is defined as continuous service in the Institution in the same classification.  - (1) Regardless of the Campus, the most senior regular employee from the program or department, or consistent with the past practice at EOTC and BMRC, having seniority as defined in Subsection (a) above and who has the special qualifications to perform the job and who requests the transfer shall be selected. Employees having a record of disciplinary action within six (6) months prior to the vacancy announcement shall not be eligible for transfer.
 - (2) If no qualified employee from the department or program requests a transfer, a notice of vacant position to be filled shall be posted for five (5) consecutive days on a central bulletin board and on the unit bulletin board where the vacancy exists and shall state the job classification, the hours of work, the scheduled days off, and the special qualifications necessary to perform the job. Any employee in the same classification as the vacancy who desires the posted job shall submit a request for a transfer to that position, in writing, to the office indicated in the notice.

Trial service employees may make requests under this procedure but the Institution is not obligated to consider their requests. Employees having a record of disciplinary action within six (6) months prior to the vacancy announcement shall not be eligible for transfer.

The hiring manager may consider any other available list in filling the vacancy. The most qualified applicant shall be selected.

(3) If the senior employee requesting transfer is not selected, he/she may request in writing an explanation of the denial and it shall be provided, in writing.

(4) An employee whose request for transfer is granted shall not be eligible to utilize the procedure of Section 2(b) to request another transfer within the following nine (9) months.

(f) Assignments of new employees for on-the-job training may be made without regard to provisions of this

Article.

All subsequent parts of this Article apply when there is neither of the previously mentioned lists.

Section 2. At the point that an Agency proceeds to fill a vacant bargaining unit position by promotion, lateral transfer or open competition, such information shall be fully publicized within the Agency for a minimum of five (5) working days. This will include posting of a notice on appropriate bulletin boards. Such publicity shall not prevent the Agency from proceeding to request any appropriate list.

Section 3. An employee desiring a lateral transfer shall submit a written request for transfer to the office of Employee Services.

Whenever a transfer list is used to fill a position, all employees on the list will be offered an interview and be considered for the vacant position.

Section 4. Whenever an open competitive or statewide promotion list is used to fill a position, those candidates indicated thereon as Agency employees will be offered an interview and considered for the vacant position.

Section 5. It shall be the employee's responsibility to see that he/she has taken the appropriate tests, is on the appropriate lists, and that the lists reflect his/her current Employer.

If an employee is not selected for the promotion or transfer, he/she will have the opportunity to discuss with the hiring supervisor why he/she was not selected for the position.

Section 6. The Agency will maintain a list of employee requests for intra-Agency lateral transfer. If a qualified employee requests a transfer because of extreme economic hardship or serious medical need he/she shall be selected provided that employee possesses the knowledge, skills, and abilities essential to the particular assignment. For purposes of this Section, a qualified employee means one who has not been subject to discipline or denial of a performance pay increase, reduction in pay, demotion, or suspension within the previous twelve (12) months.

Section 7. The Appointing Authority has the right to reassign personnel in cases not involving a reduction in force. Volunteers for the organizational unit from which the position is being reassigned will be given first consideration. The volunteer with the most seniority who is qualified, both by classification and knowledge, skills, and abilities essential for the particular assignment, shall be selected. In the absence of volunteers, the transferee shall be that employee in the organizational unit from which the reassignment is being made who has the least seniority and who is qualified both by classification and knowledge, skills, and abilities for the particular position.

The term "organizational unit" as used in this contract provision refers to the Central Office as a single organizational unit and each of the field branch offices as

individual organizational units.

ARTICLE 45.3A,B--FILLING OF VACANCIES

(ODOT, OPRD)

Section 1. ODOT, OPRD.

- (a) When opportunities for transfer or promotion of employees become open, those employees eligible for interview shall receive at least five (5) days notice unless the employee agrees to an earlier time before the scheduled date of interview. The employee, after receiving such notice, will be allowed a maximum of two (2) working days to accept or reject the interview offer. Fair consideration for the promotion or transfer shall be given to employees who are eligible.
- (b) When the position is filled, each unsuccessful employee applicant shall be notified within five (5) days of the appointment that the position has been filled.
- (c) Employees may volunteer for transfer. It is the responsibility of any employee wishing to transfer to another location to make a written request to the Agency Personnel Operation Section clearly indicating the reasons for desiring a transfer. Requests based on medical or family welfare situations will be given priority and, at the discretion of the Agency, may be considered to be for the benefit of the Agency.
- (d) All transfers shall be at the discretion of the Agency. Requests for transfer may be considered separately or in combination with candidates for promotion at the discretion of the Agency. Except for hardship transfer requests, when the Agency uses an open competitive recruitment process, transfer candidates will be given first hiring consideration before internal Agency promotion candidates and candidates from outside the Agency.
- (e) Promotion lists shall normally consist of five (5) candidates plus qualified affirmative action candidates whose placement on the list will be by promotional examination and by willingness to accept the promotion offered. Employees with tied scores will all be considered.
- (f) Any transfer or promotion granted as the result of a competitive interview will be considered to be for the benefit of the Agency. A request for transfer which is granted without the competitive interview procedure or without a notice of vacancy being circulated to eligible employees shall be considered to be for the benefit of the employee and any employee desiring this type of consideration shall agree to this condition when requesting transfer.
- (g) If, because of lack of work, it is necessary to transfer an entire crew, it shall be considered as "at the request of or for the benefit of the Agency."
- (h) If, because of lack of work, it is necessary to transfer an individual employee out of the work unit, it shall be done as follows:
 - (1) The Agency shall first select from the list of volunteer employees who hold equivalent positions. The Agency may deny a request if the employee does not possess the basic skills for the position or is currently essential to the job he/she is presently on.
 - (2) If there are not employees on the volunteer list for transfer, the Agency shall select an employee for transfer. If selected employees do not wish to transfer, then the seniority points shall be computed only for those qualified employees in the classification at the

geographic location, and the one (1) with the least seniority shall be transferred. If there is more than one (1) crew or work unit at the geographic location, then the seniority in a particular classification would apply to all the crews treated as one (1) unit.

- (i) In any other non-voluntary transfer situation, an employee selected who does not want to transfer shall be entitled to challenge the action through the grievance procedure to determine if the transfer is appropriate. Such hearing shall occur at the employee's option and shall be held prior to the transfer becoming effective.
- (j) A transfer requested by an employee because of medical condition resulting from job-connected injury shall not be considered to be a transfer for the benefit of the employee but, when made, shall be considered to be for the benefit of the Agency.
- (k) Except in the case of an emergency, the Agency shall give the employee a minimum of three (3) days notice in advance of the reporting date when the employee is being assigned to work at a temporary headquarters. The employee shall be given maximum possible notice when returning to permanent headquarters.

Section 2. DMV Only.

If two (2) or more DMV candidates are deemed equal, the employee with the most seniority in Driver and Motor Vehicles Services will obtain the position. Seniority will be defined as the length of service with the Driver and Motor Vehicles Services without a break-in-service. Break-in-service shall be defined in Article 70 of the Master Agreement.

Section 3. OPRD Only.

- (a) Before the end of a season, if the Agency decides to add additional contiguous days to that season, the most senior seasonal employee still working during that season shall be offered the opportunity to continue to work provided: 1) the employee possesses the knowledge, skills and abilities to perform the work that is required; and 2) the work location is the same management unit that the seasonal employee is working.
- (b) If the most senior seasonal employee is not selected, then the next most senior seasonal employee still working during that season will be offered the opportunity to work provided the criteria stated in Section (a) is met.

Section 4. State Fair Only (Vacancies, Transfers and Promotions).

- (a) Any vacancy to be filled within the State Fair shall be filled first by hiring from the State Fair's layoff list. Second, the State Fair will fill the vacancy by selecting any employee from the State Fair's transfer list which shall be kept current by the State Fair.
- (b) If there are no candidates on the State Fair's layoff list or the State Fair's transfer list, the State Fair shall fill such vacancy from the State Fair's promotion list.
 - (1) An employee will be considered qualified for any position if he/she meets the minimum qualifications of the classification to which the position is allocated.
- (c) The senior candidate from the appropriate list shall be assigned to the vacant position, unless there exists a substantial and clearly evident superiority in the qualifications of another candidate. Whenever an employee other than the senior candidate is selected to fill a vacancy, the Union and the senior candidate(s)

will be informed in writing and in detail of those superior and clearly evident qualifications of the candidate selected and will be likewise provided with a complete explanation of the reasons for selecting an employee other than the senior candidate or candidates. All such information will be considered confidential and will not be revealed to anyone other than the principals or official bodies directly concerned.

- (d) All State Fair promotional opportunities and vacancies which are to be filled shall be announced as they occur. After termination of unclassified, exempt, or management service for reasons other than specified by ORS 240.555, employees who held, immediately prior to appointment, regular status positions in their former Agency shall be restored to their former status in classified service. If a reduction in force is required in connection with such return, it shall be accomplished through Article 70--Layoff, as if the employee returning had always been a part of the bargaining unit.

Section 2. Management service employees without prior classified service may be placed in vacant positions only in accordance with Article 45, 45.1-45.5. The reassignment of management service employees without prior classified service shall not be used to circumvent Article 70--Layoff. (See Article 70, Section 3, regarding language concerning cross-bumping.)

ARTICLE 47.2A--SENIORITY

(OYA Youth Correctional Facilities and Camps)

For OYA Institutions, seniority, for other than calculating layoff, is defined as continuous service with the Agency without a break due to resignation, dismissal, or separation (except for layoff). Seniority will be adjusted for layoff.

Tie Breakers. If two (2) or more employees have equal seniority, the tie breaker will be determined in the following manner:

- Recognized Service Date with the State;
- Draw Numbers.

This tie breaker will be in effect for each event only.

ARTICLE 48--VETERANS' PREFERENCE

ORS 408.225 to 408.280 shall be applied as appropriate to all Articles covered by this Agreement.

ARTICLE 49--TRIAL SERVICE

Section 1. Each employee appointed to a position in the bargaining unit by initial appointment or promotion shall, with each appointment, serve a trial service period.

Section 2. The trial service period is recognized as an extension of the selection process and is the time immediately following appointment and shall not exceed six (6) full months. For part-time employees trial service shall be 1,040 hours.

Trial service will be nine (9) months for employees hired in the classification of Child Support Case Manager (Entry) in DOJ; Client Care Surveyor and Disability Analyst (Entry). Trial service will be twelve (12) months for new employees hired as Industrial Hygienist 1 and 2, Occupational Safety Specialist 1 and 2 in DCBS, and Adult Protective Service Specialist in Department of Human Services.

Trial service may be extended in instances where a trial service employee has been on a cumulative leave without pay for fifteen (15) days or more and then only by the number of days the employee was on such leave, or when the Appointing Authority has established a professional or technical training program for positions requiring graduation from a four (4) year college or university or the satisfactory equivalent thereof in training and experience, including but not limited to the training of accountants and auditors, and which is for the purpose of developing the skills or knowledge necessary for competent job performance in the specialized work of such Authority, the employee may be required to train under such program for a period not exceeding six (6) months and the trial service period for such employee shall be the length of the approved training program plus six (6) full months.

Section 4. When, in the judgment of the Appointing Authority, performance has been adequate to clearly demonstrate the competence and fitness of the trial service employee, the Appointing Authority may at any time appoint the employee to regular status.

Section 5. Trial service employees may be removed from service when, in the judgment of the Appointing Authority, the employee is unable or unwilling to perform his/her duties satisfactorily or his/her habits and dependability do not merit continuance in the service. Removals under this Article are not subject to the Grievance and Arbitration Procedure.

Section 6. An employee who is removed from trial service following a promotion shall have the right of return to the Agency and the classification or comparable salary level from which the employee was promoted, unless charges are filed and he/she is discharged as provided in Article 20--Discipline and Discharge.

Section 7. If any employee is removed from his/her position during or at the end of his/her trial service period

and the administrator determines that he/she is suitable for appointment to another position, his/her name may be restored to the list from which it was certified if still in existence.

(See Letter of Agreement in Appendix A.)

The employee shall receive a position description and training/orientation plan within the first thirty (30) days; an informal evaluation at three (3) months; a written performance appraisal at six (6) months; and an updated training plan for the second six (6) months with informal evaluations at eight (8) months and ten (10) months.

Section 3. When in the judgment of the Appointing Authority, performance has been adequate to clearly demonstrate the competence and fitness of the employee, the Appointing Authority may at any time appoint the employee to regular status. If the employee does not receive a written performance appraisal by the end of the first six (6) months that employee will automatically assume permanent status.

Section 4. Nothing in this provision is intended to modify any other provisions and benefits which the employee would otherwise be entitled to receive after an initial six (6) month trial service.

ARTICLE 49.2K--TRIAL SERVICE FOR SOCIAL SERVICE SPECIALISTS

(OYA Administration and Field Services)

If the employee does not receive a written performance appraisal by the end of the first six (6) months, that employee will automatically assume permanent status.

Section 4. Nothing in this provision is intended to modify any other provisions and benefits which the employee would otherwise be entitled to receive after an initial six (6) month trial service.

ARTICLE 50--TRANSFER DURING TRIAL SERVICE

Section 1. An employee who is transferred to another position in the same classification or a different classification at the same or lower salary level in the same Agency shall complete the trial service period by adding the service time in the former position.

Section 2. An employee who is transferred to another position in the same classification or a different classification at the same or lower salary level in another Agency prior to the completion of the trial service must complete a full trial service period in the new position.

ARTICLE 51--LIMITED DURATION APPOINTMENT

Section 1. Persons may be hired for special studies or projects of uncertain or limited duration which are subject to the continuation of a grant, contract, award, or legislative funding for a specific project. Such appointments shall be for a stated period not exceeding two (2) years but shall expire upon the earlier termination of the special study or projects. An employee's limited duration appointment with an Agency may not exceed two (2) years except by mutual agreement of the Parties. For a limited duration appointment that exceeds two (2) years, the employee shall be placed on the Agency recall list in the affected geographic area when the limited duration appointment ends.

Section 2. Persons may be hired as limited duration appointments, for workload purposes, when needed to fill short-term or transitional assignments, such as, but not limited to, legislative directive, reorganizations, or unanticipated workload needs. These appointments will not be used in a manner that subverts or circumvents the filling of budgeted positions pursuant to Article 45 and Article 45.1-45.5. Such appointments shall not exceed two (2) years in duration. The Agency, in collaboration with DAS, will monitor the utilization of limited duration appointments for workload reasons during the contract term and a summary report will be provided to DAS, Budget and Management and the Union every six (6) months.

Section 3.

- (a) No newly-hired person on a limited duration appointment, pursuant to Section 1, shall be entitled to layoff rights.
- (b) Persons hired on a limited duration appointment, pursuant to Section 2, shall be entitled to layoff rights after seventeen (17) months of employment.
- (c) A person appointed from regular status to a limited duration appointment shall be entitled to rights under the layoff procedure within the new Agency.

Section 4. A person accepting such appointment shall be notified of the conditions of the appointment and acknowledge in writing that they accept that appointment under these conditions. Such notification shall include the following:

- (a) That the appointment is of limited duration.
- (b) That the appointment may cease at any time.
- (c) That persons who accept a limited duration appointment who were not formerly classified state employees shall have no layoff rights except as provided in Section 3(b).
- (d) Those persons who accept a limited duration appointment, who were formerly classified state employees, are entitled to rights under the layoff procedure within the new Agency starting from the

prior class or effective on or after January 1, 2010, the classification of the workload limited duration appointment, provided the employee meets the requirements in Section 3(b), whichever is the greater salary range for layoffs initiated pursuant to Article 70, Section 2.

- (e) That in all other respects, limited duration appointees have all rights and privileges of other classified employees including but not limited to wages, benefits, and Union representation under this Agreement.

Section 5. The Employer agrees to provide a monthly report to the Union listing all limited duration appointments, and the reason for those appointments, per Article 10, Section 15(g), from the personnel data files.

ARTICLE 52--JOB SHARING

Section 1. "Job sharing position" means a full-time position that may be held by more than one (1) individual on a shared time basis whereby each of the individuals holding the position works less than full-time.

Section 2. Job sharing is a voluntary program. Any employee who wishes to participate in job sharing may submit a written request to the Appointing Authority to be considered for job share positions. An employee may also request that his/her position be considered for job share. The Appointing Authority shall determine if job sharing is appropriate for a specific position and will recruit and select employees for job share positions. Where job sharing is determined appropriate, the Appointing Authority agrees to provide written notification to all job share applicants of available job share positions in their office in the Agency. Where job sharing is determined inappropriate, the Appointing Authority agrees to provide written notification of the reason(s) to the employee.

Section 3. Job sharing employees shall accrue vacation leave, sick leave, and holiday pay based on a prorate of hours worked in a month during which the employee has worked thirty-two (32) hours or more. Individual salary review dates will be established for job share employees.

Section 4. Job sharing employees shall be entitled to share the full Employer-paid insurance benefits for one (1) full-time position based on a prorate of regular hours scheduled per week or per month, whichever is appropriate. In any event, the Employer contribution for insurance benefits in a job share position is limited to the amount authorized for one (1) full-time employee. Each job share employee shall have the right to pay the difference between the Employer-paid insurance benefits and the full premium amount through payroll deduction.

Section 5. If one (1) job sharing partner in a job sharing position is removed, dismissed, resigns, or otherwise is separated from state service, the Appointing Authority has the right to determine if job sharing is still appropriate for the position. If the Appointing Authority determines that job sharing is not appropriate for the position or the Appointing Authority is unable to recruit qualified employees for the job share position, the remaining employee shall have the right to assume the position on a full-time basis. Upon approval of the Appointing Authority, the remaining employee may elect to transfer to a vacant part-time position in the same classification or to voluntarily demote. If the above conditions are not available or acceptable, the employee agrees to resign.

ARTICLE 53--VOLUNTARY DEMOTION

An employee may make a request in writing to the Appointing Authority for a demotion from a position in one (1) classification to a vacant position in a classification of a lower rank for which the employee is qualified. If the Appointing Authority approves the request, the employee so demoted may, at a later date, request that his/her name be placed on an appropriate list for reemployment to the higher classification.

(See Letter of Agreement 00.00-99-51 in Appendix A.)

ARTICLE 55--PERSONAL LEAVE DAYS

Section 1. All employees after completion of six (6) months of service shall be entitled to receive personal leave days in the following manner:

- (a) All full-time employees shall be entitled to twenty-four (24) hours of personal leave with pay each fiscal year;
- (b) Part-time, seasonal, and job share employees shall be granted such leave in a prorated amount of twenty-four (24) hours based on the same percentage or fraction of month they are hired to work, or as subsequently formally modified, provided it is anticipated that they will work 1,040 hours during the fiscal year.

Section 2. Should any employee fail to work 1,040 hours for the fiscal year, the value of personal leave time used may be recovered from the employee.

Section 3. Personal leave shall not be cumulative from year to year nor is any unused leave compensable in any other manner.

Section 4. Such leave may be used by an employee for any purpose he/she desires and may be taken at times mutually agreeable to the Agency and the employee.

ARTICLE 56--SICK LEAVE

Section 1. Sick Leave with Pay. Sick leave with pay for employees shall be determined in the following manner:

- (a) **Eligibility for Sick Leave with Pay.** Employees shall be eligible for sick leave with pay immediately upon accrual.
- (b) **Determination of Service for Sick Leave with Pay.** Actual time worked and all leave with pay, except for educational leave, shall be included in determining the pro-rata accrual of sick leave credits each month, provided that the employee is in pay status for thirty-two (32) hours or more in that month.
- (c) **Accrual Rate of Sick Leave with Pay Credits.** Full-time employees shall accrue eight (8) hours of sick leave with pay credits for each full month they are in pay status. Employees who are in pay status for less than a full month but at least thirty-two (32) hours shall accrue sick leave with pay on a prorated basis. An SEIU Local 503, OPEU-represented temporary employee appointed to a status position in any SEIU Local 503, OPEU bargaining unit in the same Agency without a break-in-service of more than fifteen (15) calendar days, shall accrue sick leave credits from the initial date of temporary appointment. An SEIU Local 503, OPEU-represented temporary employee appointed to a status position in a different SEIU Local 503, OPEU-represented Agency without a break-in-service shall accrue sick leave credits from the initial date of the temporary appointment provided the employee has worked as a temporary employee for the same Agency for six (6) consecutive calendar months or more.

Section 2. Utilization of Sick Leave with Pay.

Employees who have earned sick leave credits shall be eligible for sick leave for any period of absence from employment which is due to the employee's illness, bodily injury, disability resulting from pregnancy, necessity for medical or dental care, attendance at an employee assistance program, exposure to contagious disease, for the emergency repair of personal assistive devices which are medically necessary for the employee to perform assigned duties, attendance upon members of the employee's or the employee's spouse's immediate family, or the equivalent of each for domestic partners, (parent, wife, husband, children, brother, sister, grandmother, grandfather, grandchild, or another member of the immediate household) where the employee's presence is required because of illness or death. The employee has the duty to insure that he/she makes other arrangements, within a reasonable period of time, for the attendance upon children or other persons in the employee's care. Certification of an attending physician or practitioner may be required by the Agency to support the employee's claim for sick leave if the employee is absent in excess of seven (7) days, or if the Agency has evidence that the employee is abusing sick leave privileges. The Agency may also require such certificate from an employee to determine whether the employee should be allowed to return to work where the Agency has reason to believe that the employee's return to work would be a health hazard to either the employee or to others. In cases of pregnancy, the Agency may require a certificate from the attending physician to determine if the employee should be allowed to work. (See Section 9 for FMLA & OFLA.)

Section 3. Sick Leave Exhausted.

- (a) After earned sick leave has been exhausted, the Agency shall grant sick leave without pay for any job-incurred injury or illness for a period which shall terminate upon demand by the employee for reinstatement accompanied by a certificate issued by the duly licensed attending physician that the employee is physically and/or mentally able to perform the duties of the position.
- (b) After earned sick leave has been exhausted, the Agency may grant sick leave without pay for any non-job-incurred injury or illness of a continuous and extended nature to any employee upon request for a period up to one (1) year. Extensions of sick leave without pay for a non-job-incurred injury or illness beyond one (1) year may be approved by the Agency.
- (c) The Agency or the administrator may require that the employee submit a certificate from the attending physician or practitioner in verification of a disability, or its continuance resulting from a job-incurred or non-job-incurred injury or illness. Any cost associated with the supplying of a certificate concerning a job-incurred injury or illness that is not covered by Workers' Compensation benefits shall be borne by the employing Agency. Any cost associated with the supplying of a certificate concerning a non-job-incurred injury or illness shall be borne by the employee. In the event of a failure or refusal to supply such a certificate, or if the certificate does not clearly show sufficient disability to preclude that employee from the performance of duties, such sick leave may be canceled and the employee's service terminated.
- (d) After all earned sick leave has been exhausted an

employee may request in advance, in cases of illness, to use other paid leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such continuous and extended illness. Such requests shall not be unreasonably denied.

Section 4. Restoration of Sick Leave Credit.

Employees who have been separated from state service and return to a position (except as temporary employees) within two (2) years shall have unused sick leave credits accrued during previous employment restored.

Section 5. Transfer of Accruals. An employee shall have all of his/her accrued sick leave credits transferred when the employee is transferred to a different state Agency.

Section 6. Workers' Compensation Payment. Sick leave resulting from a condition incurred on the job and also covered by Workers' Compensation, shall, if elected to be used by the employee, be used to equal the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued sick leave. Should an employee who has exhausted earned sick leave elect to use accrued leave during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued leave.

No employee shall be required to utilize leave while receiving time loss benefits.

Section 7. Assumption of Sick Leave. Whenever an Agency of the State assumes control over the functions of a local government Agency within the State of Oregon, such state Agency may assume the unused sick leave that was accrued by an employee of the local government Agency during employment therewith, provided the employee accepts an appointment, without a break-in-service, to that Agency. Should the monthly sick leave accrual rate of the local government Agency be greater than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be computed on the basis of the following formula:

$$\frac{\text{Monthly Accrual Rate of State Agency}}{\text{Monthly Accrual Rate of Local Agency}} \times \text{Balance of Local Agency Sick Leave} = \text{Maximum Sick Leave Assumable}$$

Should the monthly sick leave accrual rate of the local government Agency be less than that of the state Agency, the maximum amount of sick leave assumable by the state Agency shall be the amount of unused sick leave accrued during employment with the local government Agency.

Section 8. Hardship Leave.

These provisions shall apply for the purpose of allowing employees to donate accrued vacation leaves and compensatory time for use by eligible recipients as sick leave. Agencies will allow employees to make donations of accumulated compensatory time or vacation leave, not to exceed the hours necessary to cover for the qualifying absence as provided in paragraph (d), to a coworker in that Agency or different Agency. To donate to a specific employee in a different Agency, the employee (donor) must submit a written request to his/her appointing

authority/designee. Such donation is subject to approval by both the donor's and recipient's appointing authority/designee. For purposes of this Agreement, hardship leave donations will be administered under the following stipulations and the terms of this Agreement shall be strictly enforced with no exceptions.

- (a) The recipient and donor must be regular employees.
- (b) The Employer shall not assume any tax liabilities that would otherwise accrue to the employee.
- (c) Use of donated leave shall be consistent with those provisions found under Article 56, Section 2.
- (d) Applications for hardship leave shall be in writing and sent to the Agency's Personnel Section and accompanied by the treating physician/practitioner's written statement certifying that the illness or injury will continue for at least fifteen (15) days following donee's projected exhausting of the accumulated leave and the total leave is at least thirty (30) consecutive calendar days of absence in combination of paid and unpaid leave. Donated leave may be used intermittently for the same event after the employee has satisfied the eligibility requirements to receive donated leave.
- (e) Donations shall be credited at the recipient's current regular hourly rate of pay. Donations shall be used to reimburse the Agency for insurance contributions made pursuant to Article 31, unless health insurance payments are mandated under the Family Medical Leave Act.
- (f) Accumulated leave includes but is not limited to sick, vacation, personal, and compensatory leave accruals.
- (g) Employees otherwise eligible for or receiving workers' compensation, or on parental leave will not be considered eligible to receive donations under this agreement.

Section 9. Oregon Family and Medical Leave Act (OFLA) and Family Medical Leave Act (FMLA). Paid leave is to be used in conjunction with the FMLA or OFLA consistent with the leave provisions of this Article and other leave provisions of this Agreement. As long as the employee's compensatory time balance does not exceed forty (40) hours, an employee may retain up to forty (40) hours of vacation leave for use upon returning to work as long as the combined total of compensatory time and vacation hours do not exceed forty (40) hours. Designation to retain the leave shall be made in writing within five (5) business days of the beginning of the qualifying leave. In no instance shall an Agency restore leave or recoup pay as the result of such designation. Once the designation has been made and approved and the employee is on leave without pay status, that status will continue for the duration of the leave. Such employees are not eligible to receive hardship leave donations.

For purposes of applicability of the FMLA and OFLA, administration of the state and federal regulations includes:

- (a) The "FMLA and OFLA year" is considered to be a twelve (12) month period rolling backward for each employee.
- (b) The Employer's determination of FMLA or OFLA eligibility may require medical certification that the leave is needed due to a FMLA or OFLA qualifying condition of the employee or that of a member of the family. At an Agency's expense, a second opinion may be requested.

For employees covered by the FMLA/OFLA, the Employer can request certification earlier when

permitted by FMLA/OFLA.

Where there is a conflict between FMLA and OFLA, the more generous provisions will apply.

- (c) Any grievance alleging a violation of FMLA or OFLA will be submitted in writing within thirty (30) days of the date the grievant or the Union knows, or by reasonable diligence should have known, of the alleged grievance, directly to the Agency Head or designee. The Agency Head shall respond within fifteen (15) calendar days after receipt of the grievance. All unresolved grievances may be submitted by the grievant or the Union to BOLI or the Department of Labor, whichever is appropriate.

(See Letter of Agreement 00.00-99-51 in Appendix A.)

ARTICLE 56.1C--SICK LEAVE

(Employment Department)

All employees of the Employment Department will be allowed to transfer accumulated vacation leave to a coworker who has exhausted all accumulated leaves.

Eligibility to receive and use donated leave will be the same as that used for Sick Leave under Article 56--Utilization of Sick Leave with Pay, Section 2.

The vacation leave hours donated will be converted to sick leave for use by the receiving employee. The hours of leave donated will be converted into an hourly rate and then applied to the donee's account at their hourly rate, e.g., an employee who earns twenty dollars (\$20.00) per hour by donating one (1) day of leave to an employee who earns ten dollars (\$10.00) an hour will have donated two (2) days of sick leave to the donee employee. The reverse also applies; if an employee earning ten dollars (\$10.00) per hour donates one (1) day of leave to an employee earning twenty dollars (\$20.00) per hour, one-half (½) day of leave will be transferred to the donee employee.

The Labor-Management Committee will monitor leave use.

ARTICLE 56.3--SICK LEAVE

(ODOT Coalition, except ODOA)

When an employee needs to use sick leave and has not given his/her supervisor prior notice, the employee will call his/her supervisor prior to the beginning of his/her scheduled shift, except for circumstances beyond the control of the employee, such as a traffic accident.

ARTICLE 56.3D--SICK LEAVE (ODOA)

When an employee needs to use accrued sick leave and has not given his/her supervisor prior notice, the employee shall notify the Agency of his/her absence by leaving a message on the Agency's answering machine prior to the start of the employee's regularly scheduled work schedule except for circumstances beyond the control of the employee, such as a traffic accident.

ARTICLE 57--BEREAVEMENT LEAVE

Employees shall be eligible for a maximum of twenty-four (24) hours paid bereavement leave, prorated for part-time employees. If additional bereavement time is needed, an employee may request to use earned sick leave credits, pursuant to Article 56, or leave without pay, at the option of the employee. The Agency may request documentation for use of bereavement leave.

Employees may, with prior authorization, use accrued leave other than sick leave to discharge additional

obligations such as, but not limited to, handling estate issues or administrative/family matters. If no accrued leave is available, the employee may request authorization to use leave without pay.

Notwithstanding Article 56, Section 8 (a), (c), and (d), regular and trial service employees may be eligible to receive up to forty (40) hours of donated leave, to be used consecutively. The employee must have exhausted all available accumulated leave and qualify to receive hardship leave.

For purposes of this Article, "immediate family" shall include the employee's or the employee's spouse's parent, wife, husband, child, brother, sister, grandmother, grandfather, grandchild, or the equivalent of each for domestic partners, or another member of the immediate household.

NOTE: Immediate family shall include the current in-laws and step family members who qualify per the above list.

ARTICLE 58--HOLIDAYS

Section 1. The following holidays shall be recognized and paid for at the regular straight time rate of pay:

- (a) New Year's Day on January 1.
- (b) Martin Luther King, Jr.'s Birthday on the third Monday of January.
- (c) Presidents' Day on the third Monday in February. (This does not apply to the Oregon Student Assistance Commission or PERS.)
- (d) Memorial Day on the last Monday in May.
- (e) Independence Day on July 4.
- (f) Labor Day on the first Monday in September.
- (g) Veterans' Day on November 11. (This does not apply to the Board of Dentistry.)
- (h) Thanksgiving Day on the fourth Thursday in November.
- (i) For the Oregon Student Assistance Commission, the Board of Dentistry and PERS only, the Friday after Thanksgiving.
- (j) Christmas Day on December 25.
- (k) Every day appointed by the Governor as a holiday.

Section 2. Special Day. In addition to the holidays specified in this Article, full-time employees shall receive eight (8) hours of paid leave. Part-time, seasonal, and job share employees shall receive a prorated share of eight (8) hours of paid leave at their regular straight time rate of pay based upon the same percentage or fraction of month, as they are normally scheduled to work. Paid leave granted in this Section, shall be accrued by all employees employed as of December 24 of each year. Employees may request the option of using this paid leave on the workday before or after Christmas, the workday before or after New Year's Day, or, when these days are not available to an employee, on another day of the employee's choice; provided that, approved usage of this leave shall be granted on a basis which shall preclude the closure of state facilities. Instead of the day before or after New Years or Christmas, employees employed as of the day before Thanksgiving may choose to use the special day on the day before or the day after Thanksgiving.

Section 3. Holiday Eligibility. All employees will receive up to eight (8) hours of holiday pay for recognized holidays in Section 1 above, pursuant to (a) and (b) below, provided the employee works thirty-two (32) hours or more during the month or appropriate pay period and meets the pay

status test as specified below. Holiday pay shall be based on an eight (8) hour day.

- (a) Full-time employees shall receive eight (8) hours of holiday pay, provided they are in pay status at least one-half (½) of the last workday before the holiday and one-half (½) of the first workday after the holiday.
- (b) Part-time, hourly, seasonal part-time and seasonal full-time hourly employees will receive a prorated share of the eight (8) hours of holiday pay based on the number of hours actually worked as compared to the total number of possible work hours in the month or pay period. The holiday shall not count as part of the total possible work hours in the month or pay period or the total hours worked and shall be calculated as follows:

$$\frac{\text{Total Hours Worked}}{\text{Total Hours in Month or Pay Period}} \times \text{Holiday Hours in the Month}$$

To be eligible for this pay, such employees must be in pay status at least one-half (½) of the last scheduled workday before the holiday and at least one-half (½) of the first scheduled workday after the holiday, provided such scheduled workdays occur within seven (7) calendar days before and after the holiday.

NOTE: Nothing in this Article is intended to change the Employer's practice with respect to scheduling and closures permitted under this Agreement, nor the granting of paid leave during such times.

(c) **Transfers To and From Another Agency:**

(1) When compensable, non-workdays such as a holiday, sick leave, or vacation leave which come between the separation date in the losing Agency unit and the subsequent hire date in the gaining Agency, the gaining Agency is liable for all of the compensable non-workdays.

(2) The beginning date of employment in the gaining Agency must be the first compensable non-workday following separation from the losing Agency.

Section 4. Work on a Holiday. Employees required to work on days recognized as holidays which fall within their regular work schedules shall be entitled, in addition to their regular monthly salary, to compensatory time off, or to be paid in cash as provided in Articles 32.1-32.5 (Overtime). Compensatory time off or cash paid for all time worked shall be at the rate of time and one-half (1 ½). The rate at which an employee shall be paid for working on a holiday shall not exceed the rate of time and one-half (1 ½) his/her straight time rate of pay.

Section 5. Observance.

- (a) When a holiday specified in Section 1 of this Article falls on a Saturday, the preceding Friday shall be recognized as the holiday. When a holiday specified in Section 1 of this Article falls on a Sunday, the following Monday shall be recognized as the holiday.
- (b) However, the Parties recognize that some positions must be staffed on each and every holiday, and that employees in these positions cannot be released from duty on those holidays. Part (a) of this Section shall not apply to employees in these positions and the holiday shall be observed on the actual day specified in Section 1. Employees filling such positions will be notified in writing prior to hiring or when their work assignment is changed that they may have to work on certain holidays.

Section 6. Leave Accounts. An employee's leave account shall not be charged for a holiday which occurs during the use of earned vacation or earned sick leave.

Section 7. Work Out-of-Class. Employees assigned to work out-of-classification in accordance with Article 26--Work Out-of-Classification, Section 10, shall receive holiday pay at the higher rate of pay, if the holiday falls during his/her work out-of-classification assignment.

ARTICLE 58T--HOLIDAYS (Temporary Employees)

Section 1. Any temporary employee who works a holiday as defined in Article 58, Section 1 shall be paid at the rate of time and one-half (1 ½) for all hours worked on the holiday.

Section 2. A full-time or part-time temporary employee who is not scheduled to work a holiday that falls on the employee's scheduled workday will receive up to eight (8) hours of holiday pay. Eligibility and the appropriate rate of pay shall be consistent with Article 58, Section 3. Nothing in this Section requires the Agency to schedule an employee for more hours than he/she would normally work in a week.

(b) However, the Parties recognize that some positions must be staffed on each and every holiday, and that employees in these positions cannot be released from duty on those holidays. Part (a) of this Section shall not apply to temporary employees required to work and the holiday shall be observed on the actual day specified in Article 58, Section 1.

ARTICLE 58.1C--HOLIDAYS (Employment Department)

For legal holidays where the calendar date of the legal holiday falls on other than Friday or Monday and the employee is scheduled to work, the employee will be paid time and one-half (1 ½) after midnight (12:01 a.m.). The employee will receive holiday leave for the following scheduled workshift.

ARTICLE 58.2--HOLIDAY SCHEDULING (Institutions Coalition, except OYA Administration and Field Services)

Where an employee has been approved to work a schedule other than a regular schedule and a holiday falls within that week, the work schedule for that week may be reverted to a regular workweek schedule.

ARTICLE 58.2C--HOLIDAY SCHEDULING (OSH)

The Institution will determine appropriate staffing levels for work areas which must be staffed on holidays in relation to anticipated workload in each area. Employees whose regular scheduled workday falls on a holiday will be scheduled first to work the holiday. If anticipated workload requires greater or fewer than the normal number of staff, employees will be scheduled so as to distribute the extra work or holiday off as equally as feasible among qualified employees customarily performing the kind of work involved in the work section.

ARTICLE 58.2E,G--HOLIDAY SCHEDULING (EOTC, BMRC)

The Institution will determine appropriate staffing levels for work areas which must be staffed on holidays in relation to anticipated workload in each area. Employees whose regular scheduled workday falls on a holiday will be scheduled first to work the holiday. If anticipated workload requires greater or fewer than the normal number of staff, requests shall be granted on a rotating basis so that each employee's desires will be met as many times as possible each year. Schedules shall be posted on the department or work area bulletin board prior to any holiday indicating by name the employee(s) who will work and the employee(s) who will be off duty.

ARTICLE 58.3--HOLIDAY SCHEDULING AND COMPENSATION FOR HOLIDAY WORK

(ODOT Coalition)

Section 1. The Agency shall assign holiday work schedules and employees shall normally be notified of such schedules at least fourteen (14) days in advance, but in no instance shall there be less than seven (7) days advance notice of such work schedules except in situations over which the Agency has no control.

Section 2. An employee shall receive compensation for holiday time worked in either cash or compensatory time off in accordance with Article 32.3--Overtime, of this Agreement.

Section 3. Consistent with current practice which is subject to eligibility requirements and pay rates under Article 58, Sections 3 and 4 of the Agreement, when a full-time employee regularly works a 4/10 work schedule and actually works a full ten (10) hour shift on a holiday, the employee will be paid for a total of twenty-three (23) hours.

Section 4. Observance (ODOT only). For employees who work Monday through Friday schedules, when a holiday specified in Section 1 of Article 58 falls on a Saturday, the preceding Friday shall be recognized as the holiday. When a holiday specified in Section 1 of Article 58 falls on a Sunday, the following Monday shall be recognized as the holiday.

For employees who work shifts other than Monday through Friday, when a holiday specified in Section 1 of Article 58 falls on a regular workday, that day will be recognized as the holiday. When the holiday specified in Section 1 of Article 58 falls on a regularly scheduled day off, the preceding workday shall be recognized as the holiday.

ARTICLE 58.5A--HOLIDAYS (OSD Only)

When Veterans' Day falls on Tuesday or Wednesday, the holiday will be observed on the preceding Monday. When Veterans' Day falls on Thursday, the holiday will be observed on the following Friday.

ARTICLE 59--ELECTION DAYS

Work and travel will be arranged to allow employees the opportunity to vote on their own time on recognized state and federal election days unless they are given sufficient notice to enable time to obtain an absentee ballot.

ARTICLE 60--LEAVES WITH PAY

Section 1. An employee shall be granted leave with pay for service with a jury. The employee may keep any money paid by the court for serving on a jury. The Agency reserves the right to petition for removal of the employee from jury duty if, in the Agency's judgment, the operating requirements of the Agency would be hampered.

Section 2. Whenever possible, subject to Agency operating requirements, employees selected by proper authority for jury duty will be placed on a day shift, Monday through Friday, during the period they are obligated to jury duty. The Agency shall not suffer any penalty payments for the change in the work schedule of the employee on jury duty.

Section 3.

(a) When any employee is not the plaintiff or defendant, he/she shall be granted leave with pay for appearance before a court, legislative committee, or judicial or quasi-judicial body as a witness in response to a subpoena or other direction by proper authority for matters other than the employee's officially assigned duties. When the employee is granted leave with pay, the employee shall turn into the Agency any money paid in connection with the appearance.

(b) When any employee represents an outside business interest and/or acts as an independent expert, he/she shall be granted accrued vacation, compensatory or personal business leave for appearance before a court, legislative committee or judicial or quasi-judicial body as a witness in response to a subpoena or other direction by proper authority for matters other than the employee's officially assigned duties. The employee may keep any money paid in connection with the appearance.

Section 4. An employee shall be on Agency time for attendance in court in connection with an employee's officially assigned duties, including the time required going to court and returning to his/her official station. When the employee is granted Agency time, the employee shall turn into the Agency any money received for such attendance during duty hours.

Section 5. In the event a night or swing shift employee is called to appear under Sections 1, 2, 3(a), or 4 above, he/she shall have release time the day of attendance. Time spent in attendance and in travel to and from his/her headquarters shall be deducted from the regular shift following the attendance with no loss of wages or benefits.

Section 6. An employee who has served with the State of Oregon or its counties, municipalities, or other political subdivisions for six (6) months or more immediately preceding an application for military leave, and who is a member of the National Guard or of any reserve components of the armed forces of the United States is entitled to a leave of absence with pay for a period not exceeding fifteen (15) calendar days or eleven (11) workdays in any training year (October 1 through September 30). If the training time for which the employee is called to active duty is no longer than fifteen (15) calendar days, the employee may be paid for the first fifteen (15) days only if such time is served for the purpose of discharging an obligation of annual active duty for training in the military reserve or National Guard.

Section 2. In the event a night or swing shift employee is called to appear under Section 1 above, he/she shall have release time the day of attendance. Section 1. Approved leaves of absence of up to one (1) year shall not be considered a break-in-service. During this time, employees shall continue to accrue seniority and to receive all protections under this Agreement. Where appropriate, partial benefits will be provided as specifically indicated in this Agreement.

Section 2. A state employee voluntarily or involuntarily seeking military leave without pay to attend service school shall be entitled to such leave during a period of active duty training. Section 1. In instances where the work of the Agency shall not be seriously handicapped by the temporary absence of an employee, the employee may be granted a leave of absence without pay, educational travel, or educational leave without pay for up to one (1) year subject to Agency approval. Any authorized leave of absence without pay does not constitute separation from state service.

Section 2. Time spent on leave without pay in excess of one (1) year shall not be considered as service in determining the employee's eligibility date for a salary increase unless such time has been spent on leave resulting from job-incurred disability or military leave consistent with Veterans' Reemployment Rights Leave, Title 38, USC Chapter 43.

Section 3. Any unauthorized absence of an employee from duty shall be deemed to be an absence without pay. Any employee who absents himself/herself for five (5) consecutive workdays without authorized leave shall be deemed to have resigned and shall be considered a voluntary separation from State service. Such absence may be covered however, by a subsequent grant of leave with or without pay, when extenuating circumstances are found to have existed.

Section 4. Leaves of absence without pay shall be granted all regular employees who enter the military service of the United States. Such employees shall be returned to State service in compliance with the Veterans' Reemployment Rights Law, Title 38, USC Chapter 43.

Any authorized leave of absence without pay does not constitute separation from State service.

Section 2. Time spent on leave without pay in excess of one (1) year shall not be considered as service in determining the employee's eligibility date for a salary increase unless such time has been spent on leave resulting from job-incurred disability or military leave consistent with Veterans' Reemployment Rights Leave, Title 38, USC Chapter 43.

Section 3. Any unauthorized absence of an employee from duty shall be deemed to be an absence without pay. Any employee who absents himself/herself for five (5) consecutive workdays without authorized leave shall be deemed to have resigned and shall be considered a voluntary separation from State service. Such absence may be covered however, by a subsequent grant of leave with or without pay, when extenuating circumstances are found to have existed.

Section 4. Leaves of absence without pay shall be granted all regular employees who enter the military service of the United States. Such employees shall be returned to State service in compliance with the Veterans' Reemployment Rights Law, Title 38, USC Chapter 43.

ARTICLE 61.5--LEAVES OF ABSENCE WITHOUT PAY (Special Agencies Coalition)

Section 1. In instances where the work of an Agency shall not be seriously handicapped by the temporary absence of an employee, the employee may be granted a leave of absence without pay.

Section 2. Time spent on leave without pay in excess of one (1) year shall not be considered as time worked for purposes of vacation and sick leave accrual, recognized service date, salary eligibility date, or other benefit.

Leave resulting from job-incurred disability shall be counted as time spent in a salary step in computing eligibility of the employee for further salary increases and layoff. Similarly, time spent on leave without pay resulting from military leave will be treated in a manner consistent with Veterans' Reemployment Rights Leave, Title 38, USC Chapter 43.

Section 3. Any authorized leave of absence without pay does not constitute separation from state service.

Section 4. Court Appearance. An employee may request and shall be granted leave without pay for the time required to make an appearance as a plaintiff or defendant in a civil or criminal court proceeding that is not connected with the employee's officially assigned duties.

Section 5. Peace Corps Leave Without Pay. ARTICLE 63--PARENTAL LEAVE

A parent shall be granted a leave of absence up to twelve (12) weeks to care for a new baby. Such leave can be less than twelve (12) weeks, if so requested by the employee, or at the discretion of management more than twelve (12) weeks, depending on the needs of the Agency. However, an employee may draw up to four (4) hours of his/her twenty-eight (28) hours of pre-retirement counseling leave after completion of ten (10) years of service prior to reaching age sixty (60) or five (5) years from retirement. Employees shall request the use of leave provided in this Article at least five (5) days prior to the intended date of use.
- (b) Authorization for the use of pre-retirement counseling leave shall not be withheld unless the Agency determines that the use of such leave shall handicap the efficiency of the employee's work unit.
- (c) When the dates requested for pre-retirement leave cannot be granted for the above reason, the Agency shall offer the employee a choice from three (3) other sets of dates. The leave herein discussed may be used to investigate and assemble the employee's retirement program, including PERS, Social Security, insurance, and other retirement income.

ARTICLE 66--VACATION LEAVE

Section 1. Vacation Leave Accrual. After having served in the state service for six (6) full calendar months, employees shall be credited with the appropriate earned vacation leave and thereafter vacation leave shall be accumulated or prorated on the appropriate schedule as follows for (a) full-time employees; (b) seasonal employees; and (c) part-time employees:

Length of State Service:	Vacation Accrual Rate:
After six months (minimum 1,040 hours)	12 workdays for each 12 full calendar months of service
(a) through 5 th year; (b) 5 th annual season; or, (c) 60 th months.	(8 hours per month)
After	15 workdays for each 12 full calendar months of service
(a) 5 th year through 10 th year; (b) 5 th annual season through 10 th annual season; or, (c) 60 th month through 120 th month	(10 hours per month)

After	18 workdays for each 12 full calendar months of service

Employees who work at least thirty-two (32) hours per month shall accrue vacation leave on a prorated basis.

Part-Time Employees Computation. A part-time employee shall accrue vacation leave and shall earn eligibility for additional vacation credits only in those months during which the employee has worked thirty-two (32) hours or more. Such leave shall be accrued on a pro-rata basis per the same schedule as full-time employees.

A part-time employee shall not be eligible to take initial vacation leave until the employee has worked thirty-two (32) hours or more in each of six (6) calendar months.

Seasonal Employees Computation. Seasonal employees are entitled to use vacation credits (or to have them paid upon separation) when the seasonal employee has completed a combination of seasonal periods totaling six (6) full calendar months (a minimum of 1,040 hours). To earn vacation leave the employee must work or be paid for at least thirty-two (32) hours in each calendar month or pay period. In accumulating this initial six (6) calendar months of service, time worked prior to a break-in-service may be credited if the break does not exceed two (2) seasons. An employee may not be credited with more than one (1) season during a calendar year.

Section 2. Vacation Leave for New or Separating Employees.

(a) New employees who begin work in the middle of a month or pay period earn vacation credits on a prorated basis for the first partial month or pay period provided they work at least thirty-two (32) hours.

Although new employees will earn vacation credits on a prorated basis during the first partial month or pay period of service, they are not entitled to use vacation credits (or be paid upon separation) until the employee has completed six (6) full calendar months or pay periods. The employee must work or be paid for at least thirty-two (32) hours in each calendar month or pay period, to be eligible.

(b) Separating employees who are eligible will be paid for unused vacation leave accrued through the last full calendar month or pay period of service, based on each employee's work schedule. If the employee does not work or is not in pay status through the last regularly scheduled workday in the last calendar month or pay period, payment for such month or period shall be made on a pro-rata basis.

Separation of an employee may fall on any given day of the month, either as designated by the employee in his/her letter of resignation or by the Agency in the notice of involuntary separation.

(c) Separating employees who are eligible will be paid for accumulated vacation leave and compensatory time at the hourly rate equivalent to his/her base rate at the time of separation. An employee shall not be eligible for vacation pay-out upon separation unless the employee has completed six (6) full calendar months or the equivalent.

Section 3. Compensation for use of accrued vacation shall be at the employee's prevailing straight time rate of pay.

Section 4. In the event of separation or layoff any unused vacation up to two-hundred fifty (250) hours will be paid to the employee.

Section 5. In the event of an employee's death, all monies due him/her for accumulated vacation and salary shall be paid as provided by law.

Section 6. An employee who has lost work because of a job-related illness or injury shall not suffer a reduction in vacation credits. Vacation credits shall continue to be earned while an employee is using earned sick leave.

Section 7. Service with a jury shall be considered time worked.

Section 8. If an employee has a break-in-service and that break does not exceed two (2) years, he/she shall be given credit for the time worked prior to the break-in-service.

Section 9. Time spent in actual State service or on Peace Corps, military, educational, or job-incurred disability leave without pay shall be considered as time in the State service for determining length of service for vacation accrual rate.

Section 10. Vacation hours may accumulate to a maximum of three-hundred twenty-five (325) hours.

Section 11. Authorization of Use. Upon transfer of an employee with six (6) full months of State service to a different Agency covered by the Agreement, the employee may elect to have a maximum of eighty (80) hours of accrued vacation credits transferred to the gaining Agency, except the gaining Agency may agree to accept a greater amount of accrued vacation credits. The employee shall be paid in cash for that portion of accrued vacation credits not transferred.

Upon transfer of an employee with less than six (6) full months of service to a different Agency represented by SEIU Local 503, OPEU, all vacation credits accrued shall be transferred to the gaining Agency.

Section 12. Should an employee who has exhausted earned sick leave elect to use vacation leave during a period in which Workers' Compensation is being received, the salary paid for such period shall be equal to the difference between the Workers' Compensation for lost time and the employee's regular salary rate. In such instances, prorated charges will be made against accrued vacation leave. No employee shall be required to utilize vacation leave while receiving time loss benefits.

Section 13. After all earned sick leave has been exhausted an employee may request in advance, in cases of illness, to use earned vacation leave. The Employer may grant such requests and may require that the employee provide verification from an attending physician of such illness. Such leave shall not be unreasonably denied.

Section 14. No employee may be placed on vacation leave and no accrued vacation time may be utilized without specific authorization of the employee except:

(a) That employees shall have their vacation time paid in

full when they take education leave without pay in excess of ninety (90) days;

(b) That in any other leave of absence without pay that exceeds fifteen (15) days, the employees shall be required to use their accumulated vacation. Bargaining unit members may not be required to take vacation when leaving for military or reserve service as per Title 38, USC Chapter 43, or parental leave until after thirty (30) days;

(c) As provided for set-off of damages or misappropriation of state property or equipment on termination;

(d) To avoid losing vacation the employee must request vacation leave. When such leave is impossible a cash payment of not more than sixty (60) hours shall be made. In lieu of cash payment, the Employer shall schedule time off in excess of three-hundred twenty-five (325) hours within sixty (60) days prior to the date the vacation leave would reach three-hundred twenty-five (325) hours. Hours earned over three-hundred twenty-five (325) hours will be immediately lost to the employee if the equivalent of those hours is not used prior to the month of maximum accrual.

Section 15. Military Donated Leave. The Parties acknowledge that the State of Oregon administers a donated leave program to supplement military wages. As such, an employee may donate any portion of his/her accrued vacation to an eligible individual participant or to the program donation pool for distribution to eligible participants, as long as the program continues to exist.

ARTICLE 66.1--VACATION SCHEDULING

(Human Services Coalition)

Section 1. An employee shall request the dates of his/her vacation in advance and the Agency shall grant or deny the request for vacation within a reasonable period of time. Requests will not be unreasonably denied. If two (2) or more employees request the same days off and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest length of continuous service with the Agency shall be granted the time off, provided however, that an employee shall not be given his/her length of service consideration more than once in every two (2) years.

Section 2. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee the provisions of this Section shall not apply.

If two (2) or more employees in the same first line supervisory work unit request the same periods of time and the matter cannot be resolved by agreement of the Parties concerned, the employee having the greatest seniority shall be granted the time off once a year. After April 1, employees may request vacation for the following month and any employee who first requests to schedule a vacation date in the following month not in conflict with a previously scheduled vacation shall be granted the time.

Section 2. Vacations that have been scheduled and approved may not be canceled by the Institution except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee, and the vacation is canceled by the Institution, the Institution shall pay the unrecoverable deposits. The Institution or Facility may facilitate this process by providing a designated sign-up period. After the designated sign-up period, vacation requests will be approved on a first-come first-served basis subject to the operating needs of the Agency.

Section 2. The Institution or Facility will grant or deny the request for vacation within five (5) calendar days of the employee's request received by the employee's supervisor or their designee. Section 2. Subject to the operating requirements of the Agency, employees shall have their choice of vacation time. (a) **ODOT, Except DMV.** Full-time permanent employees shall be allowed to use at least one (1) full week of vacation each year during the calendar season of their choice. The Agency shall grant requests of more than one (1) week when the workload of the unit will permit. Seasonal employees who work a combination of seasons which involve work in any portion of any eight (8) months of a calendar year shall be permitted one (1) full week of vacation consistent with the provisions for a full-time permanent employee. No seasonal employee shall have his/her season terminated solely for the purpose of circumventing this Section.

(b) **DMV Only.** Permanent employees shall be allowed to use at least one (1) full week of vacation each year during the calendar season of their choice. The Agency shall grant more than one (1) week when the operating requirements of the Agency permit.

Employees with over one-hundred (100) hours of vacation time on record at the time of request, will be granted additional leave time, subject to the operating requirements of the Agency.

Section 4. All requests for vacation shall be reviewed and approved or rescheduled by the Agency within fifteen (15) calendar days of receiving the request.

Section 5. A scheduled vacation shall not be canceled once an employee has made a deposit on reservations and the deposit is not recoverable, except in the event of an emergency. The Agency may require proof of such unrecoverable deposits.

Section 6. Vacation leave shall not accrue during a leave of absence without pay or education leave with pay the duration of which exceeds fifteen (15) calendar days.

ARTICLE 66.5--VACATION LEAVE (Special Agencies Coalition, except Oregon Health Licensing Agency)

Section 1. Vacations shall be requested in writing by each employee and subject to written approval or denial by his/her supervisor. Such written approval or denial shall be provided to the employee within seven (7) calendar days following submittal of a request. This shall not require that use of vacation time be requested seven (7) days in advance. Vacation shall be scheduled, as much as possible, at the convenience of the employee consistent with the operating requirements of the Agency. In the case of conflict between two (2) or more employees in the same work area, the employee who first requested this time shall be given preference. If the conflict again occurs between these employees, such conflicts shall be resolved on a rotating basis.

Section 2. Cancellation of Vacation.

(a) Except Health-Related Licensing Boards. Approved vacation leave may not be canceled by the Employer except in the event of an emergency condition which creates an abnormal workload or other condition not under the control of management. In the event of an emergency, the affected employee shall be notified of the cancellation in writing. When vacation leave has been approved at least ninety (90) days in advance and is canceled, unrecoverable transportation or lodging deposits will be paid by the Agency if the employee produces proof of such unrecoverable deposits, including written evidence of a good faith effort to recover the deposits.

(b) Applies to Health-Related Licensing Boards. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee, and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee, the provisions of this Section shall not apply.

ARTICLE 66.50--VACATION LEAVE

(Oregon Health Licensing Agency)

Section 1. An employee shall request the dates of his/her vacation in advance and the Agency shall grant or deny the request for vacation within a reasonable period of time. Requests will not be unreasonably denied. If two (2) or more employees request the same days off and the matter

cannot be resolved by agreement of the Parties concerned, the employee having the greatest length of continuous service with the Agency shall be granted the time off, provided, however, that an employee shall not be given his/her length of service consideration more than once in every two (2) years.

Section 2. Vacations that have been scheduled and approved may not be canceled by the Agency except in the event of an emergency. When unrecoverable vacation deposits are incurred by an employee and the vacation is canceled by the Agency, the Agency shall pay the unrecoverable deposits, proof of which may be required for reimbursement. In the event of a schedule change caused by seniority or a transfer at the request of an employee, the provisions of this Section shall not apply.

ARTICLE 70--LAYOFF

Section 1. A layoff is defined as a separation from the service for involuntary reasons other than resignation, not reflecting discredit on an employee. An employee shall be given written notice of layoff at least fifteen (15) calendar days before the effective date, stating the reasons for the layoff. (See Sections 9 and 10 on statewide recall rights and intergovernmental transfers, and see Section 11 regarding Secondary Recall Rights.)

Section 2. The layoff procedure shall occur in the following manner:

- (a) The Agency shall determine the specific positions to be vacated and employees in those positions shall be notified of layoff. The Agency shall notify in writing all affected employees of his/her seniority and his/her contractual bumping rights. The Agency shall notify the Union of the seniority of all employees in all affected positions in writing. In addition, the Agency shall provide each Union Steward in the geographic area affected by layoff with one (1) written copy of the seniority of employees in all affected positions in that geographic area. The Agency shall also post a copy of the seniority of all affected positions in the geographic area on the employee bulletin board.
- (b) Temporary employees working in the classification and geographic area in which a layoff occurs shall be terminated prior to the layoff of trial service or regular employees.
- (c) Employees shall be laid off and seniority calculated within a geographic area and within the following separate categories:
 - (1) Permanent full-time positions;
 - (2) Permanent part-time positions;
 - (3) Seasonal full- and part-time positions; or
 - (4) Academic year positions (OSD):
 - Full-time academic year positions; or
 - Part-time academic year positions.
 - (5) The Employment Department shall maintain the following layoff lists:
 - (A) Full-time employees plus seasonal employees with more than twelve (12) months continuous full-time employment immediately preceding layoff;
 - (B) Seasonal employees with less than twelve (12) months continuous full-time employment immediately preceding layoff;
 - (C) Part-time employees.An initial trial service employee cannot displace any regular status employee.

(d) An employee notified of a pending layoff shall have one (1) opportunity to prioritize the following options and communicate such choice(s) in writing to the Agency within seven (7) calendar days from the date the employee is notified in writing. If the date the employee's response is due falls on a Saturday, Sunday or holiday, the employee will provide his/her choice to the Agency on the next business day. However, this seven (7) day notice will not be required if the employee is involved in a meeting to make such choice as long as seniority has been posted prior to this seven (7) day notice as specified in Section 2(a).

(1) The employee may displace the employee in the Agency with the lowest seniority in the same classification for which he/she is qualified in the same geographic area in the Agency where the layoff occurs.

(2) If no positions are accessible under option one (1), the employee may displace the employee in the Agency with the lowest seniority in the same geographic area in any classification with the same salary range in which the employee previously held regular status, including any predecessor classification; or, if this choice is not available to the employee, the employee may move into vacant positions in classifications with the same salary range that the Agency intends to fill in the same geographic area.

(3) The employee may identify and prioritize up to three (3) classifications in lower salary ranges for which he/she is qualified within the Agency and same geographic area. The employee may demote to the lowest seniority position in one of the identified classifications considered in the order listed by the employee, pursuant to this Section. Employees who elect to demote shall be placed on any geographic area layoff list of his/her choice within the Agency for the classification from which he/she demoted.

(4) The employee may elect to be laid off. An employee who elects to be laid off shall be placed on any geographic area layoff list of his/her choice within the Agency for the classification from which he/she was laid off.

The options provided by Subsections 2(d)(1), (2) and (3) above shall apply to regular status (i.e., non-limited duration) employees displacing limited duration employees only when the limited duration positions are expected to continue for at least ninety (90) days beyond the time of layoff.

For purposes of bumping under Section 2(d)(1), (2) and (3), a vacant position that management intends to fill is considered to have the least seniority.

- (e) To be qualified for the options under Section 2(d)(1), (2) and (3), the employee must meet the minimum qualifications for the position's classification and must be capable of performing the specific requirements of the position within a reasonable period of time. A reasonable period of time is defined as approximately thirty (30) calendar days. If an employee meets the minimum qualifications but is not capable of performing the specific requirements of the lowest seniority position, he/she may displace or demote to the next lowest seniority position in the classification, provided that the incumbent in the next lowest position has a lower seniority than the employee displacing or demoting.
- (f) When exercising an option under Section 2(d)(1), (2)

and (3), an employee shall only be eligible to displace another employee with lower seniority.

(g) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the Agency. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which he/she was laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

(h) Limited Duration Appointments—Workload Reasons. Eligible employees, as defined in Article 51 Section 2, shall have their seniority calculated within a geographic area and may bump limited duration or permanent employees based on their seniority within the following separate categories:

(1) full-time status;

(2) part-time status.

(i) Limited Duration Appointments—Non-Workload Reasons. Eligible employees, as defined in Article 51, Section 1, whose limited duration appointment that exceeds two (2) years shall have their seniority calculated within a geographic area. These employees shall be placed on the Agency recall list for the affected geographic area when the limited duration appointment ends. These employees will not be eligible to bump any employees, but shall be placed on the affected agency layoff recall list for the class they held as a limited duration employee.

(j) An initial trial service employee cannot displace any regular status employee (see Section 5 for more on treatment of trial service employees).

(k) Job Share Positions.

(1) Individuals filling a job-sharing position which totals a full-time equivalent at the time of calculation of seniority shall be considered as one (1) full-time equivalent or, if either Party chooses, as part-time employees.

(2) If the employees in a job-share position choose to be treated as a full-time employee, seniority for the position shall be determined by averaging the two (2) individuals' Layoff Service Date.

(3) If either employee in a job-share position chooses to be treated as a part-time employee, seniority for each employee will use individual Layoff Service Date.

If only one (1) person is filling a job-share position, he/she shall be considered as a full-time equivalent.

(l) If an employee is overfilling or underfilling a position, the employee will be considered in the position classification for the purposes of this Article. If an overfill employee is displaced, demoted in lieu of layoff or is laid off, the employee shall retain his/her overfill status upon return to his/her classification.

(m) Any employee displaced by another employee exercising options under Section 2(d)(1), (2) and (3) may also exercise any option available under Section 2(d).

Section 3. For purposes of this Article, the term "Agency" does not include employees represented by other unions. There will be no cross-bumping between unions. If, however, the Employer and/or the Agency permits another union to cross-bump into SEIU Local 503, OPEU positions,

such rights shall be extended to SEIU Local 503, OPEU bargaining unit members also. There shall not be cross-bumping between the Management Service and the bargaining unit.

In instances where there is more than one (1) classification in the same salary range affected by a concurrent layoff, employees in the multiple classifications will have their layoff option selection notices processed by seniority (state service) within the salary range as opposed to classification. However, should two (2) or more employees continue to have equal seniority it will be decided in accordance with Section 4(d).

In instances where the first round of layoffs have been completed and a vacancy which the Agency intends to fill occurs prior to the initiation of a second round of layoffs, employees who are on an Agency geographic area layoff list may have priority rights to such vacancy in accordance with the Filling of Vacancies Articles.

Section 4. Seniority.

- (a) **Seniority Definition.** Seniority is the Layoff Service Date which is the date the employee began state service (except as a temporary appointee) as adjusted for break(s)-in-service.
(See Letter of Agreement in Appendix A).
- (b) **Break-In-Service.** A break-in-service is a separation or interruption of employment without pay of more than two (2) years. If an employee has a break-in-service that does not exceed two (2) years, he/she shall be given credit for the time worked prior to the break-in-service. Seniority will also be adjusted for leaves without pay in excess of one (1) year.
- (c) **Seniority Frozen.** When an Agency intends to initiate a layoff, the Agency will notify the Union in writing that all seniority will be frozen from the date of notice for a period not to exceed three (3) months. However, during the period when seniority is frozen, the employee will continue to accumulate time towards seniority for purposes of future computations. The three (3) month freeze may be extended by mutual written agreement of the Union and the Agency.
- (d) **Equal Seniority.** If it is found that two (2) or more employees in the Agency in which the layoff is to be made have equal seniority, then the greatest length of continuous service in the Agency shall be used. If ties between employees still exist, the order of layoff shall be determined by the Agency in such manner as to conserve for the State the services of the most qualified employee.

Section 5. Any trial service employee who is laid off or demoted in lieu of layoff shall not be placed on the Agency layoff list, but shall be restored to the eligible list from which certification was made if the eligible list is still active. Restoration of the list shall be for the remaining period of eligibility that existed at the time of appointment from the list.

Section 6. Regular and eligible limited duration employees laid off or demoted in lieu of layoff shall be placed on the reemployment list for the classification in which they were laid off.

Section 7. Regular status seasonal employees laid off prior to the end of the season shall be placed in order of seniority on the Agency layoff list for seasonal reappointment and shall be limited so as to encompass only those seasonal employees in a classification who are employed at that specific geographic location and the

Agency where the reduction occurs. The eligibility for such seasonal employees shall be canceled at the end of each season. At the completion of a season, all seasonal employees shall be terminated without regard to seniority.

Section 8. Any employee demoted in lieu of layoff may request at that time and shall be paid for all accrued compensatory time at the rate being earned prior to demotion in lieu of layoff.

Section 9. Agency Layoff Lists. Names of regular employees of the Agency who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, or employees transferred outside State government due to intergovernmental transfers, shall be placed on layoff lists in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible workload limited duration employees of the Agency, who have separated from the service of the State in good standing by layoff or who have demoted in lieu of layoff, shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off or demoted in lieu of layoff and by geographic area.

Names of eligible non-workload limited duration employees shall be placed on appropriate Agency layoff list in seniority order established by the classification from which the employee was laid off and by geographic area.

The employee shall designate in writing the geographic area layoff list(s) on which he/she wishes to be placed.

An employee currently on a layoff list prior to the effective date of this Agreement, shall be placed on the geographic layoff list from which he/she was laid off and shall be notified by the Agency of his/her right to designate additional geographic layoff list(s) in accordance with this Article.

Section 10. Recall. Employees who are on an Agency layoff list shall be recalled by geographic area in seniority order beginning with the employee with the greatest seniority.

- (a) **Same Geographic Area Recall/Recall to a Permanent Position.** If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in the geographic area from which he/she demoted or was laid off, he/she shall have one (1) right of refusal. Upon a second refusal, however, the employee's name will be removed from the layoff list in that geographic area.
- (b) **Different Geographic Area Recall/Recall to a Permanent Position.** If an employee (permanent or limited duration) is certified from a layoff list and is offered a permanent position in a different geographic area from which he/she demoted or was laid off, he/she shall have one (1) right of refusal. Upon a second refusal, which must be more than fifteen (15) days after the first refusal, the employee's name will be removed from the layoff list for that geographic area. An employee who has other refusals during this fifteen (15) day period shall not have his/her name removed from the list.
- (c) An employee appointed to a permanent or seasonal position from a layoff list shall be removed from all other layoff lists for that classification.
- (d) When an employee is laid off because of being separated from state service per Section 2(d)(4) of this Article, moving expenses will be paid once by the

Agency, except for recall of employees transferred outside State government due to intergovernmental transfer. In other words, moving expenses will be reimbursed only when that employee has in fact, left State service and is called back from the layoff list to a geographic area other than the one in which he/she was laid off. Moving expenses will not be paid by the Agency for any other moves associated with displacement, demotion, or return from a layoff list.

- (e) If a temporary appointment is necessary in any geographic area and is expected to last longer than forty-five (45) days and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the temporary appointment prior to hiring any other temporary. Refusal of a temporary job does not constitute a right of refusal under this Section. This shall only apply to employees separated from State service. Such employees shall be appointed as a temporary employee and will not be eligible for any benefits covered under this Agreement.
- (f) If a limited duration appointment is necessary in any geographic area and is expected to last longer than ninety (90) days, and there is a layoff list for that classification in the geographic area, employees on the layoff list shall first be offered the limited duration appointment prior to hiring any other limited duration employee. Refusal of a limited duration appointment does not constitute a right of refusal under this Section.

Section 11. Secondary Recall Rights.

- (a) Application: These rights apply to all employees and Agencies represented by the Union except employees who are laid off during initial trial service.
- (b) Definitions:
 - (1) Geographic areas are the groupings of work locations in event of layoff and the scope of recall rights after a layoff as defined in the Agency-specific provisions of Articles 70.1, 70.2, 70.3, and 70.5.
 - (2) Agency Layoff Lists are intra-Agency layoff lists, as defined in Article 45, Section 2(a), and as further defined by geographic areas for layoff for each Agency in Articles 70.1, 70.2, 70.3, and 70.5.
 - (3) Secondary Recall List is an inter-Agency layoff list, which consists of regular status employees who have been separated by layoff from Union-represented positions in Union-represented Agencies and who have elected to be placed on such list, consistent with the definitions of geographic areas for layoff for each Agency in Articles 70.1, 70.2, 70.3, and 70.5.
- (c) Coordination with Articles 45 and 70: The recall options provided herein shall be consistent with the priority of recall to positions from layoff within an Agency, as specified in this Article and Article 45, except that recall from Agency Layoff Lists shall take precedence over recall from the Secondary Recall List.
- (d) Procedures:
 - (1) Placement on the Secondary Recall List.
 - (A) Regular status employees and eligible workload limited duration employees, who are separated from the service of the State in good standing by layoff or transferred outside State government due to intergovernmental transfer shall, in addition to their right to be placed on Agency Layoff Lists, be given the option of electing placement on the Secondary Recall List by

geographic area for other SEIU Local 503, OPEU-represented Agencies which utilize the same classification from which they were laid off. The term of eligibility of candidates placed on the list shall be two (2) years from the date of placement on the list or the termination of this Agreement whichever occurs first.

(B) Employees who elect to be placed on the Secondary Recall List shall specify in writing the Agencies and geographic areas of their choice.

(2) Use of the Secondary Recall List.

(A) Notwithstanding any other provision regarding the use of the Secondary Recall List, designated individuals on the secondary list may be given first preference for appointments to positions in order to ensure adequate numbers of protected class employees, based on the goals of the Affirmative Action Plan developed by the Agency effecting the recall, consistent with applicable law.

(B) After the exhaustion of any Agency Layoff List for a specific classification within a geographic area, the Secondary Recall List shall be used to fill all positions within a specific classification and geographic area consistent with Section (c) above, until such secondary list is exhausted.

(C) To be eligible for appointment from the Secondary Recall List, a laid off employee on such list must meet the minimum qualifications for the classification and any special qualifications for the position.

(D) Agencies shall utilize the Secondary Recall List to fill positions by calling for certifications from the list of the five (5) most senior employees who meet the minimum qualifications for the classification and any special qualifications for the position to be filled by selecting one of the five (5) so certified. Seniority for this purpose shall be computed as described in Section 4 of this Article.

(E) Where fewer than five (5) eligible employees remain on the Secondary Recall List, the Agency shall select one (1) of these employees who meets the minimum qualifications for the class and any special qualifications for the position.

(3) Appointments/Refusals of Appointments from the Secondary Recall List.

(A) Recall to a Permanent Position. A laid off regular status or eligible workload limited duration employee on the Secondary Recall List who is offered a permanent appointment from the list and refuses to accept the appointment shall have his/her name removed from the Secondary Recall List.

(B) Employees appointed to positions from the Secondary Recall List shall have their names removed from all other Agency Layoff Lists and the Secondary Recall List.

(C) Employees appointed to positions from the Secondary Recall List shall serve a trial service period not to exceed three (3) full months. Administration of the trial service period shall be consistent with Sections 2, 4, and 5 of Article 49. However, employees who fail to successfully complete this trial service period shall have their names restored only to the Agency Layoff Lists on which they previously had standing. Restoration to the Agency Layoff List shall be for the remaining

period of eligibility that existed at the time of appointment from the Secondary Recall List.

(D) Employees appointed to positions from the Secondary Recall List shall not be entitled to moving expenses.

Section 12. Geographic Area. See Articles 70.1-70.5.

Section 13. When the Employer declares that a lack of funds will necessitate a layoff, the Parties will meet, if requested by either the Employer or the Union, to consider such alternatives to layoffs as: voluntary reductions in hours; voluntary paid leaves of absence; other voluntary programs and/or temporary interruptions of employment. Such alternatives shall be subject to mutual agreement by the Union and the Employer. In the absence of such mutual agreement, the Employer may implement layoff procedures consistent with this Agreement. The Parties agree that any and all discussions that take place under this Section shall not be subject to Article 5--Complete Agreement of this Agreement, or constitute interim negotiations under PECBA. In addition, the Parties will not be required to use the dispute resolution processes contained in PECBA.

Section 14. Prior to transferring a program to an Oregon non-profit corporation that is not a PERS participant, a regular status employee shall be afforded layoff and bumping rights.

ARTICLE 71--SEASONAL AND INTERMITTENT EMPLOYEES

Section 1. Positions which occur, terminate, and recur periodically and regularly, regardless of the duration thereof, shall be designated as seasonal positions.

Section 2. Seasonal employees will complete trial service after having served a combination of seasonal periods totaling six (6) full calendar months (a minimum of 1,040 hours).

Section 3. A regular status seasonal employee shall be eligible for a salary increase upon returning to the same Agency in the same classification the next annual season regardless of the length of the period of time that has lapsed since the previous six (6) month or annual increase granted. "Annual season" means a period of twelve (12) months, regardless of the number of seasons occurring during that period.

Section 4. A seasonal employee shall be given notice at the time of hire of the length of the season and the anticipated end of the season. A seasonal employee shall be given at least ten (10) calendar days advance notice of the end of the season, except when conditions are beyond the control of the Agency. (See also Article 70, Section 7.)

Section 5. Regular status seasonal employees terminated at the end of the season shall be placed on the reemployment roster in order of seniority and shall be recalled by geographic area the following season in order of seniority to the extent that work is available to be performed. Such recall rights shall not apply to regular status seasonal employees who work full-time in another state Agency.

Section 6. Seasonal employees shall accrue all rights and benefits accrued by full-time employees during their

employment season, except as otherwise modified by this Agreement.

Section 7. Employees in seasonal positions who have reached regular status and who are not participating members of the Public Employees Retirement System shall receive a special differential in lieu of the state "pickup" of employee contributions to the Retirement System. Such special differential shall not increase pay rates in the Compensation Plan or be applicable to other seasonal, temporary, trial service, or regular positions or employees. Such special differential shall terminate immediately prior to the first full pay period after the employee becomes a participating member of the Retirement System and becomes eligible for State "pickup" of employee contribution to the System, pursuant to Article 27.

An employee shall receive a premium of six percent (6%) in addition to their regular rate of pay. This premium shall be discontinued in the event that the PERS "six percent (6%) pick-up" is discontinued, pursuant to Article 27 of the Agreement.

Section 8. Intermittent Appointments.

- (a) Only the following seasonal, part-time, or unfunded positions may be designated as intermittent positions in that work assigned to these positions is available on an irregularly fluctuating basis because of conditions beyond the control of the Appointing Authority: Employment Department, DHS Children, Adult, and Family-related services and programs, OYA Administration and Field Services (on-call and unfunded positions), Department of Forestry (co-op positions, Phipps Nursery, and Schroeder Seed Orchard), Department of Education (relief workers at the School for the Deaf).
- (b) A person appointed to an intermittent position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as an intermittent position and that the employee may expect to work only when work is available. A person who is appointed to an intermittent position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.
- (c) The unscheduling of an employee appointed to an intermittent position shall not be considered a layoff. Whenever possible, an intermittent employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be unscheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging intermittent employees.
- (d) Intermittent employees will be scheduled and unscheduled for work in seniority order by work unit.
- (e) Except as specifically modified above, intermittent employees shall have all the rights and privileges of seasonal employees.

ARTICLE 71.1C--SEASONAL POSITIONS

(Employment Department)

Section 1. Workload for the Employment Department is directly related to the economy of the State; therefore, workload peaks occur that are beyond the control of the Agency. Positions that are to respond to workload peaks, are designated as seasonal positions. This Agreement is

subject to Legislatively approved position authority.

Section 2. Seasonal employees will complete trial service after having served 1,040 hours.

Section 3. A person appointed to a seasonal position during the term of this Agreement shall be informed in writing at the time of appointment that the position has been designated as a seasonal position and that the employee may expect to work only when work is available. A person who is appointed to a seasonal position may be scheduled for work at the discretion of the supervisor when the workload for the position so justifies without any penalty pay provision for short notice.

Section 4. The unscheduling of an employee appointed to a seasonal position shall not be considered a layoff. Whenever possible, a seasonal employee shall be given ten (10) calendar days notice of scheduling and unscheduling of work. When such notice cannot be given, such employees may be scheduled without advance notice. The Agency shall not use unscheduling of work as a method of unofficially disciplining or discharging seasonal employees.

Section 5. Seasonal employees will be scheduled and unscheduled for work in seniority order by work unit.

Section 6. Seasonal full-time employees shall accrue all rights and benefits accrued by full-time permanent employees during their employment season. Seasonal part-time employees shall accrue all rights and benefits accrued by permanent part-time employees during their employment season, except as otherwise modified by this Agreement.

Section 7. Employment status conveyed to outside interests (such as lending institutions) by management will reflect duration of employment rather than status of employment.

ARTICLE 71.5N--SEASONAL EMPLOYEES (Revenue)

Section 1. Intent. The purpose of this Article is to clarify what seasonal employees may expect when called to work by Revenue. Nothing in this Article guarantees an eight (8) hour workday. However, the Agency agrees to make the following efforts to match available work with the number of employees called in.

Section 2. Procedure.

- (a) At the beginning of the season, employees will be called back to work in seniority order. When offering a position, the Employer will inform the employee of the number of hours each area/unit worked the previous year. Employees will have the right to turn down a position or start date once.
- (b) Once seasonal employees are called in, if it becomes necessary to release employees due to lack of work, the Agency will offer suitable work where available, in other areas/units, on the basis of seniority. Seasonal employees will be unscheduled prior to releasing or reducing the hours of permanent part-time employees.
- (c) When it becomes necessary to release some seasonal employees due to lack of work, but not all seasonal employees, the Agency will first ask for volunteers. If there are not enough volunteers, the employees will be released in reverse seniority order. In instances where there may be excess volunteers, unscheduling will occur based on seniority within the area/unit. In cases where employees are notified not to report to work prior to their normal reporting time, the Agency will not be required to ask for volunteers. Instead, employees

will be unscheduled in reverse seniority order.

- (d) In instances where a seasonal employee has insufficient vacation or compensatory time to cover the period the employee is released, the Agency agrees to continue the employee's eligibility for purposes of insurance. Employees must exhaust available vacation and compensatory time to be eligible for this benefit. This provision will not apply in an instance where an employee is offered suitable work and turns it down. This provision applies only to those seasonal employees who would have, but for being unscheduled, reached the eighty (80) hour threshold.

ARTICLE 73.5A--ACADEMIC YEAR (OSD Only)

Section 1. The Agency may designate positions as academic year, when the employment term of such positions conforms generally to the school or academic year. Such designation shall not preclude the extension of employment, either full- or part-time, into the period between two (2) school or academic years.

Section 2. Employees in positions designated as academic year may utilize accrued leave in accordance with the provisions set forth in this Agreement.

Section 3. Summer employment, when available, will be offered to qualified employees in academic year positions according to layoff service date. Summer employment will be offered to such qualified employees as soon as it is determined by management to go forward with the summer work assignment in question. Employees working during the period between two (2) school or academic years will be paid according to the classification of the work being performed. If the employee's current salary rate is within the salary range of the classification of work being performed, the employee's salary rate will not change. If the employee's current salary rate is below the salary range of the classification of work being performed, the employee will be paid at Step 1 of the salary range of the classification of work being performed. If the employee's current salary rate is above the salary range of the classification of work being performed, the employee will be paid at the top step of the salary range of the classification of work being performed.

Section 4. The State agrees to pay PEBB medical/dental insurance Employer contributions during the summer months for all employees in full-time academic year positions who are eligible for PEBB insurance coverage.

For eligible employees in part-time academic year positions, the Employer contributions for June, July, and August will be prorated based on May hours worked. For eligible employees in part-time academic year positions, additional employee contributions, if required, for June, July, and August will be prorated based on May hours worked and will be deducted from May paychecks. An employee may choose, however, not to have summer PEBB coverage by submitting written notice to this effect, to the payroll office prior to May 20 for that academic year.

ARTICLE 74--TEMPORARY INTERRUPTION OF EMPLOYMENT--LACK OF WORK

Section 1. Any temporary interruption of employment because of lack of work or unexpected or unusual reasons which does not exceed fifteen (15) days, shall not be considered a layoff if, at termination of such conditions, employees are to be returned to employment. Such interruptions of employment shall be by work unit and

recorded and reported as leave without pay. Under no circumstances shall this Article be used to remedy shortage of funds.

Section 2. An employee who is affected by a temporary interruption of employment shall be allowed to use any form of paid leave including vacation, compensatory time off, or personal leave provided the leave has been accrued. Such employee shall continue to accrue all benefits during this period. This Section shall only apply to FLSA-exempt employees where the interruption is for one (1) or more full workweek(s).

Section 3. For periods longer than fifteen (15) days, the Appointing Authority shall follow the procedures described in Article 70--Layoff. In instances where temporary interruption of employment is an established practice that the Agency used in connection with cyclical or scheduled shortage of work for more than fifteen (15) days, such practice may continue. Provided, however, that when such periods are for longer than fifteen (15) days, the Appointing Authority shall use seniority of employees by classification in the affected work unit in determining employees to be placed on leave without pay. The Appointing Authority will determine the work unit in each instance. If all such employees available for work cannot be returned to their positions, seniority shall be used to determine the order of recall.

ARTICLE 80--CHANGE IN CLASSIFICATION SPECIFICATIONS

Section 1. The Employer shall notify the Union of intended classification studies.

Section 2. The Union may recommend classification studies be conducted by the Labor Relations Unit, indicating the reasons for the need of such studies. The Labor Relations Unit shall reply, setting a preliminary date for completion of the study or explaining the reasons for a decision not to conduct such a study within ninety (90) days of receipt of the request.

Section 3.

- (a) Whenever a change in classification specifications or a new classification is proposed, it is agreed that the Labor Relations Unit shall submit the classification specification changes to the Union to provide it an opportunity to review and comment on the specifications. If the changes of the specifications substantially revise the specifications, the Parties shall negotiate the salary range for the newly revised specification.
- (b) When the Union requests a classification study, negotiations for salary ranges for new classifications shall commence no later than ninety (90) days following the Employer's written notification to the Union of the finalization of the class specification.
- (c) Proposals for the salary rate and effective date for changes in classification specifications may be submitted throughout the term of this Agreement. If the Parties are able to reach agreement, the new classification will be implemented. Any classes on which salary is not agreed can be submitted with overall proposals for a successor Agreement.

**ARTICLE 81--RECLASSIFICATION UPWARD,
RECLASSIFICATION DOWNWARD, AND
REALLOCATION**

For purposes of contract administration, see Letter of Agreement that affects employees who have Salary Eligibility Dates and who are not at the top step of their pay ranges.

Section 1. Reclassification must be based on findings that the purpose of the job is consistent with the concept of the proposed classification and that the class specification for the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities of the position. As used herein:

- (a) The purpose of the job shall be determined by the statement of purpose and assigned duties of the position description and other relevant evidence of duties assigned by the Agency;
- (b) The concept of the proposed classification shall be determined by the general description and distinguishing features of its class specification; and
- (c) The overall duties, authority and responsibilities of the position shall be determined by the position description and other relevant evidence of duties assigned by the Agency.

Section 2. Reclassification Up.

- (a) Reclassification upward is a change in classification of a position by raising it to a higher classification. Employees may seek reclassification to any non-supervisory or non-managerial classification in the Executive Branch (DAS) of government whether or not the classification is included in Appendix B of this Agreement provided that:

(1) the classification exists in the unrepresented compensation plan or in multiple bargaining units' compensation plans, and

(2) the classification is not specific to another Agency.

In the event that the proposed new classification is not in the bargaining unit, the classification shall be added to the SEIU Local 503, OPEU compensation plan at the Employer-proposed salary range. However, if the Employer-proposed range is lower than the classification salary range in another DAS compensation plan, the Parties will negotiate the salary range.

- (b) Employees may request reclassification by submitting a written explanation of the request, a Human Resource Services Division Position Description Form signed by the supervisor and employee, and all other relevant evidence for the proposed reclassification to the Agency Appointing Authority. Within sixty (60) days, unless otherwise mutually agreed in writing, the Agency shall review the merits of the request based on the final position description signed by the Appointing Authority. The Union shall be entitled during the sixty (60) day review period and prior to issuance of the Agency decision to meet with the Agency or to present further written arguments in support of the request. The Agency will notify the employee of its decision and provide a copy of the final position description signed by the Appointing Authority. Should the duties of the position support the proposed reclassification, the Agency shall make a determination whether to seek legislative approval for reclassification or remove selected duties within one-hundred twenty (120) days,

however, this time period may be extended upon mutual agreement of the Parties.

- (c) If approved by the Legislative Review Agency or the Department of Administrative Services, the effective date shall be the first of the month following the month in which the reclassification request was received by the Agency. The employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the effective date.
- (d) Rate of pay upon upward reclassification shall be given no less than the first step of the new salary range. If the old salary range rate of pay is equal to or higher than the first step of the new salary range, the employee shall receive a salary increase no less than an increase to the next higher step in the new salary range. At the discretion of management, the salary eligibility date may, in either case, remain the same or be established twelve (12) months thereafter.

If the reclassification upward is approved, the Agency may cease paying work out-of-classification pay or adjust the effective date of the reclassification to avoid overpayment of any work out-of-classification pay received by the employee.

- (e) If a reclassification request does not receive legislative approval or the Agency removes selected duties to be consistent with its current classification, the employee will receive a lump sum payment for the difference between the current salary rate, including work out-of-class pay if any and the proposed salary rate, for the time period beginning the first of the month following the month in which the reclassification request was received by the Agency to the date the duties were removed.

Section 3. Reclassification Down.

- (a) Reclassification downward is a change in the classification of a position by reducing it to a lower classification.
- (b) The Agency shall, sixty (60) calendar days in advance of a reclassification downward of any position, notify the employee in writing of the action, including the specific reasons, and the HRSD Position Description used for the action, which shall be signed by the Appointing Authority.
- (c) If an employee is reclassified downward and his/her rate of pay is above the maximum of the new classification, his/her rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee's salary shall be adjusted to that step.

If the employee's rate of pay is the same as a salary step in the new classification, the employee's salary shall be maintained at the same rate in the lower range.

If the employee's rate of pay is within the new salary range but not at a corresponding salary step, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range plus that amount that his/her current salary rate is below the

next higher rate in the salary range. This increase shall not exceed the highest step in the new salary range.

- (d) Employees who are reclassified downward for non-disciplinary reasons shall be given the same recall rights as employees demoted in lieu of layoff pursuant to Article 70 of this Agreement for reemployment to the classification from which they were reclassified downward.

Section 4. Reclassification Equal or Lateral.

- (a) Reclassification equal or lateral is a change in an employee's job classification from one classification to another with the same salary range base number.
- (b) Rate of pay upon equal or lateral reclassification shall be given no less than the first step of the new salary range.
- (c) If the employee's rate of pay is the same as a salary step in the new classification, the employee's salary shall be maintained at that rate in the new classification until the next salary eligibility date.
- (d) If the employee's rate of pay is within the new salary range but not at a corresponding salary step, the employee's salary shall be maintained at the current rate until the next eligibility date. At the employee's next eligibility date, if qualified, the employee shall be granted a salary rate increase of one (1) full step within the new salary range pay scale plus that amount the current salary rate is below the next higher rate in the salary range pay scale. This increase shall not exceed the highest rate in the new salary range.
- (e) If an employee's previous salary is above the maximum of the new classification, his/her rate of pay will remain the same until a rate in the salary range of the new classification exceeds it, at which time the employee's salary range shall be adjusted to that step.

Section 5. Reclassification Appeals.

- (a) Filing.

Reclass Upward. A decision of the Agency to deny a reclassification request may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency's decision. Such appeal shall include copies of the documents originally provided to the Agency Appointing Authority, including, the written explanation, the position description signed by the Appointing Authority, and all other relevant evidence for the proposed reclassification. No new evidence or information will be considered by the Committee.

Reclass Down. Within thirty (30) calendar days from the date the employee receives notice that the Agency will reclassify his/her position downward, he/she may grieve this action by filing a grievance at the Agency Head level in the grievance procedure, providing a written explanation of the request and all relevant evidence demonstrating why the reclass is in conflict with Article 81, Section 1. The Agency Head shall respond in writing in accordance with the appropriate time limits contained in the Agency grievance procedure. A decision of the Agency to deny a grievance under this Article may be appealed in writing by the Union to DAS Labor Relations for further review within thirty (30) calendar days after receipt by the Union of the Agency's decision. Such appeal shall include copies of the documents originally provided to the Agency, including the written explanation of the

request and all relevant evidence. No new evidence or information will be considered by the Committee.

- (b) Once appealed to DAS Labor Relations, the matter shall be considered by the Employer designee (or the alternate) and the Union designee (or the alternate) who shall form the Committee charged with the responsibility to consider appeals pursuant to this Article and make decisions which maintain the integrity of the classification system by correctly applying the classification specifications. Each designee (and each alternate) shall have experience making classification decisions.

Should the Union designee or the Union alternate be a bargaining unit member, to participate in the process, that employee shall be granted reasonable paid release time during their scheduled workday or a mutually-agreed alternate work schedule. Further, where the Union designee or the Union alternate is a bargaining unit member and the Employer believes the time required by the process presents a hardship for the employing Agency, the Employer may require the Union to designate a qualified replacement for the Committee. Either Party may discontinue this part of the appeals process upon two (2) weeks notice to the other.

The designees will attempt to resolve the matter by jointly determining whether the current or proposed class more accurately depicts the overall assigned duties, authorities, and responsibilities of the position using the criteria specified in Article 81, Section 1. In this process each of the designees may identify one (1) alternate class that he/she determines most accurately depicts the purpose of the job and overall assigned duties. If an alternate class is identified, both the Union and DAS Labor Relations shall be notified. If the Parties concur on the alternate class, that shall end the appeal. The Committee will send a written initial decision to the Agency and Union within sixty (60) days from receipt, which will include the reasons for its decision. The Agency or the Union may ask the Committee to reconsider its decision by sending a written reconsideration request which must be based on incorrect or incomplete information in the initial decision. Additional or new evidence/information will not be considered by the Committee. The reconsideration request must be received by DAS Labor Relations within fifteen (15) calendar days from the date of receipt of the decision. If there is no timely request for reconsideration, the Committee's decision will be final and binding. A copy of the reconsideration request will be provided to the other party, who will have the opportunity to provide a written rebuttal to the reconsideration request, which must be received by DAS Labor Relations within fifteen (15) calendar days from date of receipt. The Committee will reconsider its initial decision and issue a final decision within forty-five (45) calendar days from the date of receipt by DAS Labor Relations of the reconsideration request. In the event the Committee concludes that the proposed or alternate class is more appropriate, management retains the right to modify the work assignment on a timely basis to make it consistent with the Agency's allocation.

- (c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through

notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.

- (d) If these efforts do not result in resolution of the matter within sixty (60) days of the appeal to DAS Labor Relations, or from the extension, then the Union may request final and binding arbitration under this clause of the Agreement by a written notice to DAS Labor Relations within the next forty-five (45) calendar day period. Except as specified in this Section, arbitration shall proceed as indicated in Article 21--Grievance and Arbitration.

Each Party may go forward with only one (1) class. Each Party may choose to take to arbitration either the current class, class appealed to, or an alternate class identified by a committee member.

The Parties will agree upon a permanent appointment of one (1) arbitrator to hear grievances arising from this Article. This arbitrator shall have special qualifications to hear these matters; however, each side retains the right to initiate a change in that assignment upon notice to the other side. The change in the assigned arbitrator shall be effective for any case not yet scheduled for arbitration.

The arbitrator shall allow the decision of the Agency to stand unless he/she concludes that the proposed classification more accurately depicts the overall assigned duties, authority, and responsibilities using the criteria specified in Section 1.

In the event the arbitrator finds in favor of the proposed or alternate classification, management retains the right to, on a timely basis, adjust duties consistent with its current classification.

Section 6. An incumbent employee who appealed his/her classification allocation to a final decision through the classification appeals boards as part of the new class system implementation which was effective April 1, 1990, or who has appealed a reclass decision to final decision through the Committee or through an arbitration since that date, shall not be eligible to either submit a new reclassification review request or to be reclassified downward by management, unless a change of assigned duties has occurred since that decision or a revised classification has been adopted.

Section 7. An employee's classification status change from a Management Service classification to a represented classification may correctly occur through reclassification where it is found that there has been a significant change of position duties, authority, and responsibilities, and as a consequence, the class specification for the proposed classification more accurately depicts the assigned duties, authority, responsibility, and distinguishing characteristics of the position.

Section 8. Reallocation Appeal Process for New Classes. Employees in positions allocated to a new classification, who dispute their placement in a new classification can appeal their placement using the following process:

- (a) An appeal may be filed by an individual employee or a Steward or a Union Organizer on behalf of the employee, to the Agency Human Resource Office within thirty (30) calendar days of written notification by the Agency of placement into the new classification.

Employees sharing the same or substantially similar position descriptions or employees the Agency agrees to treat as a group may file an appeal as a group. The initial filing should describe the individual or group, including the names of affected members, identify the proposed new classification placement, and the new classification placement believed to be correct by the affected employees. The appeal must include the signed position descriptions used for allocation. In the event that the old classifications are to be abolished, correct placement cannot be back to the prior classification. Using the criteria in Section 1, the Agency shall conduct a review of the allocation. This decision shall be made within thirty (30) calendar days of receipt of the appeal and provided to the affected employees in writing and with a summary of the classification analysis.

- (b) If denied, the Union may appeal the Agency's decision in writing to DAS Labor Relations within thirty (30) calendar days of receipt of the written denial. The appeals will be considered by designees of the Parties using the process set forth in Section 5(b), with the addition of two (2) resource persons, one (1) designated by each Party, to provide technical expertise within the specific series. Appeals shall be decided in order of receipt by DAS Labor Relations. Decisions shall be rendered by the designees no later than sixty (60) calendar days after receipt of the appeal by the Committee.
- (c) The Committee may extend, up to thirty (30) days, the time to issue its decision to the Union through notification to the Parties. The Committee may request an additional extension of time to issue its decision to the Union, which, if agreed to, must be stipulated in writing with copy to DAS Labor Relations and shall become part of the grievance record.
- (d) The decisions of the designees shall be binding on the Parties. However, Agencies may elect to remove duties consistent with this Article or at any point during the process.
- (e) If the appeals Committee cannot make a decision, the matter may be appealed to arbitration per Section 4(c) of this Article.
- (f) The effective date for pay changes shall be the same as that negotiated for implementation of the new classification.
- (g) Appeals of all filled positions will occur first. Where a position is vacated during the appeals process, the Union may continue the appeal provided no changes in duties are anticipated.

ARTICLE 85--POSITION DESCRIPTIONS AND PERFORMANCE EVALUATIONS

Section 1. Position Descriptions. Individual position descriptions shall be reduced to writing and delineate the duties currently assigned to an employee's position. A dated copy of the position description shall be given to the employee upon assuming the position and when the position description is amended. The individual position description shall be subject to at least an annual review with the employee. Nothing contained herein shall compromise the right or the responsibility of the Agency to assign work consistent with the classification specification.

Section 2. Performance Evaluations. The rater shall discuss the performance evaluation with the employee.

The employee shall have the opportunity to provide his/her comments to be attached to the performance evaluation. The employee shall sign the evaluation and that signature shall only indicate that the employee has read the evaluation. A copy shall be provided the employee at this time. If there are any changes or recommendations to be made in the evaluation after the rater has discussed it with the employee, the evaluation shall be returned to the rater for discussion with the employee before these changes are made. The employee shall have the opportunity to comment on these changes. The employee shall sign the new evaluation and that signature shall only indicate that the employee has read the evaluation. A copy shall be provided the employee at this time.

All written comments provided by the employee within sixty (60) days of the evaluation shall be attached to the performance evaluation. Performance evaluations are not grievable nor arbitrable under this Agreement nor shall they be used for purposes of disciplinary action, layoff, and annual eligibility date performance pay increases.

If an employee receives less than a satisfactory evaluation, the Employer agrees to meet with the employee within thirty (30) days of the evaluation to review, in detail, the alleged deficiencies.

Section 3. Seasonal Employees. Seasonal employees still on trial service should refer to Article 71, Sections 2 and 3 regarding salary increases.

Section 4. Denial of Performance Increase. The Agency shall give notification in writing of withholding of performance increases to all employees at least fifteen (15) days prior to the employee's eligibility date. When the performance increase is to be withheld, the reasons therefore shall be given in writing and will be subject to "just cause" standards. Any grievances for denial of annual performance pay increases will be processed under Article 20. If an annual increase is not granted on the eligibility date, the employee's eligibility date is retained no longer than eleven (11) months beyond the eligibility date. If the increase is subsequently granted within eleven (11) months, it shall be effective on the first of the following month and shall not be retroactive.

(For administration of performance increases, see Article 29.)

ARTICLE 86.1--WORKLOAD PRIORITIZATION

(Human Services Coalition)

Any employee may request assistance from his/her immediate supervisor in establishing or adjusting priorities in order to carry out his/her work assignment. The supervisor will take into account variables that impact the difficulty of assignments to the employee. The employee may request to have the response provided orally or in writing and the immediate supervisor will respond accordingly in a timely manner, unless such request is deemed to be inappropriate or excessive.

ARTICLE 90--WORK SCHEDULES

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. A regular work schedule is a work schedule with the same starting and stopping time on five/eight (5/8) hour days. A flexible work schedule is a work schedule which varies the number of hours worked on a daily basis, but not necessarily each day, or a work schedule in which starting

and stopping times vary on a daily basis, but not necessarily each day, but which does not exceed forty (40) hours in a workweek and is agreed upon in advance by the employee and the supervisor. An alternate work schedule is anything other than a regular work schedule or a flexible work schedule.

Provided, however, nothing in this Section is intended to prohibit management from changing an employee's flexible work schedule without an employee's consent where such a change is needed in the regular course of business and where the employee has been initially hired by management, or initially placed on a flexible work schedule, with the express understanding that the person hired or the employee so placed on a flexible work schedule is expected to work a flexible work schedule as a condition of his/her employment.

Section 2. An employee may request in writing to work any work schedule as defined in Section 1, or any alternate work schedule. No employee requests will be arbitrarily denied or rescinded.

Section 3. Except as may be specifically stated in Articles 90.1-90.5 or Section 2, the workweek is defined as the fixed and regularly recurring period of one-hundred sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods and the workday is the twenty-four (24) hour period commencing at the start of the employee's assigned shift and shall remain fixed at that period for the whole of the workweek, except for flexible work schedules.

ARTICLE 90T--WORK SCHEDULES

(Temporary Employees)

Section 1. A work schedule is defined as the time of day and the days of the week the employee is assigned to work. Management retains the right to modify work schedules.

Section 2. A workweek is defined as the fixed and regularly recurring period of one-hundred-sixty-eight (168) hours during seven (7) consecutive twenty-four (24) hour periods. The employee will be notified in writing when the workweek begins and ends.

Section 3. For work schedules of six (6) hours or more there shall be an established unpaid meal period of no less than thirty (30) minutes midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas shall have such time counted as hours worked.

Section 4. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate. Employees may be required to remain in the area and/or respond to emergencies during a rest period. If an employee cannot be relieved for a rest period, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies. Under no circumstances will unused rest periods be accumulated and used to reduce work time.

ARTICLE 90.1C--WORK SCHEDULES

(Employment Department)

Section 1. Workweek. The workweek shall begin at 12:01 a.m. Monday and end at 12:00 midnight the following Sunday.

Section 2. Alternate Work Schedules.

An employee may apply in writing for authorization to work an alternative schedule, for example four/ten (4/10) hour days. The employee's application must show that the following criteria can still be met before his/her application can be approved:

- (a) That his/her requested alternative (example four/ten (4/10)) schedule will not interfere with his/her ability and availability to perform the job;
- (b) That the operational needs of the Agency are met;
- (c) That the needs of the public are adequately served; and,
- (d) That a forty (40) hour workweek is maintained.

If, in fact, these criteria are met, the Agency shall grant the employee the agreed-upon alternative work schedule.

Requests for alternative work schedules shall be considered in order of application. If more than one (1) employee makes application for an alternative schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency if possible.

If at any time any of the above criteria cease to be met, the Agency may rescind its approval of an employee's alternative schedule.

Section 3. An employee may be allowed to work a flexible work schedule upon written approval of his/her request. No employee will be arbitrarily denied a flexible work schedule. Special consideration may be given to an employee who demonstrates an unusual hardship.

Section 4. Meal Period. Employees shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour unless mutually agreed otherwise. Meal periods shall be scheduled at approximately the mid-period of the workday.

Section 5. Rest Periods. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate.

Section 6. The Agency will encourage employees to modify their normal work hours within the workweek on an intermittent, temporary basis for personal and family needs, including medical appointments, compatible with operational needs of the Agency. Such requests are made and approved pursuant to Article 40, Section 4.

ARTICLE 90.1M--WORK SCHEDULES

(DHS Non-Institutions)

Section 1. Workweek. The workweek shall begin at 12:01 a.m. Monday and end at 12:00 midnight the following Sunday.

Section 2. Regular Schedule. An employee on a regular schedule will be scheduled for five (5) consecutive days of work and two (2) consecutive days off within the workweek. An employee may agree to a different scheduling of days off.

Section 3. Alternate Work Schedules.

(a) **Application Criteria.** An employee may apply in writing for authorization to work an alternate work schedule (e.g., four/ten (4/10) hour days, four/nines and a four (4/9's and a 4), etc.). The employee's application must show that the following criteria can still be met before his/her application can be approved:

- (1) That his/her requested alternate work schedule

will not interfere with his/her ability and availability to perform the job;

(2) That the operational needs of the Agency are met;

(3) That the needs of the public are adequately served; and,

(4) That a forty (40) hour workweek is maintained.

If, in fact, these criteria are met, the Agency shall grant the employee an alternate work schedule.

(b) **Multiple Requests.** Requests for alternate work schedules shall be considered in order of application. If more than one (1) employee makes application for an alternate work schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency if possible.

If at any time any of the above criteria cease to be met, the Agency may rescind its approval of an employee's alternate schedule.

(c) **Holiday Adjustment.** To meet the needs of the Agency during a holiday week, management may require an employee to revert their alternate work schedule to a regular schedule (five/eight (5/8) hour days). Otherwise, to maintain a forty (40) hour workweek, the employee may choose one of the following options:

(1) Voluntarily revert to a regular schedule; or

(2) When the holiday is on the scheduled day off, request a different day off and use vacation leave, personal leave or compensatory time for any hours over the eight (8) holiday hours; or

(3) When the holiday is within the employee's alternate work schedule, but not on the scheduled day off, use vacation leave, personal leave or compensatory time for any hours normally scheduled over the eight (8) holiday hours.

(4) When the holiday is on the employee's scheduled workday, and the employee works that day, the Employer will incur no daily overtime obligation for hours worked in excess of the eight (8) holiday hours. However, the employee will receive overtime compensation for all hours worked in excess of forty (40) hours in the same workweek.

Section 4. Flexible Work Schedule. An employee may be allowed to work a flexible work schedule upon written approval of his/her request. No employee will be arbitrarily denied a flexible work schedule. Special consideration may be given to an employee who demonstrates an unusual hardship.

Section 5. Request to Temporarily Modify an Existing Work Schedule. An employee may request a temporary modification of his/her work schedule (Regular, Alternate or Flexible) in accordance with Article 40--Penalty Pay, Section 4 modification of work schedule language.

Section 6. Meal Period. Employees shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour unless mutually agreed otherwise. Meal periods shall be scheduled at approximately the mid-period of the workday.

Section 7. Rest Periods. A paid rest period of fifteen (15) minutes in duration for an employee on a five/eight (5/8) work schedule or twenty (20) minutes in duration for an employee on a four/ten (4/10) work schedule should be taken about midway through each four (4) or five (5) hour work period, as appropriate.

ARTICLE 90.2A--WORK SCHEDULES

(OYA Youth Correctional Facilities and Camps)

Section 1. The workweek shall begin at 12:01 a.m., Saturday and shall end at 12:00 midnight the following Friday.

Section 2. Flexible or alternate work schedules shall be requested and evaluated on an individual basis. An employee shall be granted his/her request unless management determines that the requested schedule will adversely affect the work or services of the Institution. An employee's request for an alternate work schedule may be disapproved when, based on the employee's past performance, management determines that the employee needs continuing close supervision.

Section 3. Regardless of work hour schedules, there shall be an established lunch period midway in each workday. Employees who are not relieved from their work assignment and are required to remain in their work areas to supervise students when eating shall have such time counted as hours worked.

Section 4. An employee may request a work schedule other than currently in effect for his/her position. That request will be granted if management determines it can be accommodated without detracting from meeting the Institution workload and does not conflict with the shift vacancy provisions of Section 8 herein.

Section 5. All employees in the unit not on another schedule authorized under this Article shall be scheduled for five (5) consecutive days of work and two (2) consecutive days off (defined as a minimum of sixty (60) consecutive hours) within the workweek, unless the employee agrees to a different workweek.

Section 6. If the Institution changes the shift schedule of a twenty-four (24) hour operation in order to accomplish the mission of the Institution, work schedules of full-time employees may be changed if mutually agreed upon by the employee and his/her supervisor. In the event mutual agreement cannot be reached, the employee will be provided five (5) days notice of the change. Upon request, the Institution shall provide the reason for the shift schedule change in writing.

Section 7. Rest Periods.

- (a) Rest periods are fifteen (15) minutes in duration and should be taken about midway through each four (4) hour work period.
- (b) If an employee is on an uninterruptible assignment, or is unable to leave his/her work area unattended, the supervisor shall work out arrangements with other staff to provide temporary coverage where the current staffing permits. It is the responsibility of all supervisors to make provisions for each employee under their supervision to have appropriate rest periods.
- (c) Employees not covered in (b) should arrange with their supervisors to take their rest periods as provided in (a), but at such times as to avoid leaving any operational unit unstaffed.

Section 8. Shift Assignments Within Classification Series.

- (a) A shift vacancy is defined as an unfilled position, in a specified cottage or work unit of the Institution with specified starting and quitting times and days off. Institution is defined to recognize each juvenile correctional facility and each camp as separate facilities.

- (b) A shift vacancy shall be filled in the following order:

- (1) Employees within the cottage or work unit in the same classification as the shift vacancy shall be given at least five (5) days advance notice of, and the first opportunity to request, the shift vacancy. However, this notice period will end at the point the most eligible senior employee requests the shift vacancy. The most senior regular employee from the cottage or work unit who has the special qualifications to perform the job and who requests the shift vacancy shall be selected. Employees having a record of disciplinary action within six (6) months prior to the vacancy announcement shall not be eligible for transfer. Discipline is defined in Article 20--Discipline and Discharge, Section 1.

- (2) If no qualified employee from the cottage or work unit where the shift vacancy exists requests the shift vacancy, the vacant position will be filled according to Article 45.2A--Filling of Vacancies.

- (3) An employee whose request for shift assignment is granted shall not be eligible to utilize the procedure of Section 8(b) to request another shift assignment within the following nine (9) months.

ARTICLE 90.2C--WORK SCHEDULES (OSH)

Section 1. For employees with a workweek with fixed days off, the workweek shall begin at 12:01 a.m., Sunday and end at 12:00 midnight the following Saturday. All full-time employees shall be placed on a regular schedule of five (5) consecutive days of work and two (2) consecutive days off, except where an alternate schedule is necessary to meet the operating needs of the Institution, including but not limited to vacation relief assignments, Recreation Specialists or Rehabilitation Therapists, and to fill vacant positions during the job bidding process, or where an alternate work schedule is mutually agreed to by the majority of employees affected and the Institution. The Employer maintains the right to change days off. However, when such a change occurs, the employee may request a lateral transfer pursuant to Article 45.2C,E,G. Under this circumstance provisions of Section 2(b)(4) will be waived.

Section 2. For employees with a workweek with rotating days off, the workweek will consist of one-hundred sixty-eight (168) consecutive hours. Section 4. Employees who are not relieved from their work assignments for eating shall have such time counted as hours worked.

Section 5. Cleanup Time.

Time for cleaning equipment shall be considered as part of the employee's workday.
- (b) Portland Campus Only: Whenever an employee or his/her clothing becomes soiled during an accident or

incident during the workday and that soiling is offensive, the employee shall be allowed time as soon as possible to clean himself/herself. No overtime shall accrue for such cleanup time.

Section 6. Rest Periods. The Institution shall provide each full-time employee with two (2) fifteen (15) minute rest periods during the workday. They should be scheduled near the middle of the work periods before and after scheduled meal periods and be scheduled to prevent critical understaffing. Whenever possible, employees should be allowed to take their rest periods away from their immediate work area. Under no circumstances will unused rest periods be accumulated and used to reduce work time. If an employee cannot be relieved for a rest break, that employee shall be allowed to take a break in the work area or near the work area without interruption except for emergencies.

Section 7. Salem Campus Only. Food service employees will be provided one (1) meal per shift at no cost.

Section 8. Weekend Scheduling (LPNs) Salem Campus Only. Licensed Practical Nurses will be scheduled for not more than seven (7) weekends, of which no more than two (2) will be successive, in a thirteen (13) week calendar quarter unless individual employees request in writing to work more weekends. LPNs who have volunteered to work more than seven (7) weekends in a quarter may withdraw such authorization upon four (4) weeks written notice in advance of the next quarter. Exceptions to this provision may occur in the event the administrator of the Hospital or Outpatient Clinic declares a patient care emergency.

ARTICLE 90.2K--WORK SCHEDULES

(OYA Administration and Field Services)

All full-time employees shall be scheduled for five (5) consecutive days of work and two (2) consecutive days off (defined as a minimum of sixty (60) consecutive hours) within the workweek, unless the employee agrees to a different workweek.

ARTICLE 90.3A--WORK SCHEDULES (ODOT)

Section 1. Scheduling.

- (a) Employee work schedules shall be assigned by the Agency and be developed by the employee's immediate supervisor or team leader and posted monthly, seven (7) calendar days prior to the effective date of the schedule. The regular weekly workshift shall consist of a regular schedule of five (5) consecutive eight (8) hour days. The Agency may assign irregular shifts to meet operating requirements. An employee may request in writing an alternate or flexible work schedule. No schedule will be arbitrarily changed.
- (b) The workweek shall be the same as calendar week starting at 12:01 a.m., Monday and ending 12:00 midnight the following Sunday.
- (c) Employees shall receive sixty (60) consecutive hours off between each weekly work schedule; be scheduled for forty (40) hours of work within a span of one-hundred eight (108) hours; and work five (5) consecutive days. The preceding shall not apply in the following circumstances:
- (1) The employee is required to work overtime on a day off.
 - (2) Thirteen (13) times per calendar year when there is a change in schedules for crews assigned to a schedule of rotating days off.
 - (3) Twice a year when there is a seasonal change for crews where seasonal shift changes are required.
 - (4) As provided in Section 1(e) of this Article.
 - (5) When the employee's schedule is changed without the required notice and the employee receives schedule change penalty pay.
- (d) Employees assigned to crews which function on a three (3) shift, twenty-four (24) hour day basis, and who are performing relief duties, shall not be subject to the workday definition. However, Article 40.3--Work Schedule Premium Pay, of this Agreement remains applicable.
- (e) The Agency shall schedule work in such a manner that split time off is used only when:
- (1) Mutually agreed with the employee;
 - (2) It is necessary to use such scheduling to change shifts on an operation which currently functions on a twenty-four (24) hours a day, seven (7) days a week basis; or
 - (3) Flexible scheduling is necessary to fulfill the Agency's responsibility for truck weight regulations.
- (f) Motor Carrier Enforcement Officer Only. Each Motor Carrier Enforcement Officer work schedule shall include the following:
- (1) A minimum of twelve (12) hours between shifts;

(2) Split days off can be scheduled no more than once every fourteen (14) weeks.

- (g) DMV Only. The Agency may also assign flexible schedules to meet operating needs. In Field offices where regular work schedules require employees to work beyond 5:00 p.m. or on Saturday and Sunday, the schedule shall first be filled by the most senior employee who volunteers and is qualified to do the work needed, is in the classification, and at the affected office.

If there are no volunteers for the unfilled shift, the supervisor shall assign the position to the least senior employee in the affected classification at the affected office who has completed trial service and is qualified to do the work required.

All regular work schedules that require employees to work beyond 5:00 p.m. or on Saturday or Sunday shall be opened for reassignment as outlined above when a qualified replacement is available.

If during the life of this Agreement, the State substantially increases the number of Field offices with weekend hours, this Section may be reopened for negotiation.

The Employer will make a reasonable effort to accommodate employees who present written documentation of inability to work on Saturday only when based on a bona fide religious tenet or teaching of a church or religious body of which such employee is a member.

- (h) (1) Transportation Maintenance and Incident Response Employees Only: Shifts are assigned by the supervisor and where an employee volunteers for a shift, the employee will be assigned; subject, however, to the requirements of the Agency to have qualified employees on all shifts to provide the best service to the motoring public. When two (2) or more employees volunteer for the same shift, the shift will be assigned to the most senior employee qualified to work that shift within the classification.

When there are unfilled shifts that employees refuse to be assigned to and there are no volunteers, the supervisor will assign the shift to the least senior employee that is qualified to work that shift within the classification.

Seniority, for purposes of this Section, shall be calculated by adding total time worked in the Agency in a position represented by SEIU Local 503, OPEU and total time worked in the employee's present classification.

The provisions of this Section shall not apply when employees have been assigned to a specific shift for purposes of training. When an employee is assigned for purposes of training, the employee shall be informed of the reason for the training and the projected length of the training assignment.

Further, the provisions of this Section shall not apply to bumper, jump, or relief personnel.

(2) It is recognized that management retains the right to schedule work in the best interest of the Highway Division. This includes a determination of when a four/ten (4/10) schedule is appropriate. Nothing in this Agreement precludes the use of a four (4) day workweek. The Employer agrees to provide written information to employees which indicates the

situations in which four/tens (4/10s) would be most appropriate.

- (i) This Section shall not apply to Motor Carrier Enforcement Officer, Transportation Maintenance, and DMV employees. Shift assignments may consider seniority, subject to the requirements of the Agency to have qualified employees on all shifts. Should it be necessary to assign a more senior employee to a shift which he/she does not prefer, such assignment shall last for one (1) season and the vacancy on that shift shall then be rotated among all other senior employees to assure equitable distribution of the undesirable shift among all senior employees, provided there are other senior employees on the crew. Seniority, for purposes of this Section, shall be calculated by adding total time worked in the Agency in a position represented by SEIU Local 503, OPEU and total time worked in the employee's present classification.

Section 2. Four/Ten (4/10) Work Schedules--Holiday Weeks.

- (a) For DMV field offices, during any week involving a holiday, employees will be placed on a five (5) day, eight (8) hour schedule.
- (b) For all other employees working a four/ten (4/10) work schedule, and where a holiday falls on a scheduled day to work and they don't work, they will receive eight (8) hours of straight time pay and must use two (2) hours of accrued vacation, personal leave, compensatory time, or leave without pay.
- (c) For those employees working a four/ten (4/10) work schedule, and where the holiday falls on their scheduled day off and they don't work, they will receive an alternate eight (8) hours at the straight time rate to be taken off before the end of the next pay period, on a day mutually agreed between the employee and the supervisor. If the next pay period is unsuitable, the alternate eight (8) hours will be taken off before the end of the subsequent pay period, on a day mutually agreed between the employee and the supervisor. This Subsection also applies to employees whose regularly scheduled days off fall on Monday through Friday.

Section 3. Shift Exchange. Employees may mutually agree to exchange days, shifts, or hours of work with the approval of their supervisor provided such change does not result in the payment of overtime or penalty pay, or is a disruption of the normal routine of duties. Such requests shall not be considered as schedule changes.

Section 4. Lunch Periods.

- (a) A lunch period shall be scheduled as nearly as possible to the middle of the daily workshift. Adjustment to scheduled lunch period may be made subject to operational needs of the Agency or by mutual agreement between the employee and immediate excluded supervisor. DMV offices shall make reasonable effort to maintain scheduled lunch periods which shall be posted at least one (1) week in advance.
- (b) Employees who may not leave their stations and are required to continue working shall have such time counted as hours worked.

Section 5. Rest Periods. The Agency will grant rest periods whenever possible on a twice daily basis scheduled at the supervisor's discretion.

Rest periods shall not be more than fifteen (15)

minutes duration for every four (4) hours of work, and shall be taken as work will allow in the middle part of the work period. If the Agency requires a scheduled ten (10) hour day, then a rest period of twenty (20) minutes shall be taken in the middle of the five (5) hour period.

The Agency will attempt to relieve an employee during the rest period so that he/she may take rest periods away from his/her duty assignment; however, Field Crews will not be allowed to leave their worksite to travel to coffee shops, etc.

When the supervisor determines the rest period cannot be taken, the employee shall be allowed compensatory time at the rate of time and one-half (1 ½) to be taken at the end of the day or on another day, by mutual agreement between the employee and the supervisor.

(See Letters of Agreement in Appendix A.)

ARTICLE 90.3B--WORK SCHEDULES (OPRD)

Section 1.

- (a) The employee's work schedule will be assigned by the Agency and be developed by the employee's immediate excluded supervisor and posted monthly, seven (7) calendar days prior to the effective date of the schedule. No work schedule will be arbitrarily changed. The work schedule will consist of five (5) consecutive eight (8) hour days.

The Agency may assign irregular shifts or flexible shifts to meet operating requirements. An employee may request in writing an alternate or flexible work schedule. Except for meeting operating needs (i.e., overtime, staffing, emergencies, shift changes) Agency shifts shall include a minimum of twelve (12) hours between shifts.

- (b) The workweek shall be the same as a calendar week starting at 12:01 a.m. on Monday and ending at 12:00 p.m. the following Sunday.
- (c) Except when the employee works overtime or mutually agrees, employees shall receive sixty (60) consecutive hours off within a seven (7) day period.

The preceding shall not apply up to six (6) times a year when there is a seasonal shift change for crews.

- (d) During any calendar week involving a holiday, employees whose work schedule is four/ten (4/10) hour days and who have the holiday off shall receive eight (8) hours holiday pay and will use either two (2) hours accrued vacation, personal leave, compensatory time, or leave without pay. If the holiday falls on the employee's scheduled day off, the workday nearest the holiday shall be taken off.
- (e) The Agency shall schedule employees in such a manner that split time off is used only when:
- (1) Mutually agreed with the employee; or
 - (2) It is necessary to use such scheduling to change shifts on an operation currently functioning on a twenty-four (24) hours a day, seven (7) days a week basis.
- (f) Employees may mutually agree to exchange days, shifts, and hours of work with the approval of their supervisor provided such change does not result in the payment of overtime or penalty pay, or is a disruption of the normal routine of duties. Such request shall not be considered as a schedule change.
- (g) All lunch periods shall be taken as nearly as possible to the middle of the shift, and shall normally be taken during the fifth (5th) hour of the shift. Employees who

may not leave their work stations and are required to continue working shall have such time counted as hours worked.

- (h) The Agency will grant rest periods whenever possible on a twice a day basis scheduled at the supervisor's discretion.

Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work, and shall be taken as work will allow in the middle part of the work period. If the Agency requires a scheduled ten (10) hour day, then a rest period of twenty (20) minutes shall be taken in the middle of the five (5) hour period.

The Agency will attempt to relieve an employee during the rest period so that he/she may take rest periods away from his/her duty assignment; however, Field Crews will not be allowed to leave their worksite to travel to coffee shops, etc. When the supervisor determines the rest period cannot be taken, the employee shall be allowed compensatory time at the rate of time and one-half (1 ½) to be taken at the end of the day or on another day at the supervisor's discretion.

- (i) Shift assignments may consider seniority, subject to the requirements of the Agency to have qualified employees on all shifts. Should it be necessary to assign a more senior employee to a shift which he/she does not prefer, such assignment shall last for one (1) season and the vacancy on that shift shall then be rotated among all other senior employees to assure equitable distribution of the undesirable shift among all senior employees, provided there are other senior employees on the crew. Seniority, for purposes of this Section, shall be calculated by adding total time worked in the Agency in a position represented by SEIU Local 503, OPEU and total time worked in the employee's present classification.

ARTICLE 90.3C--WORK SCHEDULES (Forestry)

Section 1. Subject to operating requirements, the Agency shall observe a five (5) day workweek with two (2) consecutive days off per workweek. For employees of the Department of Forestry, the workday is the twenty-four (24) hour period commencing at 0001 hours and ending at 2400 hours. It is further the intent of the Agency to give employees advance notice of work schedule changes. In keeping with this intent, the Agency will attempt to give employees twelve (12) hour prior notice of work schedule changes. A consecutive Sunday and Monday off will be considered to have met the intent of two (2) consecutive days off per workweek.

Section 2. District Foresters and Staff Supervisors shall have authority to determine work schedules for employees under their supervision. During those periods when a seven (7) day week operation is required, staggered work schedules may be scheduled as necessary. For purposes of this Section, a work schedule is the five (5) consecutive days an employee is scheduled to work.

Section 3. On Call. This is a situation where a supervisor requires an employee to advise him/her of his/her general location and how he/she can be reached. During this off-duty period the employee may leave his/her official station or residence. He/she is free to conduct his/her personal matters without restriction. He/she will receive no overtime credits for this arrangement.

Section 4. All lunch periods shall be taken as nearly as possible to the middle of the shift, and shall normally be taken during the fifth (5th) hour of the shift. Employees who may not leave their work stations and are required to continue working shall have such time counted as hours worked. Employees who may not leave their duty station and are not required to continue working shall not have such time counted as hours worked.

Section 5. Travel Time. Travel to and from work projects, staff meetings, and training sessions which an employee is directed to attend is time worked, except for organized crews such as tree planting, pre-commercial thinning, and hand release crews. Organized crews will be authorized overtime for any travel time in excess beyond the eight (8) hour day plus one (1) hour travel on the employee's own time.

Section 6. Employees may mutually agree to exchange days, shifts, or hours of work with the approval of their supervisor provided such change does not result in the payment of overtime, penalty pay, or shift differential, or is a disruption of the normal routine of duties. Such requests shall not be considered as schedule changes.

Section 7. During any calendar week involving a holiday, crews working an alternate schedule shall be placed on an eight (8) hour, five (5) day schedule unless all members of the crew and the District Forester agree to remain on an alternate schedule during said calendar week.

Section 8. The workweek shall be the same as a calendar week starting at 12:01 a.m. on Monday and ending at 12:00 p.m. on the following Sunday.

Section 9. The Agency will grant rest periods whenever possible on a twice a day basis scheduled at the supervisor's discretion.

Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work, and shall be taken, as work will allow, in the middle part of the work period. If the Agency requires a scheduled ten (10) hour day, then a rest period of twenty (20) minutes shall be taken in the middle of the five (5) hour period.

The Agency will attempt to relieve an employee during the rest period so that he/she may take rest periods away from his/her duty assignment; however, Field Crews will not be allowed to leave their worksite to travel to coffee shops, etc.

When the supervisor determines the rest period cannot be taken, the employee shall be allowed compensation at the rate of time and one-half (1 ½), to be taken or accrued as provided in Article 32.3--Overtime.

ARTICLE 90.3D--WORK SCHEDULES (ODOA)

Section 1. The workweek shall be the same as the calendar week starting at 12:01 a.m., Monday and ending 12:00 midnight the following Sunday.

Section 2. The normal work schedule shall consist of five (5) consecutive days of eight (8) hours per day with two (2) consecutive days off.

Section 3. Rest periods shall not be more than fifteen (15) minutes duration for every four (4) hours of work or major fraction thereof and shall be taken as work will allow in the middle of the workday. However, where an employee works a four day/ten hour (4/10) work schedule, the employee shall be provided two (2) twenty (20) minute breaks.

Section 4. Consistent with operating requirements of the Agency, an employee shall be granted a meal period of not

less than thirty (30) minutes or more than one (1) hour. Meal periods shall normally be scheduled by the Agency at approximately mid-part of the employee's daily work schedule.

ARTICLE 90.3E--WORK SCHEDULES (ODFW)

Section 1. The workweek shall be defined as starting at 12:01 a.m. Sunday and ending at 12:00 p.m. the following Saturday, except as modified in Section 2.

Section 2. The workweek for hatchery employees shall be defined as starting at 12:01 a.m. Saturday and ending at 12:00 p.m. the following Friday.

Section 3. Employees on a regular or alternate work schedule will be given at least five (5) calendar days notice of any permanent change in the starting/ending time of his/her work schedule of two (2) or more hours. A failure to provide the requisite notice will be subject to three (3) hours of penalty pay at straight time for each day of occurrence until the requirement is met. Employees on flexible schedules shall not be eligible for work schedule change premium pay.

An employee may request a modification to a posted schedule if there are fewer than ten (10) hours between shifts, subject to the operating needs of the Agency. Such modifications shall not be unreasonably denied. This modification will not cause any form of penalty pay.

Section 4. Rest periods shall be fifteen (15) minutes for every four (4) hours of work, or twenty (20) minutes for every five (5) hours of work. Rest periods shall be taken as work will allow, in the middle part of the work period. When the supervisor determines the rest period cannot be taken, the employee shall be compensated at the rate of one and one-half (1 ½) times in compensatory time for the missed rest period.

Section 5. A lunch period shall be scheduled as nearly as possible in the middle part of the daily work shift. Adjustments to the schedule may be made subject to the operational needs of the agency or by mutual agreement between the employee and the immediate supervisor.

Section 6. Employees required to travel overnight will be given reasonable notice of when they will be out of town and for how many days, to the extent that information becomes available to the employee's supervisor and it can be communicated to the employee.

(See Letter of Agreement in Appendix A.)

ARTICLE 90.5--WORK SCHEDULES

(Sections 1-13: Special Agencies Coalition Except OSAC, Oregon Health Licensing Agency, Health-Related Licensing Boards, and OHCS; Section 14: Special Agencies Coalition Except Department of Veterans' Affairs, Oregon Health Licensing Agency, Board of Radiologic Technology, Board of Psychologist Examiners and Board of Examiners for Speech Pathology and Audiology)

Section 1. Subject to the operating requirements of the Agency, bargaining unit employees shall be placed on regular, alternate, or flexible work schedules as defined in this Agreement (see Article 90, Work Schedules). Employees placed on regular work schedules shall be scheduled for five (5) consecutive workdays and two (2) consecutive days off within the workweek. Exceptions to the days off provision above shall occur only when they would seriously hamper operations of the Agency. Employees who work alternate schedules of four/ten (4/10) hour days shall be scheduled for three (3) consecutive

days off within the workweek. Exceptions to the days off provision above shall occur only when (1) this would seriously hamper operations of the Agency, or (2) when requested by the employee and approved by Agency management.

Section 2. An employee may request in writing to work any alternate or flexible work schedule defined in this Agreement (see Article 90, Work Schedules and, for applicable Agencies, Section 14, below). No employee requests will be arbitrarily denied or rescinded. In reaching its decision, the Agency will consider whether the employee's request meets all of the following criteria:

- (a) That the operational needs of the Agency are met;
- (b) That the requested work schedule will not interfere with his/her ability and availability to perform the job;
- (c) That the needs of the public are adequately served; and
- (d) That a forty (40) hour workweek is maintained.

The Agency may also consider other relevant criteria, including, but not limited to, employee use of carpooling or mass transit.

The Agency will provide a response to an employee request to work an alternate or flexible work schedule, including the reason(s) for a denial, within a reasonable period of time. Requests for alternate and flexible work schedules will be considered in order of application. If more than one (1) employee makes application for such a schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency, if possible.

Section 3. The workweek shall begin at 12:01 a.m., Monday and end at 12:00 midnight the following Sunday. This workweek shall remain fixed during the term of this Agreement regardless of an employee's scheduled hours of work. Workweeks for employees on work schedules "F" and "M" are governed by Section 14(e) below.

Section 4. Consistent with the operating requirements of the Agency, an employee shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour, unless mutually agreed otherwise. Meal periods shall normally be scheduled by the Agency at approximately mid-part of the shift. An employee who is required by the Agency to work the full shift without relief for a lunch period shall have the entire shift counted as time worked. Meal periods will not be changed without reasonable notice.

Section 5. All employees shall be granted a rest period of fifteen (15) minutes in every four (4) hours working time or major fraction thereof, except in cases of alternate work schedules, in which case rest periods shall be twenty (20) minutes. Rest periods shall be taken so far as practicable in the middle of such working periods and considered as time worked for pay purposes. Rest periods for employees on work schedules "F" and "M" are governed by Section 14(g) below.

Section 6. In order to account for a full forty (40) hours in a workweek in which there is a holiday, the employee may use appropriate accrued leave or compensatory time, or with supervisory approval may revert to a regular or a flexible work schedule.

Section 7. Department of Administrative Services.

When the Agency chooses to make a shift reassignment, all employees in the affected classification will be notified by publication in the manner provided for in Article 45.5E-- Filling of Vacancies, Section (b), and be given an opportunity to designate their shift preference. The

reassignment will be made based on each employee's level of skill, the requirements of the reassignment, and the operating needs of the Agency. If more employees request the shift reassignment than there are reassignments available, and are, in the judgment of the Agency, equally well qualified for the reassignment and equally meet the operating needs of the Agency, the employee with the most seniority will be given the reassignment. The Agency shall not exercise its judgment in an arbitrary manner.

Section 8. Department of Agriculture, Measurement Standards Division.

- (a) Within thirty (30) days of the effective date of the Agreement, the Agency shall develop a form which employees will be required to submit when requesting a flexible work schedule.
- (b) Employees working a flexible work schedule shall complete forty (40) hours of work per week, Monday through Friday. The workday shall not exceed ten (10) hours and the workweek shall not exceed forty (40) hours per week unless the employee receives prior approval as described in division overtime procedures.
- (c) Employees working a flexible work schedule shall work consecutive hours from the beginning of their workday to the end of their workday and consecutive days Monday through Friday unless otherwise approved.
- (d) Employees working flexible work schedules shall not begin before 6:30 a.m. or end after 6:00 p.m. Exceptions will be granted only when required by work-related circumstances. The office will be notified as soon as possible of requests for exceptions. All Inspectors will notify the Salem office upon conclusion of the workweek.
- (e) Flexible work schedules shall be agreed upon when working with fellow employees. Where agreement cannot be reached, the employees will work regular 8:00 a.m. to 5:00 p.m. schedules.
- (f) Employees may use up to one (1) hour in the office per day or up to five (5) per week to complete paper work, perform data entry work, and to perform general office duties. This work should be performed at the end of the day where circumstances permit.
- (g) Employees working a flexible work schedule away from their official station may take up to four (4) hours at the end of the week to complete their paper work, computer data entry, and general office duties provided that no more than one (1) hour was taken while away from their official station unless approved by the supervisor or designee.
- (h) Employees working a flexible work schedule shall schedule vehicle service and all non-examination activities at the end of the workday where circumstances permit.
- (i) Employees working a flexible work schedule shall record their time in tenths of an hour on their time sheet.

Section 9. Department of Consumer & Business Services (including Workers' Compensation Board).

- (a) Employees with a four (4) day nine (9) hour and one (1) day four (4) hour work schedule shall be granted one (1) twenty (20) minute rest break and one (1) fifteen (15) minute rest break on each nine (9) hour workday and one (1) fifteen (15) minute rest break for the four (4) hour workday. Rest breaks will be taken so far as practicable in the middle of the working period and considered as time worked for pay purposes.

- (b) When an employee requests the four (4) day nine (9) hour and one (1) day four (4) hour work schedule, the employee will include as part of the request the preferred break schedule. The work schedule and break requests will be subject to the supervisor's prior written approval.

Section 10. Water Resources and OWEB. Cleanup time for equipment shall be considered as part of the employee's workday.

Section 11. BOLI. Whenever a job being performed or the material or equipment being used has caused an employee to become dirty, the employee shall be allowed a reasonable amount of time without loss of pay prior to any meal period or prior to the completion of their workday to clean themselves. Cleanup time for equipment shall be considered as part of the employee's workday.

Section 12. Revenue. The purpose of this Section is to clarify what permanent part-time employees working in the Administrative Services Division may expect when a lack of work situation arises. When it becomes necessary to release some permanent part-time employees due to lack of work, but not all permanent part-time employees, the Employer will first ask for volunteers. If there are not enough volunteers, the employees will be released in reverse seniority order. In instances where there may be excess volunteers, unscheduling will occur based on seniority. Seasonal employees will be unscheduled prior to releasing or reducing the hours of permanent part-time employees. This Section is intended to apply only within the unit. Nothing in this Section guarantees an eight (8) hour workday.

Section 13. Education (including OSD, DCCWD), Reassignment of Hours of Work or Days Off.

- (a) When a reassignment of hours of work or days off, or both, is to be made within a given instructional unit, section, or department, the employees in the unit or department shall have the right to request their choice of assignment. The candidate with the greatest length of service within the Agency will be given his/her choice unless there exists a substantial and clearly evident superiority in the qualifications and experience of another candidate. Before an employee other than the candidate with the greatest length of service is given first choice, the candidate with the greatest length of service will be informed in writing and in detail, of those qualifications possessed by the employee chosen, and will be provided with a complete explanation of the reasons for selecting the other employee.
- (b) When an employee would be scheduled to work a shift alone, however, the above provisions may be temporarily waived to provide for the safety and well-being of students.

Section 14. Work Schedules "M" and "F". (Special Agencies Coalition Except Department of Veteran's Affairs, Oregon Health Licensing Agency, Board of Radiologic Technology, Board of Psychologist Examiners and Board of Examiners for Speech Pathology and Audiology)

- (a) Subsections (b) – (g), below, apply only to work schedules "F" and "M." Work schedules "F" and "M" shall be considered "alternate work schedules."
- (b) Employee requests to be placed on work schedules "F" and "M" shall be governed by Article 90.5, Section 2.
- (c) Work schedule "F" is as follows:

- Week one – Monday through Thursday, nine (9) hours, and Friday, eight (8) hours.
- Week two – Monday through Thursday, nine (9) hours, and Friday, off.
- Workweeks will alternate week to week, between week “one” and week “two,” as set forth above.

(d) Work schedule “M” is as follows:

- Week one – Monday, eight (8) hours, Tuesday through Friday, nine (9) hours.
- Week two – Monday, off, Tuesday through Friday, nine (9) hours.
- Workweeks will alternate week to week, between week “one” and week “two,” as set forth above.

(e) The definition of the workweek addressed in Article 90.5, Section 3, will not apply to employees who work schedule “F” or “M.” The definition of the workweek for work schedules “F” and “M” are as follows:

(1) The workweek for employees working work schedule “F” shall begin at 12:01 p.m. Friday and end at 12:00 noon the following Friday. This workweek shall remain fixed, so long as an employee continues to work a work schedule “F.”

(2) The workweek for employees working work schedule “M” shall begin at 12:01 p.m. Monday and end at 12:00 noon the following Monday. This workweek shall remain fixed, so long as an employee continues to work a work schedule “M.”

(f) During a work period when a compensable holiday occurs, an employee on a work schedule “F” or “M” will request his supervisor to adjust his/her work schedule within the defined workweek period to ensure a record of not to exceed forty (40) hours of paid time that includes the appropriate number of holiday hours. If needed, the employee may use accrued leave or compensatory time, or the employee may request adjustment of his/her work schedule to account for a full forty (40) hours in the workweek. Such adjustment shall be considered additional straight time worked rather than daily overtime hours. When the compensable holiday, or portion thereof, falls on the employee’s scheduled day off, the employee and supervisor will mutually agree on an alternative and commensurate time off within the workweek period.

(g) Employees on a work schedule “F” or “M” shall be granted two (2) fifteen (15) minute rest breaks on each nine (9) hour workday. Rest breaks will be taken so far as practicable in the middle of the working period and considered as time worked for pay purposes.

ARTICLE 90.5I,P--WORK SCHEDULES (OHCS, OSAC)

Section 1.

(a) Employees shall be placed onto a regular work schedule unless another work schedule is established under the conditions of Section 6 of this Article.

(b) Employees on a regular or flexible work schedule shall be scheduled for five (5) consecutive workdays and two (2) consecutive days off within the workweek. Except for employees who work schedule “F” or “M,” employees on alternate work schedules shall be scheduled for four (4) consecutive workdays and three (3) consecutive days off within the workweek. Exceptions to the days off provision above shall occur only when (1) this would seriously hamper operations of the Agency, or (2) when requested by the employee and approved by Agency management. The Agency will make every effort to return affected employees to their former schedule of days off.

Section 2. Except for employees who work schedule “F” or “M,” the workweek shall begin at 12:01 a.m., Monday and end at 12:00 midnight the following Sunday. This workweek shall remain fixed during the term of this Agreement regardless of an employee’s scheduled hours of work.

Section 3. Consistent with the operating requirements of the Agency, an employee shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour, unless mutually agreed otherwise. Meal periods shall normally be scheduled by the Agency at approximately mid-part of the shift. An employee who is required by the Agency to work the full shift without relief for a lunch period shall have the entire shift counted as time worked. Meal periods will not be changed without reasonable notice.

Section 4. All employees shall be granted a rest period of fifteen (15) minutes in every four (4) hours working time or major fraction thereof, except in cases of alternate work schedules, in which case rest periods shall be twenty (20) minutes. Rest periods shall be taken so far as practicable in the middle of such working periods and considered as time worked for pay purposes.

Section 5. In order to account for a full forty (40) hours in a workweek in which there is a holiday, the employee may use appropriate accrued leave or compensatory time, or with supervisory approval may revert to a regular or a flexible work schedule.

Section 6. Employee requests to be placed on alternate or flexible work schedules shall be governed by Article 90.5, Section 2.

ARTICLE 90.50, W--WORK SCHEDULES

(Oregon Health Licensing Agency, Health-Related Licensing Boards)

Section 1. Workweek. Except for employees who work schedule "F" or "M," the workweek shall begin at 12:01 a.m., Monday and end at 12:00 midnight the following Sunday.

Section 2. Alternate Work Schedules.

(a) An employee may apply in writing for authorization to work four/ten (4/10) hour days. The employee's application must show that the following criteria can still be met before his/her application can be approved:

- (1) That his/her requested four/ten (4/10) schedule will not interfere with his/her ability and availability to perform the job;
- (2) That the operational needs of the Agency are met;
- (3) That the needs of the public are adequately served; and,
- (4) That a forty (40) hour workweek is maintained.

If in fact these criteria are met, the Agency shall grant the employee a four/ten (4/10) hour day work schedule.

Requests for four/ten (4/10) hour day work schedules shall be considered in order of application. If more than one (1) employee makes application for a four/ten (4/10) schedule on the same day and both requests cannot be accommodated, preference shall be given to the employee with the most seniority in the Agency, if possible.

If at any time any of the above criteria cease to be met, the Agency may rescind its approval of an employee's four/ten (4/10) schedule.

(b) An employee may be allowed to work a flexible work schedule upon written approval of his/her request. No employee will be arbitrarily denied a flexible work schedule. Special consideration may be given to an employee who demonstrates an unusual hardship.

Section 3. Meal Period. Employees shall be granted a meal period of not less than thirty (30) minutes nor more than one (1) hour unless mutually agreed otherwise. Meal periods shall be scheduled at approximately the mid-period of the workday.

Section 4. Rest Periods. All employees shall be granted a rest period of fifteen (15) minutes in every four (4) hours working time or major fraction thereof (i.e., more than two (2) hours), to be taken insofar as practicable in the middle of the work period.

Section 5. Each full-time employee's work schedule shall consist of five (5) consecutive workdays and two (2) consecutive days off unless the employee agrees to a different workweek.

ARTICLE 91.3--UNEXCUSED ABSENCES

(ODOT Coalition)

Any unauthorized absence, including absence without notice, of an employee from duty may be deemed by the Agency to be an absence without pay and may be grounds for disciplinary action. In the absence of such disciplinary action, any employee who absents himself/herself for five (5) consecutive workdays without authorized leave shall be deemed to have resigned. Such absence shall be covered, however, by a subsequent grant of leave with or without pay, when extenuating circumstances are found to have existed.

When travel on open terrain or unmaintained roads is required four-wheel drive vehicles shall be provided. This shall not be interpreted to mean that an employee is prohibited from providing his/her own four-wheel drive vehicle if the employee so chooses. The employee who chooses to provide their own vehicle shall pay for the expense of removal and reinstallation of two-way communications

equipment if he/she chooses to change vehicles prior to normal replacement mileage.

To facilitate communication between the Parties, joint Labor-Management Committees may be established at the Agency level by mutual agreement of the Union and the Agency Administrator and the Department of Administrative Services. The Committees shall take steps to ensure consistency with the Collective Bargaining Agreement.

Any Agency Committee shall be composed of three (3) employee members appointed by the Union and three (3) members of management unless mutually agreed otherwise.

Committees shall meet when necessary, but not more than once each calendar quarter unless mutually agreed otherwise.

Staff representatives of the Labor Relations Unit and the SEIU Local 503, OPEU may render assistance to a committee in procedural and substantive issues as necessary to fulfill the objectives of this Article and may participate in such meetings.

The Committees shall be on a meet-and-confer basis only and shall not be construed as having the authority nor entitlement to negotiate. The Committees shall have no power to contravene any provision of the Collective Bargaining Agreement, nor to enter into any agreements binding on the Parties to this Agreement or resolve issues or disputes surrounding the implementation of the Contract. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.

No discussion or review of any matter by the committees shall forfeit or affect the time frames related to the grievance procedure. Matters that should be resolved through the grievance and arbitration procedure shall be handled pursuant to that procedure.

At the conclusion of each fiscal year, the Parties shall discuss the concept of Labor-Management Committees and whether they should be modified, continued, or discontinued.

(See Letter of Agreement in Appendix A.)

ARTICLE 106.1C--LABOR-MANAGEMENT COMMITTEES (Employment Department)

The goal of the Agency and Union is to develop a workplace in which labor and management work through joint Labor-Management Committees within the confines of the Collective Bargaining Agreement. The purpose is to provide quality services to our customers by improving

work processes and efficiencies.

Notwithstanding Article 106, the number of members, meeting schedules, agendas, and training needs of the committees will be determined jointly by the Agency and the Union. The expected results of the Committees are continuous improvement in customer service, efficient operations, and responsiveness to changing conditions.

The following guidelines will be employed:

- (a) There will be an Agency Labor-Management Committee that will develop within ninety (90) days of ratification mutually agreed to policies that will further support effective labor relations at the Section level, including training for Labor-Management Committee members.
- (b) A Labor-Management Committee will be composed of equal numbers of Agency and Union members unless mutually agreed to otherwise. Each Section Committee will consist of at least one (1) management service member and one (1) member designated by the Union. If the manager and Steward agree, Sections can establish an alternate process that achieves the same intent as a separate Labor-Management Committee.
- (c) The Labor-Management Committee will not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. Matters which require a Letter of Agreement will not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit and the Executive Director of the SEIU Local 503, OPEU.
- (d) The activities and results of a Section Labor-Management Committee will not be cited as precedential for other Sections, but may be used as a basis of discussion by other Committees.

ARTICLE 106.1M--LABOR-MANAGEMENT COMMITTEES (DHS Non-Institutions)

The Department will establish one (1) central Labor-Management Committee as outlined in Article 106--Labor-Management Committees.

The Department and the Union may mutually agree to establish joint sub-committees to improve labor-management relationships, work processes, efficiencies, and client service delivery. Such joint sub-committees will be:

- (a) Composed of equal numbers of bargaining unit and management members unless mutually agreed otherwise;
- (b) Accountable and report to the central Labor-Management Committee;
- (c) Reviewed annually by the central Labor-Management Committee to determine whether they should be modified, continued or discontinued; and,
- (d) Subject to the provisions of Article 106--Labor-Management Committees.

(See Letter of Agreement in Appendix A.)

ARTICLE 106.2A,K--LABOR-MANAGEMENT COMMITTEES (OYA Youth Correctional Facilities and Camps, OYA Administration and Field Services)

If the Agency and Union agree to establish joint committees at the institution or Agency level to improve work processes and efficiencies, the following guidelines will be employed:

- (a) Such Committee members who are also members of the bargaining unit shall be selected by bargaining unit members.
- (b) Such Committees will be composed of equal numbers of bargaining unit and management services members unless mutually agreed to otherwise.
- (c) Employees appointed to the joint Labor-Management Committees at an Institution shall be in pay status during time spent in committee meetings, provided the meetings occur during regularly scheduled duty time. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. Appointed employees may choose to attend these meetings on their own time.
- (d) The Committees shall not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit, Department of Administrative Services, and the Executive Director of SEIU Local 503, OPEU.

ARTICLE 106.2C--LABOR-MANAGEMENT COMMITTEE (OSH)

The parties agree to re-establish one (1) central Labor-Management Committee as outlined in Article 106--Labor-Management Committees. The purpose is to address issues of mutual concern, such as work processes and efficiencies. The Committee will be composed of equal numbers of bargaining unit and management services members, unless mutually agreed to otherwise. Each side shall select their own representatives.

Employees appointed to the Labor-Management Committee shall be in pay status during travel to and from the meeting, as well as time spent in Committee meetings, provided the meetings occur during regularly scheduled duty time. Approved time spent in meetings shall neither be charged to leave credits nor considered as overtime worked. Appointed employees may choose to attend these meetings on their own time.

The meetings will occur monthly, unless mutually agreed otherwise.

The Committee shall not be construed as having the authority or entitlement to negotiate or contravene any provision of the Collective Bargaining Agreement. Matters which may require a Letter of Agreement shall not be implemented until a Letter of Agreement has been signed by the Labor Relations Unit, Department of Administrative Services, and the Executive Director of SEIU Local 503, OPEU.

The parties agree to participate in training from the Employment Relations Board, or other training resource as available and mutually agreed upon. Further, the parties agree to utilize the process and designated trainer to develop a Labor-Management Committee Mission Statement and Ground Rules. Both parties will designate a representative to coordinate arranging the training as soon as practicable following Tentative Agreement on this provision.

The first issue for this Committee will be to work on the restructuring of the existing Labor-Management Committee.

OSH and the Union may also mutually agree to establish joint sub-committees to improve labor-

management relationships, work processes, efficiencies, or other issues of concern. Such joint sub-committees will be:

- (a) Composed of equal numbers of bargaining unit and management members unless mutually agreed otherwise;
- (b) Accountable and report to the central Labor-Management Committee;
- (c) Reviewed annually by the central Labor-Management Committee to determine whether they should be modified, continued or discontinued; and
- (d) Subject to the provisions of Article 106--Labor-Management Committees.

ARTICLE 106.5Q--LABOR-MANAGEMENT MEETINGS (DCBS)

The Agency and the Union agree that early resolution of employees' concerns is mutually beneficial. Therefore, upon written request identifying a specific concern from a group of represented employees, the division administrator or designee will promptly schedule a meeting to confer with the employees. The meeting will be scheduled during or outside normal duty hours at the option of management. If the group exceeds five (5), representatives may be designated to meet with the administrator or designee. The group or a representative of the group will be informed of the results of the meeting. This meeting will not in any way be construed as a grievance.

ARTICLE 107--JOB PROTECTION FOR ON-THE-JOB ILLNESS OR INJURY

Section 1. The State and the Union agree to jointly work to reduce the incidence of on-the-job injuries through health and safety programs and to reduce the unemployment and costs associated with on-the-job injuries through a combination of light-duty assignments, worksite modification programs, and expanded return-to-work opportunities.

Each state Agency agrees to meet annually with select representatives from the Union on paid time to review the frequency and type of on-the-job injuries sustained in the Agency, status of worksite modification requests, and to mutually develop training programs to reduce the incidence of work-related injuries. Ultimate decisions on training programs and costs are the prerogative of management. However, the State commits to provide existing resources to develop and staff such programs.

Section 2. An employee who has sustained a compensable injury or illness shall be reinstated to his/her former employment or employment of the employee's choice within the Agency, which the Agency has determined is available and suitable upon demand for such reinstatement, provided that the employee is not disabled from performing the duties of such employment. If a position is not available and suitable within the Agency, the employee will be provided employment in another Agency, provided a vacant position exists where the returning worker meets the minimum qualifications and special requirements and the position is intended to be filled.

Any worker, whether covered by this Agreement at the time of injury or not, will be eligible for placement into Agencies covered herein after all filling of vacancies provisions of this Agreement have been completed. Temporary reassignments across bargaining unit lines will not impact representation status.

Section 3. Certification of a duly licensed physician that the physician approved the employee's return to his/her regular employment shall be prima facie evidence that the employee should be able to perform such duties.

Section 4. Upon request of the Agency, an employee shall furnish a certificate as defined in Section 3, concerning his/her condition and expectation for a date of return to active employment. Any employee who has been released for return to active employment must immediately, but no later than the seventh (7th) calendar day following the date the worker is notified by the insurer or self-insured employer by certified mail that the worker's attending physician has released the worker for employment, notify his/her supervisor, personnel officer, or someone in management who has authority to act on this demand, of his/her status and that he/she is available to return to work. Extenuating circumstances may extend the requirement for timely notice. An employee who fails to provide timely notice of his/her status shall be considered to have voluntarily terminated his/her employment.

Employees released by their physician for light or limited duty are eligible for modified work consistent with the physician's certification of the worker's capabilities, the Agency's ability to construct duties and availability of work. However, to be eligible for possible light duty or modified work, the employee must, where reasonable to do so, keep in regular contact with the Employer beginning with the day following the injury or illness. This assignment of work is temporary and is established through discussions with the physician as to the prognosis of when the employee will be able to return to his/her full range of duties.

Since duties will be tailored based on a physician's statement of types of light or limited duties the injured employee can do, these duties may overlap various state classifications and may change the essential duties performed by other employees who will suffer no economic detriment due to these temporary work changes. All reasonable efforts will be made to avoid disruption to existing staff, e.g., filling usable vacancies prior to altering the duties of incumbents.

This is a temporary, modified return-to-work plan, to be reviewed every thirty (30) days and may be terminated when warranted by physicians' statements or light duty is no longer required or can no longer be made available. The return of injured workers shall be exempt from Article 45. Concerning the injured worker, light duty assignments can be made without regard to the requirements of Article 26, Section 10, and Articles 80, 81, 85, and 90, and including all coalition language within these Articles, except where specific work assignments have been designated for return of injured workers.

Although duties of non-injured staff may be temporarily (not to exceed six (6) months) changed, such change may not give rise to a claim under the Articles listed above. However, days off and shifts of permanent full-time employees shall not be affected by this program.

Section 5. The Employer will cooperate with the Workers' Compensation Program in the modification of work or work stations in order to accommodate employees permanently disabled as a result of a work-related injury or illness.

Section 6. When an employee is injured on the job and suffers time loss greater than fifteen (15) days, the Employer shall refer the employee to appropriate sources for explanation of his/her rights and obligations related to medical, retirement, and Workers' Compensation benefits.

A letter to the employee's last address of record shall constitute proper referral.

Section 7. All reassignments under this Article will be made in a manner to keep the injured employee at or near his/her official place of employment. No reassignments under this Article will require such employee to travel more than thirty-five (35) miles or the distance of his/her regular commute, whichever is greater.

ARTICLE 108--VIDEO DISPLAY TERMINALS

Section 1. Whenever any new piece of VDT equipment is purchased from outside of State government, the Agency will follow the Department of Consumer & Business Services guidelines on VDTs as they pertain to that piece of equipment. When an Agency buys used equipment, then it will make every effort to comply with Department of Consumer & Business Services guidelines. If it is not able to do so, then any Union Steward, upon identification and submission of a VDT safety practice problem, may request and shall be scheduled to meet with the appropriate management representative to review the specific safety concerns.

Glare screens will be provided upon request. The Employer will provide safe operation instructions when new equipment is installed. VDTs will be cleaned and inspected as needed to ensure proper operation.

Section 2. The Agency will inform employees if it is using computer monitoring. Notice will include what is being monitored and its intended use.

Section 3. The Agency will not use subliminal software.

Section 4. The Employer and the Union agree that employees who are assigned full-time to continuously operate video display terminals (VDT) or cathode ray tubes (CRT) can be more productive if provided short periods of assignment to other duties throughout the workshift. Subject to operational needs, managers will arrange other work assignments so as to provide ten (10) minutes of relief for each hour worked at a VDT or CRT.

Section 5. Upon request, employees who operate a VDT or CRT shall be provided available wrist rests for trial usage. If the wrist rest is determined to be beneficial a permanent wrist rest will be assigned to the station.

ARTICLE 113.5B,X--SPECIAL PROVISIONS

(Water Resources and OWEB)

Section 1. Office Space Arrangement. The Agency shall discuss any office rearrangement with affected employees and consider the employees' requests prior to such rearrangement.

Section 2. Communications Equipment. Within budgetary guidelines, the Agency shall make available adequate two-way communication equipment in all permanently assigned field vehicles. Additionally, at least one (1) adequate portable unit shall be available in each field office for use by any field staff personnel.

Section 3. Vehicles. Each employee using a permanently assigned vehicle shall be allowed to submit specifications for a vehicle type suitable for his/her needs and location so long as that vehicle is within the budgetary guidelines of the Agency and DAS rules.

Section 4. Field Purchase Orders. Employees who have occasion to make purchases on behalf of the Agency while working in the field may be issued a purchase card through the Small Purchase Order Transaction System (SPOTS) to be used to make such purchases under the

rules of the Water Resources Department or Watershed Enhancement Board and upon approval of the issuing financial institution. Employees may also make purchases and be reimbursed for such purchases under the rules of the Water Resources Department or the Watershed Enhancement Board.

ARTICLE 121T--EDUCATION, TRAINING, AND DEVELOPMENT (Temporary Employees)

Mandated training time is considered work time.

ARTICLE 121.1--EDUCATION, TRAINING, AND DEVELOPMENT

(Human Services Coalition)

Section 1. Training. The Agency will pay incurred tuition/registration and allowable travel, per diem, and salary when the Agency directs employees to attend training. Employees may request Agency-sponsored training. Training will be considered based on job, workload needs, and on funding. The Agency will provide regular notice of training opportunities.

Section 2. Job Rotation/Developmental Opportunities.

The Agency may provide competitive and/or employee-specific rotation/developmental opportunities by written agreement with employees who volunteer, who have the approval of their supervisor based on the operational needs of the sending unit. Such agreements shall state the duties, hours of work, and length of the assignment. Employees volunteering for these assignments retain their permanent position classifications, remain on the Agency payroll, retain the representation (SEIU Local 503, OPEU) status of their permanent positions while on the assignment and return to their permanent positions on completion of the assignment. Employees participating in job rotation/developmental opportunities will continue to receive compensation at the rate of their permanent position and shall continue to accrue rights and benefits related to their permanent position.

(a) **Competitive.** Job rotation/developmental opportunities which are designated by management as competitive will be filled in a competitive manner. Recruitment notices for such opportunities will receive the widest reasonable distribution within the Agency. Recruitment notices shall contain: job description, basic qualifications, length of assignment, and deadline to apply. Agencies have the discretion to limit advertising to employees within a specific geographic area or Division/program.

(b) **Employee-Specific.** Agencies have the discretion to create job rotation and/or developmental opportunities, including job shadowing, which are designed to meet the interests and/or needs of specific employees. Because they are employee specific, such opportunities are not appropriate for filling in a competitive manner.

Section 3. Educational Leave. Employees may be granted time off with pay to take job-related educational courses or training sessions.

Section 4. Agencies shall make available to any employee upon his/her request, classification specifications which contain the requirements and/or qualifications for any jobs within the Agency.

Section 5. Employees may need training to perform tasks required by the Agency as a result of an involuntary change in assignment or workload. Employees so identified by the

Agency shall be afforded an opportunity to participate in job-related training upon approval of the Agency without loss of pay or benefits.

Section 6. Upon initial hire, rehire, promotion or job transfer, management agrees to notify an employee of the required training related to his/her position, if any is determined by management, within a reasonable time period. Such notification will include the expected timeline for completion of the required training, recognizing that operational needs may require some adjustment.

ARTICLE 121.2--EDUCATION, TRAINING, AND DEVELOPMENT (Institutions Coalition, except OYA Administration and Field Services)

Section 1. Career Advancement. The Employer shall make every reasonable effort to promote the continuing education, training, and upgrading of employees in areas that are job-related. Furthermore, the Employer shall make every reasonable effort to meet personnel needs through career development to prepare for career advancement.

Section 2. It is recognized that training cannot always be conducted at times convenient to all employees involved. The scheduling of training sessions conducted by the Institution or Facility shall consider the personal circumstances of the employee to be involved as far as is practicable and will provide affected employees with five (5) working days advance notice of training if the training will be outside the employee's normal working hours. (c) If safety glasses are broken as a result of an on-the-job accident which is not the willful fault of the employee, they will be replaced as in (a) and (b) above.

Section 5. Extra equipment or Agency/division/section equipment for general use of personnel shall not be listed on an individual bargaining unit worker's inventory list.

ARTICLE 123--INCLEMENT OR HAZARDOUS CONDITIONS

Section 1. Notifications.

- (a) The Employer/Agency designated official(s) may close or curtail offices, facilities, or operations because of inclement or hazardous conditions. The Employer/Agency will announce such closure or curtailment to employees no later than 5:00 a.m., and may accomplish this through pre-designated internet web sites, telephone trees, radio stations and/or television media. The Agency shall notify employees of these designations and post the notices on Agency bulletin boards by November 1st of each year. Notifications do not apply to employees who are required by the Employer/Agency to report to work. Employees required to report to work shall be notified of this designation no later than November 1st of each year. Such designations may be modified with two (2) weeks advance notice to the affected employee(s).
- (b) Where the Employer/Agency has announced a delayed opening pursuant to Section 1(a), employees are

responsible for continuing to monitor the reporting sites for updated information related to the delay or potential closure.

Section 2. Employees who are required to report to work by the Employer/Agency shall be in leave without pay status if absent, unless otherwise on authorized leave. If an employee shows up within two (2) hours of their scheduled shift, subject to operating requirements and supervisory approval, they may make up the work time missed during the same workweek, provided work is available. For purposes of Article 58, an employee may use up to four (4) hours, as needed, of appropriate accrued leave to meet the eligibility requirements of Article 58, Section 3.

Section 3. Fair Labor Standards Act (FLSA) Non-Exempt Employees.

(a) When the Employer/Agency notifies employees not to report to work pursuant to Section 1, the following applies:

(1) Non-exempt employees shall not be paid for the period of the closure. However, employees shall be allowed to use accrued vacation, compensatory time off, personal leave or leave without pay for the absence(s).

(2) A non-exempt employee arriving at work after the Employer/Agency has announced a closure or curtailment of operations shall be directed to leave work and shall not be paid for the remainder of the shift unless utilizing accrued leave as described above.

(3) In instances where an employee is not observed upon arrival and actually begins work at his/her workstation that employee shall be entitled to pay for all actual hours worked until sent home.

(4) If an employee's scheduled reporting time and his/her arrival is within two (2) hours of the notice of closure, he/she shall be paid for two (2) hours at the straight-time rate of pay.

(b) When the Employer/Agency fails to notify employees not to report to work, pursuant to Section 1, FLSA Non-Exempt employees who arrive to start their scheduled shift within two (2) hours of notice of closure shall be paid for two (2) hours at the straight time rate of pay.

Section 4. FLSA-Exempt Employees. Pursuant to the FLSA, an exempt employee shall be paid for the workshift. An FLSA-exempt employee may be required to use paid leave where the closure applies to that employee for one (1) or more full workweek(s).

Section 5. When in the judgment of the Employer/Agency, inclement or hazardous conditions require the closing of the workplace following the beginning of an employee's workshift, the employee shall be paid for the remainder of his/her workshift.

Section 6. Alternate Worksites. Employees may be assigned or authorized to report to work at alternative worksites or with prior approval from their supervisor may work from home and be paid for the time worked.

Section 7. Late or Unable to Report. Except as provided for in Section 2 of this Article, where the Agency remains open and an employee notifies his/her supervisors that he/she is unable to or will be late in reporting for work due to inclement or hazardous conditions, the employee shall use accrued vacation leave, compensatory time off, personal leave, or leave without pay.

Section 8. Employees on Pre-Scheduled Leave. If an employee is on pre-scheduled leave the day of inclement

or hazardous conditions, the employee will be compensated according to the approved leave.

Section 9. Make-up Time Provisions. Subject to Agency operating requirements and supervisory approval, employees who do not work pursuant to Section 3 and Section 7 of this Article may make up part or all of their work time missed during the same workweek. In no instance will time worked during the make-up period result in overtime, compensatory time, or premium payments being charged to the Agency.

Section 10. Temporary Employees. Non-exempt employees will be unscheduled from work and FLSA-exempt temporary employees will be in paid status for closures less than one (1) full workweek and unscheduled from work for closures more than one (1) full workweek under this Article unless the temporary appointment ends.

ARTICLE 124.5--BUS DRIVERS

(Special Agencies Coalition)

Physical examinations for bus drivers' licenses required by the Agency shall be provided by the Agency.

ARTICLE 125--TECHNOLOGICAL CHANGE/RETRAINING

Section 1. Definition. Technological change is defined as a change in equipment, particularly of an electronic or mechanized nature, which may have the result of reducing the number of bargaining unit employees, reducing the required work hours of bargaining unit employees, and/or altering skill requirements for job positions within the bargaining unit.

Section 2. The Parties support technological advancement, recognizing that it is necessary to ensure an expanding economy. Similarly, the Parties recognize that job displacement, occupational shifts, and employee working conditions may be adversely affected by the introduction of new technology. To reconcile these conflicting realities, the Parties agree to the following:

(a) The Employer agrees to give the Union sufficient advance notice of anticipated technological changes which will have a substantial impact on the manner in which job duties of a significant number of employees are performed so that it can review such changes and evaluate the impact on bargaining unit members. With this notice, the Employer shall inform the Union of whether and to what extent it anticipates that the changes will displace employees, cause a reduction in work hours, cause a change in skill requirements, or result in the fragmentation of existing jobs.

(b) An ad hoc Union/Management Technological Change Committee, composed of three (3) persons from the Union and three (3) persons from management, shall be established for the purposes of reviewing the technological change and its impact on the working conditions of bargaining unit members.

(c) The Employer agrees to meet with the Union to discuss the Committee's findings and recommendations and it agrees to make every good faith effort to reduce the detrimental effects of technological change on bargaining unit members.

(d) Should a regular status employee become displaced, the Agency shall offer Subsection (1) or (2) under the following conditions:

(1) Subject to funding, Agency needs, employee interests and ability, and scheduling, the Agency will

provide retraining.

(2) Should a regular status employee become displaced as a result of technological change, the Agency shall make a reasonable effort to place the affected employee into another position in the Agency or other Agencies in State government.

ARTICLE 127.2A--NOTIFICATION

(OYA Youth Correctional Facilities and Camps)

Section 1. Upon request of the Union, the Institution will furnish to it a statement of its rules or policies on employment relations matters, any specific rule or policy or any information on personnel actions in which the Union has an appropriate interest.

Section 2. All records designated as public records by law and rule shall be open to inspection of the Union during regular office hours.

Section 3. In order for the Parties to be as informed as possible on matters for collective bargaining, either Party shall furnish or make available to the other, upon request, such specific personnel records or files as they possess and which are pertinent to a matter for negotiation of which the Party has given notice. Articles which are classed as confidential under law or rules of the Labor Relations Unit shall not be made available.

ARTICLE 127.2C,E,G,H--NOTIFICATION

(OSH, EOTC, BMRC, Pendleton Cottage)

The Institution or Facility will provide the employees with two (2) copies of any letter of dismissal, demotion, reduction in pay, or suspension for disciplinary reasons. The Institution or Facility will inform the employee that he/she may provide a copy of the letter to the Union if he/she chooses to do so.

ARTICLE 129.2C,E,G,H--POSITION IDENTIFICATION

(OSH, EOTC, BMRC, Pendleton Cottage)

Section 1. The Institution or Facility shall maintain in the Personnel Department such records as are necessary to show the number and classification of positions in the Institution or Facility assigned to each department or unit and the classification of each assigned employee. Positions which are underfilled for training purposes shall be designated on the record. The Union may examine this record, upon request, during normal business hours.

Section 2. An area roster shall be maintained and posted in each three-shift operation work area showing the shift, incumbent employee, and days off. This roster will be updated on a yearly basis, at the time of major reorganization or upon significant turnover.

ARTICLE 130--PROFESSIONAL RECOGNITION

At the request of an employee who was the primary author of a manual, manuscript, or other similar major publication for which he/she would like to receive recognition, the Agency agrees to provide appropriate individual recognition on the manual, manuscript, or other similar major publication.

ARTICLE 131.3E--AGENCY-ASSIGNED HOUSING

(ODFW)

Section 1. An employee who is hired for a position that requires the employee to live in Agency-assigned housing shall be provided such housing at the time of appointment. The employee will continue to occupy that housing unit for

the duration of their Agency employment so long as they remain in their original position and continue to work at that specific worksite.

ARTICLE 132--CRIMINAL RECORDS CHECK

Section 1. Except as provided by Governor's executive order or state or federal law as implemented by Agency rule or policy, the Employer will not require a criminal records check on any current employee in his or her current position if the requirement was not in place when the employee was appointed to the position. Agencies will send Agency rules, policies, and subsequent changes to SEIU Headquarters. Upon notification, the Union may exercise its rights pursuant to Article 5 of this agreement as it applies to changes in Agency rule or policy implementing Governor's executive orders or state or federal laws regarding criminal records check requirements.

Section 2. Position Descriptions and Recruitment

Announcements. If a criminal records check is required for a position, such requirement shall be included in the recruitment announcement. As a position description is revised, the requirement for a criminal records check shall be included, however this does not apply where all agency positions require a criminal records check.

Section 3. Determination in Current Position.

- (a) If an employee is found to be unfit for his/her current position based on a new criminal records check and the Agency proceeds under Article 20, the employee retains all Article 20 rights.
- (b) If a regular status employee is determined to be unfit for his/her current position based on a new requirement, then the employee shall be notified of the determination and upon request will be informed of the information from the criminal record used in the determination. The employee will be provided options, including layoff.

Section 4. Promotions, Transfers, and Voluntary

Demotions. If through a promotion, transfer, or voluntary demotion process a criminal records check is required and an employee is found to be unfit, upon request, the employee will be informed of the information from the criminal record used in the determination.

The appointment to the position will not be delayed. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures.

Section 5. Layoff/Recall.

- (a) **Layoff.** In the event of a layoff, a criminal records check will not be required as a condition of employment, for displacing an employee from another job, bumping into another job, demotion to another job, or being recalled to a position, unless specified in the position description. If required, the employee will be notified before the criminal records check commences. Once notified, the employee can waive his/her right to that position and may displace the lowest seniority employee in a position where no criminal record check is required, pursuant to Article 70 and the prioritization of his/her option(s) as previously communicated to the Agency.

If all positions in the Agency require a criminal record check, this information will be included in the notification of pending layoff given the Agency is not required to reflect the criminal record check in the position description.

(b) Recall from Layoff. If in the recall process an employee is determined to be unfit for a position, upon request the employee will be informed of the information from the criminal record used in the determination. Any appointment to the recall position will be delayed until the conclusion of the meeting.

Section 6. Regardless of whether the fitness determination was based on an accurate or inaccurate criminal record, the employee may request a meeting to discuss the information from the criminal record used in the determination. Such discussion, if requested, shall be within five (5) working days of the notification. Upon the request of the employee, a Steward may accompany the employee during the meeting. In the event the fitness determination changes as a result of the information provided, the Agency will notify the employee in writing. If an employee is not satisfied with the results of the meeting, he or she may appeal the fitness determination as outlined in the Agency rule or policy.

Section 7. Fitness determinations based on information from the criminal record checks shall not be subject to the grievance/arbitration procedures, except as provided in Section 3(a).

Section 8. Information received as a result of a criminal records check shall be secured in a file separate from the employee's official personnel file. Destruction of the information received as a result of a criminal records check shall be consistent with state or federal law.

Section 9. Employees shall not be required to pay the Employer's/Agency's criminal records check fee(s) or Employer/Agency representation costs.

APPENDIX A – LETTERS OF AGREEMENT

LETTER OF AGREEMENT 02.00-99-01

Article 2--Recognition

Procedure for Exclusion of Filled Bargaining Unit Positions Based on Supervisory, Managerial or Confidential Status

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit (DAS, LRU), on behalf of the State of Oregon (Employer), and the SEIU Local 503, OPEU (Union) as it pertains to the exclusion of filled bargaining unit positions based on supervisory, managerial or confidential status, under Article 2--Recognition of their 2009-2011 Collective Bargaining Agreement.

The Employer and the Union agree as follows:

1. DAS, LRU shall provide the Union with no less than twenty (20) days written notice of its intent to exclude a filled bargaining unit position based on supervisory, managerial or confidential status. DAS, LRU agrees not to change the position's designation from represented to management service during this twenty (20) day period.
2. Should the Union decide to contest the proposed exclusion, it shall serve DAS, LRU with written notice of its intent to contest the exclusion within twenty (20) days of its receipt of the notice of intent to exclude. Should such notice be given by the Union, DAS, LRU will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow the Union time to investigate whether it has grounds to contest the proposed change in status. If the Union decides to pursue challenging an exclusion, it must file with the Employment Relations Board (ERB) prior to the end of this forty (40) day period. In such event, DAS, LRU agrees to forego implementing the change in designation until the matter is resolved by way of ERB decision, settlement, or other manner.
3. If DAS, LRU does not receive timely notice from the Union indicating its intent to contest the exclusion during the initial twenty (20) day period or if the Union does not file with the ERB during the subsequent forty (40) day period, DAS, LRU may proceed to change the position's designation, and the Union agrees not to contest the excluded status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exclusion is no longer warranted.
4. For purposes of this Agreement, written notice may occur by personal delivery, fax or mail (postmark) within the time frames cited above.

LETTER OF AGREEMENT 02.3B-03-75

Article 2.3B--Recognition

Temporary Employees (State Fair)

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Oregon State Fair and Exposition Center (Agency) and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to clarify the bargaining unit status of Agency temporary employees.

1. Temporary employees who are hired to work for the Agency during any of the period of time from and including June 15 to and including September 30 (Fair time) will be excluded from the Union's bargaining unit.
2. Temporary employees who are hired to work for the Agency prior to or after Fair time will be included in the Union's bargaining unit if they otherwise fall within the bargaining unit description set forth in Article 2.
3. Temporary employees who are hired to work for the Agency during Fair time and who continue to work for the Agency as temporary employees after Fair time, shall be included in the Union's bargaining unit if they otherwise fall within the bargaining unit description set forth in Article 2, but only for the period that they continue to work beyond Fair time. For example, a temporary employee (who otherwise falls within the Article 2 bargaining unit description) hired by the Agency on August 1 who continues to work as a State Fair temporary employee after September 30, will be included in the Union's bargaining unit only from the day following September 30.
4. Temporary employees who are hired to work for the Agency prior to Fair time (who fall within the Article 2 bargaining unit description) would continue to maintain their status as bargaining unit members, even though they continue to work during Fair time. For example, a temporary employee (who falls within the Article 2 bargaining unit description) hired by the Agency prior to June 15, who continues to work as a temporary employee through Fair time, would be included in the Union's bargaining unit during that whole period of time.

LETTER OF AGREEMENT 10.1-05-119

Article 10.1--Union Rights

Clarification of Intent Concerning DDS Understanding & Workload Adjustment (DHS)

Clarification:

The above referenced Sections are part of a Central Article describing activities performed during the Steward's regular work schedule, subject to advance notice to the Steward's immediate supervisor. The permitted activities will be granted unless such activities would interfere with the work the Steward is expected to perform. In instances where there is interference with the work, the immediate supervisor shall, within the next workday, arrange an alternate, mutually satisfactory time for the requested activity. Such activities do not warrant any workload adjustment.

Although not specifically mentioned in Article 10, it is intended that in instances where a Steward (acting in his/her official capacity) participates in activities other than those described in Sections 11 and 12 which are initiated and/or requested by management, such Steward may request a workload adjustment. Such adjustments will be granted assuming there is documentation to support the Steward's claim that the time involved in such activities during the month is more than de minimus. An example of such activity would be participation on a Labor-Management Committee which is a mutual benefit to both management and labor.

This clarification is not intended to supersede Coalition specific Article 10 provisions.

APPENDIX A – LETTERS OF AGREEMENT

DDS Understanding:

Despite the above clarification, DDS management is willing to consider individual Steward requests for adjustment to existing work production standards where such Stewards submit a monthly activity report of work time spent on activities outlined in paragraph #1 and/or #2 above and which demonstrates that the time involved was other than de minimus. Such workload adjustment is limited to DDS Stewards in the Disability Analyst Classification series due to their high production standards. For example, if a Steward's monthly activity report demonstrates that five percent (5%) of the Steward's time had been spent on official Union activities, management could decide to adjust the Steward's work production standards up to a maximum of five percent (5%). A determination of de minimus will be based on the time involved being up to two (2) hours per week.

The Union agrees that the consideration described in the previous paragraph will not establish a past practice for other than DDS Disability Analyst Stewards nor can it be referenced in any other forum.

Lastly, this understanding will replace any and all previous understandings within DDS.

LETTER OF AGREEMENT 10.00-05-125 **Article 10--Union Rights** **Employee ID Numbers**

This Letter of Agreement is between the State of Oregon, acting through the Department of Administrative Services (Employer) on behalf of Agencies covered by the Master Agreement and the SEIU Local 503, OPEU (Union).

The Parties hereby agree to the following conditions to move to an employer-generated identification system:

1. The Employer will use "OR" as the two (2) character designation to be followed by a seven (7) digit number for its unique employee identifier (employee number).
2. When the Union requests that the Employer resolve potential duplicate record issues, the Union will provide available information on that employee. The Employer will make every reasonable effort to aid the Union in resolving duplicate record issues using all information available to the Employer. The Employer will designate a contact person for duplicate record queries.
3. The Employer, including authorized Agency staff, where appropriate, will respond to queries from SEIU Local 503, OPEU staff regarding represented employees. SEIU Local 503, OPEU staff will use the Employee Identification Number when making such inquiries.

LETTER OF AGREEMENT 10.5H-07-158 **Article 10.5H--Union Rights** **Steward Selection (Justice)**

If no Steward is available for employee representation at the employee's worksite, the employee will select a Steward from the next closest worksite (as determined by road miles). At the employee's request, the Agency will provide the employee a list of all Stewards at the next closest worksite. A Steward will not be considered "available"

if the Steward or employee reasonably determines that a conflict of interest between the Steward and employee exists which would interfere with the Steward's capacity to act in the best interests of the employee.

LETTER OF AGREEMENT 10.5O-09-184 **Article 10.5O--Union Rights/Stewards** **Steward Selection (Oregon Health Licensing Agency)**

This Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer), on behalf of the Oregon Health Licensing Agency (Agency), and the SEIU Local 503, OPEU (Union).

1. In addition to the one (1) Union Steward authorized by Article 10.5O, Section 2, the Agency agrees to recognize one (1) backup Steward. The backup Steward may conduct Union business only when the full-time Union Steward is unavailable because he or she is not present in the workplace, or because it can reasonably be believed that there would be an ethical conflict of interest between the full-time Steward and the employee in need of representation.
2. Once the backup Steward acts as an employee's representative pursuant to paragraph 2, the backup Steward may continue to act as the employee's representative in the same or directly-related investigation, disciplinary action or grievance.
3. When acting in place of the full-time Steward, the backup Steward shall have all the rights and considerations of the full-time Steward.
4. This Letter of Agreement expires June 30, 2011.

LETTER OF AGREEMENT 13.00-03-93 **Article 13--Contracting-Out** **Feasibility Study**

This Letter of Agreement is entered into between the State of Oregon, Department of Administrative Services, on behalf of all State Agencies covered by the State of Oregon/SEIU Local 503, OPEU Collective Bargaining Agreement and the SEIU Local 503, OPEU.

When the provisions of Article 13, Section 1 require a feasibility study, the following will apply:

The Employer will count eighty percent (80%) of the affected employee's straight-time wage rate when comparing the two (2) plans.

This Agreement is effective through June 30, 2011.

LETTER OF AGREEMENT 15.00-99-05 **Article 15--Parking** **PASSport Program**

employers purchase for all of their employees in the affected area(s).

To carry out the program in State Agencies, the Parties agree that:

1. The PASSport Program is an experimental program;
2. State Agencies in the affected area whose employees are represented by SEIU Local 503, OPEU may independently elect to participate by entering into an agreement with Tri-Met;
3. State Agencies may also elect not to continue participation in the program at the end of each contract year with Tri-met.

LETTER OF AGREEMENT 21.00-99-06
Article 21--Grievance & Arbitration Procedure
Expedited Arbitration Procedure

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to establish an expedited arbitration procedure to be used by the Parties upon mutual agreement. The expedited procedure will be used for grievances involving Articles exclusively applying to temporary workers.

The Parties agree to the following:

In the interest of achieving swift and economical resolution to grievances where the Union has filed a timely arbitration request with the Employer, the following procedure may be used subject to the following conditions:

1. The Employer or Union may request in writing that the expedited arbitration procedure be used for a particular grievance. The request must be sent at the time the Parties are scheduling dates with the arbitrator. The expedited procedure will be used for grievances involving Articles exclusively applying to temporary workers or with the mutual agreement of the Employer and Union. No grievance, except for grievances involving Articles exclusively applying to temporary workers, where there is an issue of arbitrability will be submitted to the expedited procedure.
2. The Employer and Union will develop a stipulation of facts and use affidavits and other time-saving methods whenever possible and when mutually agreed upon.
3. Case presentation will be limited to preliminary opening statements, brief recitation of facts, witness presentation and closing oral argument. No post hearing briefs shall be filed or transcripts made. The hearing will be completed within one (1) business day unless otherwise agreed upon by the Parties.
4. The hearing shall be conducted by the arbitrator in whatever manner will most expeditiously permit full presentation of the evidence and arguments of the Parties.
5. The arbitrator may issue, at his/her discretion, a bench decision at the conclusion of the hearing or may issue a written award no later than seven (7) calendar days from the close of the hearing excluding weekends and holidays.

6. All decisions shall be final and binding on the Employer and Union. An arbitration award will be non-precedential if mutually agreed upon by the Parties before the hearing starts. The arbitrator's award shall be based on the record and shall include a brief explanation of the basis for the award.

This Agreement becomes effective on the date of the Master Agreement and ends on June 30, 2011.

LETTER OF AGREEMENT 21.1C-99-07
Article 21.1C--Grievance and Arbitration Procedure
Alternate Dispute Resolution (Employment)

This Agreement is entered into between the Department of Administrative Services (Employer), on behalf of the Employment Department (Agency), and the SEIU Local 503, OPEU (Union).

Objective: To enhance previous Letters of Agreement that committed the Employment Department to an alternate dispute resolution process and improve utilization of mediation to resolve issues at the lowest possible level. Participation in the process does not waive the employee's rights under the contract to grieve.

1. When an issue needing resolution arises, the employee, supervisor, and/or other affected Parties will attempt to meet in an attempt to resolve the issue at the lowest possible level. If the issue is an alleged contract violation, this meeting will occur within the thirty (30) day grievance filing period.
2. If the issue is resolved, this settlement will be summarized and kept in the section. If it was an alleged contract violation, mediated resolutions shall be non-precedential and shall not be cited by either Party or their agents or members in any arbitration or fact-finding proceedings.
3. If the issue is not resolved through a meeting, resolution may be sought through:
 - (a) the local Labor-Management Committee; or
 - (b) mediation. Mediation is voluntary on part of all participants. The conclusion of mediation can be initiated by either Party or the mediator.

If mediation of an alleged contract violation is requested within the thirty (30) day filing period, the timelines for filing the grievance are automatically held in abeyance. If mediation does not result in resolution of an alleged contract violation, the employee may file a grievance with the Agency Head as Step 2 of the grievance procedure within fifteen (15) calendar days of the conclusion of mediation.

If the request for mediation is submitted by the employee at any time in any step after a grievance is filed, the grievance timelines are automatically held in abeyance. If resolution is not achieved through mediation, the employee may file a grievance at the step following the last completed step of the grievance procedure within fifteen (15) calendar days of the conclusion of mediation. Mediation panels will consist of one (1) mediator from the Agency's Office of Human Resources and one (1) mediator represented by SEIU.

To request mediation, all affected Parties must sign a completed Mediation Request Form and submit to the SEIU Local 471 President or Agency's Office of Human Resources Manager. The President and Office of Human

APPENDIX A – LETTERS OF AGREEMENT

Resources Manager shall assign a mediation panel within thirty (30) calendar days from the date the request is received. The Parties will have thirty (30) calendar days to resolve the issue. This timeline can be extended by mutual agreement. Mediation sessions will be conducted on Agency time.

To ensure that the terms of the settlement are achieved and to hold managers accountable for settlements being met, copies of mediated settlements shall be given to the Parties, and the supervisor's manager where the issue arose. A copy will also be sent to the Office of Human Resources for statistical purposes and placed into a confidential mediation file. The mediated settlement will not become part of the employee's official personnel file.

Mediation sessions and any settlements reached in these sessions will be confidential. Stewards may review mediation settlements in the Office of Human Resources in the course of representing an employee in a grievance matter.

The mediation process will not be applicable to the following circumstances:

- 1) issues already mediated, unless both Parties agree that the fundamental issue is not resolved;
- 2) the issue is being addressed outside the Agency (i.e., BOLI, ERB, workers compensation or court);
- 3) non-workplace disputes;
- 4) disciplinary actions;
- 5) letters of expectation; and,
- 6) performance appraisals.

The Agency and Union will make quarterly reports to the Worksite Committee on the mediation program.

- (c) the grievance process. The first meeting would serve as the first step and the grievance would be sent to the Agency Head as Step 2. The employee and supervisor will submit a letter of explanation for proceeding directly to Step 2 of the grievance process without requesting mediation. The timelines in the Contract apply.

Implementation Procedures:

The President and Office of Human Resources Manager shall, within thirty (30) calendar days from the date the successor Agreement becomes effective, meet to:

1. Update and implement an Agency communications plan.
2. Review and update the current procedure for assigning mediation panels. There will be a review of the current mediator list.
3. Update the training plan for mediators, if such a plan is needed.
4. Review the quarterly reporting process and update it, if needed. Quarterly reports may include, but not be limited to the number of mediations, the subject matter mediated, the number of agreements and any program issues that are being addressed.

The above work will be completed within sixty (60) calendar days from the first meeting.

LETTER OF AGREEMENT 26.00-99-14

Article 26--Differential Pay IS Team Leader

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to establish a ten percent (10%) Information Services Team Leader Differential for all Agencies that assign such duties to bargaining unit employees under the following conditions:

1.
 - (a) Bargaining unit employees occupying positions that are classified as Information Specialist 1-8 will be eligible for the differential in accordance with Section 1(e) of this Agreement.
 - (b) The differential shall be ten percent (10%) beginning from the first day the duties were formally assigned in writing.
 - (c) Bargaining unit employees shall not be eligible for any work out-of-class pay, leadwork differentials or any other premium pay except for overtime and penalty payments as compensation for team leader duties. If an employee receives more than one (1) differential (except overtime as mandated by the FLSA), the differentials will be calculated on the base so that no "pyramiding" occurs (i.e., if an employee is receiving the team leader differential and out-of-class differential, the two (2) differentials would be calculated separately and then added onto the base pay).
 - (d) The differential shall be ten percent (10%) above the employee's base salary rate.
 - (e) For a bargaining unit employee to be eligible for the differential, the Agency must formally assign the employee in writing to perform team leader duties, the employee leads a team of employees and performs substantially all of the following duties under supervisory direction:
 - (i) Plans for short and long term needs of team, including such areas as technology to be used, user requirements, resources required, training necessary, methods to accomplish work, multiple project timelines and competing priorities.
 - (ii) Establishes and coordinates multiple interrelated project schedules for all projects on which the team is working.
 - (iii) Works directly with multiple users to identify broad user needs and requested timelines when projects are submitted for the team.
 - (iv) Provides technical/operation guidance to contractors and monitors quality assurance.
 - (v) Develops technical standards and monitors team members' work for compliance.

PEBB Premium Increases

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer), and the SEIU Local 503, OPEU (Union).

Should this become necessary, the parties shall jointly request that PEBB first access PEBB Stabilization Fund reserves and only draw on money in the Standard Demutualization Account in the event that there is not enough money in the Stabilization Fund to pay for the increase without jeopardizing PEBB's ability to self-insure.

1. The Legislature allocated thirty-two million dollars (\$32,000,000) to the General Fund in the 2009-2011 budget for increases in public employee health insurance costs (up to five percent (5%) per plan year) during the life of the 2009-2011 Collective Bargaining Agreement between the Parties.
2. If the State does not expend the entire thirty-two million dollars (\$32,000,000) General Fund allocation, per Section 1 above, the State will request the Legislature, or the Emergency Board if the Legislature is not in session, to release any unspent portion of the thirty-two million dollars (\$32,000,000) General Fund (and corresponding other funds). The purpose of requesting release of the remaining funds is to reimburse the PEBB for expenditures PEBB may agree to make from the Stabilization Fund (SF) reserves to offset premium increases in excess of the budgeted five percent (5%) during the 2010 and/or 2011 benefit plan years.
3. Prior to July 1, 2010, the State shall request the Legislature or Emergency Board, whichever is in session, to release all of the appropriated funds as noted above.

Article 32--Overtime

Procedure for Determining Overtime Exempt or Non-exempt Status

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit (DAS, LRU), on behalf of the State of Oregon (Employer), and the SEIU Local 503, OPEU (Union) as it pertains to eligibility for overtime under Article 32--Overtime, of their 2009-2011 Collective Bargaining Agreement.

The Employer and the Union agree as follows:

1. DAS, LRU shall provide the Union with no less than twenty (20) days written notice of its intent to exempt from overtime a filled bargaining unit position. The Union shall provide DAS, LRU with the same notice of intent to change a position's designation from exempt to eligible status for overtime. DAS, LRU agrees not to change the position's designation during this twenty (20) day period.
2. Should the Union or DAS decide to contest the proposed change in status, it shall serve the other Party with written notice of such intent within twenty (20) days of its receipt of the notice. Should such notice be given, DAS, LRU will forego implementing the change in designation for an additional forty (40) days, beyond the initial twenty (20) day period. The purpose of this forty (40) day period is to allow time to investigate whether there are grounds to contest the proposed change in status. If either Party decides to pursue challenging an exemption it must file with Department of Labor/Bureau of Labor & Industries (BOLI) prior to the end of this forty (40) day period. In such event, DAS, LRU agrees to forego implementing a change in designation until the matter is resolved by way of DOL decision, settlement or other manner.
3. If timely notice indicating intent to contest the exemption during the initial twenty (20) day period is not received or if either Party does not proceed forward during the subsequent forty (40) day period, the position's designation shall be changed, and the Parties agree not to contest the status of this position during the remainder of this contract term, unless the position's duties should materially change such that the exemption is no longer warranted.

4. For purposes of this Agreement, written notice may occur by personal delivery, fax or mail (postmark) within the time frames cited above.

Article 32.2--Overtime

The Oregon Youth Authority (OYA) and the Oregon State Hospital (OSH) and SEIU will obtain the services of a fact-finder from the Employment Relations Board list, to review the affected Agency's use of mandated overtime. The fact-finder will conduct meetings at which the Agencies and the Union will give relevant oral and written information regarding processes and practices for distributing voluntary and mandatory overtime.

The fact-finder shall submit a preliminary non-binding report, including recommendations for improving overtime processes and procedures to the Agency Heads, OSH Superintendent, and SEIU. Upon receipt of the preliminary report, the Agencies and the Union will meet with the fact-finder to discuss the report. After receiving comments from the Agencies and the Union, the fact-finder shall prepare a final report to the respective Agency Heads, the OSH Superintendent, the Office of the Governor, SEIU and the Department of Administrative Services Labor Relations Unit. The final report shall contain non-binding recommendations for improving overtime processes and procedures.

Article 32.2C--Overtime
Overtime Selection: CNA Volunteers (OSH)

This Letter of Agreement is entered into between the SEIU Local 503, OPEU and the State of Oregon by and through the Labor Relations Unit of the Department of Administrative Services, on behalf of the Oregon State Hospital. The Parties agree to the following pilot protocol for the assignment and equalization of overtime opportunity. For purposes of this process, the Portland campus will be considered as one (1) program. For purposes of this process, the float pool employees are assigned to a program area and available for overtime.

1. To implement Article 32.2C,E,G, Section 3, and equalize **voluntary overtime** as equitably as feasible, in the program, the opportunity for voluntary overtime shifts will be offered in the following order:
 - (a) to qualified employees assigned to work in the program where the overtime occurs;
 - (b) if no volunteer is assigned from within the program, the opportunity will be offered as overtime to qualified employees outside the program area.

Each overtime opportunity offered or worked will count as one (1) unit for purposes of equalization, regardless of the amount of time actually offered or worked. Voluntary overtime will be equalized as equitably as feasible within two (2) week time periods. Overtime units from the previous two (2) week period will be used to determine equalization for each scheduling period. The purpose of this Letter is to clarify the definition of volunteers outside the program.

2. Volunteers outside the program must meet the following criteria:
 - (a) The employee must hold either a non-encumbered CNA or LPN;
 - (b) The employee must be current in all unit mandatory training;
 - (c) The employee must hold a position at Salary Range 20S or below;
 - (d) The employee must have successfully completed program orientation or worked an overtime on the program within the past ninety (90) days; and
 - (e) Acceptance of the overtime assignment will not interfere with the employee's regular work schedule.

It is understood that OSH is not responsible for providing employees with hours so they may qualify for recertification as a CNA or LPN.

Qualified employees who sign up for a voluntary overtime opportunity are expected to work the hours. If an emergency occurs, the qualified employee must notify the appropriate supervisor as soon as practical. Except as specifically modified by this Agreement, nothing requires or abridges management's right to assign or re-assign individuals or groups of qualified employees to regular or overtime shifts where they are needed.

Prior to implementation of any mandate, the Institution will exhaust all other options, including on-site volunteers, and a call list of qualified employees. These lists will exclude employees on vacation, sick leave or compensatory time.

3. For purposes of **mandatory overtime**, there shall be one (1) list for each shift per program; one (1) for day shift, swing shift and night shift. This list shall be comprised of all employees assigned to work each shift in each program. This list shall include regular duty employees, float pool, and any other sub program assigned to work in an established program.

Mandatory overtime shall be assigned on a rotating basis from on-shift qualified employees in the program where the overtime occurs. If it is necessary to mandate an employee, the Agency will first offer the opportunity to the qualified employees on the program mandate list. If an employee on the program mandate list volunteers, their name will be moved to the bottom of the mandate list. The employee will have the choice of either working the mandated overtime on their own ward/work unit or on the ward/work unit where the overtime is needed.

Except in an emergency involving public health and safety, employees may not be mandated to work overtime on a day immediately preceding a regularly scheduled day off or an approved vacation of one (1) week or more, or once per fiscal year for vacations of less than one (1) week. Only the Superintendent or his/her designee can determine if an emergency involving public health and safety exists. If an employee is bypassed, he/she shall remain on the top of the list for the next mandatory overtime.

LETTER OF AGREEMENT 32.3E-07-145

Article 32.3E--Overtime **Annual Upland Bird & Big Game Hunt Surveys (ODFW)**

This Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Fish and Wildlife (Agency) and the SEIU Local 503, OPEU (Union).

To meet Agency needs regarding telephonic annual Upland Bird and Big Game Hunt Surveys, for the 2009-2010 Hunter Survey Season, the Parties agree to the following:

1. Notwithstanding Article 32, Section 4(a) of the Master Agreement, a FLSA non-exempt employee who works authorized overtime directly related to the conduct of the Hunter Survey shall be eligible for time and one-half (1 ½) pay, or compensatory time off up to a maximum accrual of sixty (60) hours of compensatory time during the entire period of the Survey season, for working overtime in excess of forty (40) hours in a workweek. After the maximum sixty (60) hours of compensatory time have been accrued, a FLSA non-exempt employee who works authorized overtime directly related to the conduct of the Hunter Survey shall be eligible for time and one-half (1 ½) pay rather than compensatory time off for working overtime in excess of forty (40) hours in a workweek.
2. Notwithstanding Article 32.3, Section 4(b) of the Master Agreement, a FLSA exempt employee who works authorized overtime directly related to the conduct of the Hunter Survey shall be eligible for one (1) hour of straight time pay, or compensatory time off up to a maximum accrual of sixty (60) hours of compensatory time during the entire period of the Survey season, for every one (1) hour of overtime in excess of forty (40) hours in a workweek. After the maximum sixty (60) hours of compensatory time have been accrued, a FLSA exempt employee who works authorized overtime directly related to the conduct of the Hunter Survey shall be eligible for one (1) hour of straight time pay rather than compensatory time off for working overtime in excess of forty (40) hours in a workweek.
3. FLSA non-exempt and exempt employees who are assigned to work authorized overtime in connection to their regularly assigned duties shall be compensated pursuant to Article 32, Section 4 and Article 32.3, Section 5(c) of the Master Agreement.
4. The opportunity for the overtime will be on an equitable basis and will be available to all regular status and full-time trial service employees at all locations where the Bridge software is available, subject to staffing needs and advance supervisor approval. Prior to the beginning of the annual hunt survey season, the Agency will

provide notification of a ten (10) workday application window via e-mail to the ODFW All Staff distribution list. During this ten (10) workday application window, employees must apply as directed to be considered to participate in survey work, consistent with the requirements per #5 of this Agreement. A random system will be used to assign employees from this pool of interested employees. Employees who apply after the ten (10) workday application window has closed will have their name added to the bottom of the list in the order received. Staffing assignments for late season surveys (e.g., damage hunts, spring bear hunts, etc.) will be made by re-randomizing the existing list of names, including those names added to the list after the initial ten (10) workday application window, and employees will be assigned dependent on the specific staffing needs for that survey segment.

5. To participate in the surveys, employees must have advance authorization from their supervisor and must commit to working at least three (3) days a week from 5:00 p.m. to 8:30 p.m. and a minimum of twenty-five (25) work hours to the survey project. The number of employees assigned any given week will be dependent on staffing needs as determined by management. Employees are not authorized to conduct survey calls during periods of assigned on-call, nor during a workweek when they are observing a furlough. Employees are not entitled to a break while conducting survey calls between 5:00 p.m. to 8:30 p.m., nor are employees authorized to use the internet for personal use during this time period. Employees conducting calls will be monitored to ensure effective and productive calling practices, and will be removed from the list for the duration of the survey season covered by this Letter of Agreement, if there is evidence of abuses of that privilege. Employees who wish to participate must have advance authorization from their supervisor.
6. This Agreement shall become effective upon the date of the last signature below and shall automatically expire on the last day of the 2009-2010 Hunter Survey Season, approximately June 30, 2010.
7. This Agreement shall not establish a precedent in any current or future negotiations between the Parties.

LETTER OF AGREEMENT 32.5H-03-74

Article 32.5H--Overtime **HIDTA Program (DOJ)**

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit (Employer), on behalf of the Department of Justice, Criminal Justice Division (CJD) and SEIU Local 503, OPEU (Union).

The High Intensity Drug Trafficking Area (HIDTA) Program requires that compensation for any overtime hours worked must be limited to cash. This means there is no ability for CJD employees doing HIDTA-related work to receive compensatory time in lieu of cash for required overtime.

The purpose of this Agreement is to provide a one-time exception to Article 32.5H--Overtime, Section 6(a) – Election of Cash/Compensatory Time Off.

Specifically, the Parties agree that in instances where HIDTA work requires overtime and there are no CJD volunteers, reimbursement for such hours will be in cash.

APPENDIX A – LETTERS OF AGREEMENT

This Agreement does not set a precedent and shall not be used against the Employer in any forum, including future negotiations.

Unless the Parties agree to extend this Letter of Agreement, it will expire no later than June 30, 2011.

LETTER OF AGREEMENT 40.3A-03-85

Article 40.3A--Work Schedule Premium Pay **Region 3 – Transportation Maintenance Specialists** **(ODOT)**

This Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer) on behalf of the Department of Transportation (Agency) and the SEIU Local 503, Oregon Public Employees Union (Union), who are all Parties to this Letter of Agreement.

By entering into this Letter of Agreement the Parties fully resolve any and all issues arising out of the call-back grievances filed April 19, 2002 and April 22, 2002 by an individual and a group of Agency employees on the Agency's highway maintenance crews in Region 3. The Parties agree that the terms of the Letter of Agreement apply solely to bargaining unit employees permanently employed as Transportation Maintenance Specialists on the Agency's highway maintenance crews or permanent bargaining unit employees assigned to perform call-back work related to highway maintenance.

The Parties agree as follows:

1. Article 40.3, Section 1(b) of the Master Collective Bargaining Agreement is clarified to permit bargaining unit employees to whom this Letter of Agreement applies and who are called back to work by an Agency manager authorized to call employees back to work, to request either cash or compensatory time off for working authorized call-back time. Agency employees requesting either cash or compensatory time off in accordance with this first Section of this Letter of Agreement must request their choice of cash or compensatory time off for call-back time pursuant to established Agency practice or policy.
2. By entering into this Letter of Agreement, the Union automatically withdraws the grievances of April 19 and 22, 2002, and any other outstanding grievance on this same issue filed by a bargaining unit employee on an Agency highway maintenance crew that was allowing those employees to choose between cash and compensatory time prior to the signing of the Letter of Agreement. The pending arbitration of the grievances of April 19 and 22, 2002 will be cancelled and the Parties will split the cost of any cancellation fee of the arbitrator. The intent of this Letter of Agreement is to resolve as an outstanding issue between the Parties the subject of granting either cash or compensatory time to bargaining unit employees assigned call-back work on the Agency's highway maintenance crews or who are called back to perform work related to the maintenance of the state highways.
3. This Letter of Agreement applies only to bargaining unit employees permanently employed by the Agency in the classification of Transportation Maintenance Specialist 1 and 2 on its highway maintenance crews or those employees assigned to do call-back work related to the maintenance of the state highways.

4. This Letter of Agreement establishes no precedent in the resolution of any current or future grievances. By signing this Letter of Agreement, the Union does not waive its right to file future grievances under Article 40.3 upon expiration of this Letter of Agreement without renewal as provided in paragraph 5 of this Letter of Agreement.
5. The Letter of Agreement becomes effective on the date last signed by a Party to it and expires on the date the Master Agreement expires.

LETTER OF AGREEMENT 45.00-05-97

Article 45--Filling of Vacancies **Job Interview Leave**

This Letter of Agreement is entered into between the State of Oregon, acting by and through the Department of Administrative Services Human Resource Services Division, Labor Relations Unit (Employer), on behalf of all Agencies identified in Article 1 and the SEIU Local 503, OPEU.

The purpose of this Agreement is to provide Interview Leave for SEIU-represented (except temporary) employees, as a result of the Special Leaves with Pay Audit findings conducted by the Department of Administrative Services, Human Resource Services Division.

The Audit found that a number of SEIU-represented State Agencies routinely approved Interviewing Leave (IT) and/or Miscellaneous Paid Leave (MPL) for job interviews and that such leaves are not specifically provided for in the 2003-2005 Collective Bargaining Agreement for the affected Agencies' SEIU-represented employees (except for OSAC and OHCS).

This Agreement permits the use of Interview Leave pursuant to the following guidelines:

1. Employees, subject to providing reasonable notice and receiving prior supervisory approval, shall be allowed Interview Leave time, including travel, to interview for positions within their Agency when such interview(s) occurs during their work hours.
2. Employees, subject to providing reasonable notice and receiving prior management approval, shall be allowed up to two (2) hours of Agency paid time for Interview Leave time, including travel, for positions with another state Agency when such interview(s) occurs during their work hours.

Interview Leave time approved and taken to interview with another state Agency that exceeds the two (2) hours of Agency paid time must be recorded as accrued leave, leave without pay, or managed through approved flextime within the same workweek. Use of accrued leave for this purpose shall not result in overtime.

3. Denial of Interview Leave time shall be subject to the grievance procedure up to Step 2.
4. All Interview Leave time, including travel, approved under Subsection 1 and 2 must be recorded as IT on the employee's timesheet/time reporting record.
5. Interview Leave used shall not count as time worked for purposes of overtime.

APPENDIX A – LETTERS OF AGREEMENT

6. An Agency shall not incur any employee reimbursement costs.

This Agreement shall be effective through June 30, 2011, unless extended by mutual agreement.

LETTER OF AGREEMENT 45.00-09-175
Article 45--Filling of Vacancies
Legislative Branch

This Letter of Agreement is entered into between the State of Oregon, acting by and through the Department of Administrative Services, Labor Relations Unit (Employer) on behalf of all Agencies identified in Article 1 and the SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to provide employees who have attained regular status in an SEIU-represented position and who, in the past, would have entered into job rotation agreements with the Legislative Branch, the ability to be reemployed by their former agency into their former classification in which they held regular status.

The Parties agree that Article 45 and all agency-specific coalition language found in Articles 45.1 through 45.5 does not apply to the reemployment of an Executive Branch employee who was employed by the Legislative Branch and then requests reemployment with the former Executive Branch Agency. Specifically, the Agency layoff list does not take precedence over this reemployment, and agencies are not required to comply with any agency-specific language regarding posting of vacancies.

The Parties further agree that the time worked for the Legislative Branch is considered state service for purposes of seniority.

This Agreement is effective until the expiration of the 2009-2011 Collective Bargaining Agreement, and may be extended by mutual agreement.

LETTER OF AGREEMENT 45.5A-07-149
Article 45.5A--Posting of Vacancies
Transition of Positions – Lord & Farrell Schools (MacLaren & Hillcrest)

This Letter of Agreement is entered into by the State of Oregon, acting through its Oregon Department of Administrative Services, Labor Relations Unit (Employer) on behalf of the Oregon Department of Education (ODE/Agency), and SEIU Local 503, OPEU (Union).

The Parties agree to follow the procedure below for the transition of positions and job functions currently assigned to Lord's School at MacLaren and Farrell School at Hillcrest.

1. This Agreement pertains only to present and future vacant ODE positions represented by the Union assigned to Lord and Farrell Schools located at the MacLaren and Hillcrest Youth Authority facilities, respectively.
2. When positions become vacant at either Lord or Farrell School, the Agency agrees to post the vacant position for current employees to consider a lateral transfer consistent with Article 45.5A of the Collective Bargaining Agreement. Under this provision, current employees would receive an opportunity to transfer to the vacated position.
3. In the event a vacant position is filled with a transfer from another

represented position, the subsequent position would then be similarly posted.

4. The Parties agree that where a vacancy is not filled by transfer, the Agency may seek to have the Willamette Education Service District perform those duties as part of its Juvenile Corrections education services contract with the Agency.
5. This Agreement will sunset on June 30, 2011.

Section 3. Nothing in this Letter of Agreement is intended to modify any other provisions and benefits which the employee would otherwise be entitled to receive after an initial six (6) month trial service.

This Agreement is effective July 1, 2009 through June 30, 2011.

LETTER OF AGREEMENT 49.1M-03-72
Article 49.1M--Trial Service
Disability Analyst 1 (DHS)

For those employees hired in the Disability Determination Services section of the Department of Human Services in the classification of Disability Analyst 1 trial service will be nine (9) months. However, the trial service period will be six (6) months for an employee who has prior experience evaluating or adjudicating applicants for Social Security Disability Insurance and Supplemental Security Income in another state, and as a result of that experience, is not required to attend Basic Disability Analyst training. The performance expectations for those employees serving a nine (9) month trial service period shall be adjusted in consideration of the period of initial training required.

To insure that Disability Analyst employees continue to be successful in completing their training and nine (9) month trial service period, the Parties agree that a training evaluation committee should be created for the purpose of on-going evaluation of this effort. It is further agreed

APPENDIX A – LETTERS OF AGREEMENT

that this committee should comprise an equal number of labor and management representatives. Recommendations developed by this committee will be submitted to whomever the DDS Administrator reports to.

Subject to operating needs, employees may be authorized to adjust their work schedules during the workweek or be permitted to work at an office which is open on Monday of that week. Such schedule changes are not subject to the sixty (60) consecutive hours off within Article 90.3A nor will they cause any form of penalty pay.

This Letter of Agreement will expire on January 2, 2011.

LETTER OF AGREEMENT 60.3C-05-138

Article 60.3C--Leaves of Absence With Pay **Rest & Recovery (Forestry)**

Article 70--Layoff **Eligibility Extension**

This Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (Employer), and the SEIU Local 503, OPEU (Union).

The Employer and the Union recognize the need for reduction in force due to the budgetary impacts of the 2009-2011 biennium, therefore, the Parties agree to the following:

For recall purposes, under Article 45, Section 2 (a)(1), and Article 70

Sections 9 and 10, the term of eligibility for candidates placed on the Agency layoff list shall be three (3) years from the date of placement on the Agency layoff list. The third (3rd) year extension for recall shall not affect timelines of other terms and conditions of the bargaining agreement, except the following conditions shall apply for any candidate who is recalled after two (2) years but prior to the end of the third year:

- For layoff service date purposes, seniority will be adjusted by the amount of break-in-service.
- The candidate shall be paid at the same salary step at which such candidate was being paid at the time of layoff.
- The recognized service date will be adjusted by the amount of the break-in-service, and vacation accrual rates will resume at the candidate's rate at the time of layoff.
- The salary eligibility date will be adjusted by the amount of break-in-service.
- Any candidate who is recalled after the initial two (2) year period will be subject to all provisions of Article 49, including coalition language, except that the trial service period will be ninety (90) days.

This Letter of Agreement will sunset on June 30, 2011. However, an employee laid off shall remain on the Agency layoff list pursuant to the terms of this Letter of Agreement if not removed from the list.

This Letter of Agreement applies to all employees on Agency layoff list(s), upon execution of the Agreement as well as anyone laid off during the term of the Agreement.

LETTER OF AGREEMENT 70.1M-01-67

Article 70.1M--Layoff **Bumping Options (DHS Non-Institutions)**

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit, on behalf of the State of Oregon and the SEIU Local 503, OPEU.

In addition to the options offered to DHS employees in Articles 70 and 70.1M, incumbents in the following classifications, at the time of the signing of this Agreement, will also have the option to bump the lowest DHS service credit person in the State within their same classification. This option will remain available until such time as the employee vacates his/her current position, except that employees who promote or demote within their current classification series will retain eligibility for this option.

The affected classifications are: Public Health Engineer 3, Investigator 3, Communicable Disease Investigator, Environmental Health Specialist 2 and 3, Public Health Educator 1 and 2, Natural Resource Specialist 3 and 4.

A listing of the affected incumbents may be obtained from DHS Personnel or SEIU Local 503, OPEU.

LETTER OF AGREEMENT 70.1M-03-83

Article 70 & 70.1M--Layoff **Layoff Service Dates (DHS)**

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit, on behalf of the Department of Human Services (Non-Institutions), and the SEIU Local 503, OPEU.

In recognition of the challenges facing the Department of Human

APPENDIX A – LETTERS OF AGREEMENT

Services in calculating employee Layoff Service Dates following reorganization and not wanting to unnecessarily upset current employees, the Parties agree to the following understanding concerning Articles 70--Layoff and 70.1M--Geographic Area for Layoff (DHS Non-Institutions):

The Parties agree that the Department will not have to calculate and post Layoff Service Dates for employees in classifications affected by layoff as long as a vacancy exists (which management intends to fill) in the affected classification within the designated area of layoff. This is predicated on a vacant position, which DHS Non-Institutions intends to fill, always being considered as the "least senior" position in any classification. In instances where a vacancy does not exist within the affected employee's designated area of layoff (immediate worksite/building or current District), the Department agrees to calculate and post Layoff Service Dates in accordance with Article 70, Section 2(a) provisions.

Implementation of this understanding will be on a trial basis for the duration of the 2009-2011 Contract term.

LETTER OF AGREEMENT 70.1M-07-151

Article 70.1M--Layoff

Designation of Classification for Layoff (DHS)

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit (Employer), on behalf of the Department of Human Services (DHS) and SEIU Local 503, OPEU (Union).

The purpose of this Agreement is to clarify the classification to be utilized during the DHS Layoff scheduled for 1-17-06 in instances where an affected employee has a new or revised class allocation appeal or reclassification appeal pending final resolution at the time seniority credits are frozen on or about 11-1-05. The intent of the Parties is to identify the Article 70 and related sub Article provisions as having a priority over the Article 81 provisions when both processes are occurring simultaneously.

Specifically, it is agreed that:

1. Classification for layoff purposes is the employee's classification of record on the date the seniority list is frozen.
2. Classification changes (reallocations, reclassifications) approved for implementation after the seniority list is frozen, but before the layoff effective date, will not be implemented until the day after the layoff date at the earliest and shall not be arbitrarily delayed.
3. Both the incumbent and bumping in employee cannot equally benefit from a successful change in Admin or Trades Study allocation change, whether requested by the Agency or employee appeal (e.g., both be reallocated, both have recall rights to the higher class, etc.).
 - (a) Bumped out employees should benefit from reallocation for pay purposes up to the layoff date and be eligible for recall back to the reallocated class.
 - (b) Bumping in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee's former classification, rather than to the newly designated class for

the bumped into position.

4. Both the incumbent and bumping in employee cannot equally benefit from a successful Agency requested reclassification or employee initiated classification appeal.
 - (a) Bumped out employees should benefit from reclassification for pay purposes up to the layoff date.
 - (b) Bumping in employees should receive benefit for pay purposes beginning the effective date of landing in the new class until or unless management removes the higher level duties. Recall rights should be to the employee's former classification, rather than to the newly designated class for the bumped into position.
5. Pay will be reconciled, as appropriate, for employees laid off or bumped out of positions affected by a successful reallocation or reclassification.
6. This Letter of Agreement is intended to be precedent setting.
7. This Letter of Agreement will continue for the duration of the 2009-2011 Contract term.

LETTER OF AGREEMENT 90.2EG-99-35

Article 90.2E,G--Work Schedules **Sixteen Hour Shifts (EOTC/BMRC)**

This Letter of Agreement is entered into between the State of Oregon Department of Administrative Services (hereinafter the "Employer") on behalf of Eastern Oregon Training Center and Blue Mountain Recovery Center (hereinafter the "Agency"), and the SEIU Local 503, OPEU (hereinafter the "Union").

1. This Agreement establishes a special weekend shift schedule. While the Agency and the Union agree that the special weekend schedule has potential to be demanding, employees on the special weekend shift schedule shall have the option of transferring to their choice of available vacancies after thirty (30) days and no later than forty-five (45) days after the first day worked on the special weekend shift.
2. The special weekend shift schedule shall consist of two (2) sixteen (16) hour shifts each week; one (1) shift on Saturday, and one (1) shift on Sunday and one (1) additional eight (8) hour shift

APPENDIX A – LETTERS OF AGREEMENT

assigned Monday through Friday, totaling forty (40) hours in an established time of seven (7) consecutive twenty-four (24) hour periods. To implement the special weekend shift schedule the additional eight (8) hour day will be assigned by seniority according to the employee's preference. After implementation the Agency will determine the additional eight (8) hour day for vacancies based on staffing needs.

The sixteen (16) consecutive hours of work, except for interruption of any unpaid meal periods, shall constitute a regular scheduled workday. There shall be two (2) thirty (30) minute lunch periods per sixteen (16) hour shift, as near as possible to the midpoint of each eight (8) hour period. To implement the special weekend shift schedule employees shall choose either two thirty (30) minute, paid, on duty, lunch periods per sixteen (16) hour shift or two thirty (30) minute, unpaid, off duty, lunch periods per sixteen (16) hour shift - in either case to be as near as possible to the midpoint of each eight (8) hour period. After implementation the Agency will determine the lunch period choice for vacancies based on staffing needs. There shall be four (4) fifteen (15) minutes paid, on-duty, rest periods per sixteen (16) hour shift, as near as possible to the midpoint of each four (4) hour block. There shall be no overtime paid per their scheduled two (2) sixteen (16) hour shifts.

3. The Parties recognize the significance of this special weekend schedule and agree that the Agency will select employees on the basis of those individuals having seniority as defined in Article 45.2C,D,E,G,H, Section 2(a), who have the special qualifications to perform the job and who request the transfer. Special qualifications include:
 - An acceptable attendance history as defined by no instances of unauthorized leave without pay in the last twelve (12) month period; and, ability to work independently as defined by no instances of disciplinary action in the last six (6) month period.
 - It is further recognized and agreed by the Parties and the employees that extraordinary attendance is mandatory for continuation in the special weekend shift schedule. Accordingly, Management may discontinue the special weekend shift schedule and place them in other workweek schedule assignments at any time, if the employee absents themselves without authorized leave. In addition, given reasonable concerns, the Agency may require, at each employee's expense, a statement from a physician, in a form prescribed by the Agency, that the employee is capable of working the full special weekend shift schedule before being allowed to continue on the special weekend shift schedule.
4. It is understood that the Agency may elect to discontinue the special weekend shift schedule. The Agency, however, will provide the bargaining unit members with thirty (30) days advance notice before discontinuing the use of the special weekend shift. Upon cancellation, the Agency shall place employees in other regular workweek schedule assignments per the contract in effect at the time the shift schedule is discontinued.
5. To accommodate the special weekend work schedule change, the Parties agree that the following Articles in their 2005-2007 Collective Bargaining Agreement are modified, as indicated, to provide for the implementation and maintenance of the special

weekend shift schedule:

- Article 20--Discipline and Discharge, is hereby modified to provide that the Article does not apply if the special weekend shift schedule was discontinued and they are assigned to a regular workweek schedule because of attendance problems. However, removal from the special weekend shift schedule and assignment to the regular workweek schedule may be utilized as an early step of progressive discipline in performance-related matters and such removal is subject to Article 21--Grievance and Arbitration Procedure.

- Article 32--Overtime, is hereby modified to provide that each employee will be paid straight time for the total sixteen (16) hours.

Each employee will be scheduled for eight (8) additional work hours to equal a forty (40) hour workweek. Time and one-half (1 ½) will be paid for hours in excess of the two (2) sixteen (16) hour shifts and one (1) eight (8) hour shift in the seven (7) consecutive twenty-four hour (24) periods.

(See Letter of Agreement 32.00-99-16.)

- Article 56--Sick Leave, is hereby modified to provide that employees assigned to the special weekend shift schedule prorated basis must schedule time off in blocks of no less than four (4) hours on Saturdays and Sundays and two (2) hours on week days.
- Article 58--Holidays, is hereby modified to provide that each employee shall be paid in cash, unless compensatory time off is requested by the employee, at the overtime rate of time and one-half (1 ½) for recognized holidays that actually fall on the weekend, provided each employee works the full sixteen (16) hour shift. Likewise, when the affected employee is scheduled and works on the recognized holiday which falls on the weekday the affected employee is actually scheduled to work the eight (8) hour shift, the affected employee will be paid, unless the employee requests compensatory time off, at the overtime rate of time and one-half (1 ½) for the full eight (8) hour shift, provided she/he works the full eight (8) hour shift, or the affected employees will be scheduled off with holiday straight time pay to count towards the forty (40) hour workweek.
- Article 66--Vacation Leave, is hereby modified to provide that employees assigned to the special weekend shift schedule must schedule time off on Saturdays and Sundays in blocks of no less than four (4) hours.
- Article 66.2--Vacation Scheduling, is hereby modified so that time off must be scheduled off in blocks of no less than four (4) hours.
- Article 70--Layoff and Recall, shall be followed, except:
 - A) Where an employee has received notice of layoff from a regular five (5) day, eight (8) hour position:
 1. In order to "bump" into a special weekend schedule position the employee must have an attendance pattern necessary for the special weekend schedule; and,
 2. Must desire a sixteen (16) hour shift. If an employee does not desire a sixteen (16) hour shift, the employee may displace the employee with the lowest service credits in a position outside the special weekend shift.
 - B) Where employees are recalled to work a sixteen (16) hour shift, they must have:
 1. An attendance pattern necessary for the special weekend shift schedule;

APPENDIX A – LETTERS OF AGREEMENT

2. Must be physically capable of working sixteen (16) hour schedules two (2) days in a row; and,
 3. A desire to work a sixteen (16) hour shift. An employee who passes on a sixteen (16) hour shift retains his/her position on the recall list.
- Article 121.2--Education, Training and Development, shall be followed noting that Article 40, Section 2 will be followed if training needs require a schedule change.
6. Employees agree that their employment for the Agency is their primary employment and will not allow any other form of outside employment to interfere with their ability to perform their assigned duties on the special weekend shift schedule. Repeated incidents of outside employment interfering with the employee's ability to perform their assigned duties may result in the Agency revoking the special weekend shift schedule.
 7. The cancellation or discontinuance of the application of the provisions of this Agreement is excluded from the grievance process.
 8. The Parties agree to meet forty-five (45) days from the implementation date of this Agreement to discuss and review the progress of the special weekend schedule. SEIU Local 503, OPEU Local 391 may initiate such meetings. The Agency agrees to meet with the Local before exercising its final cancellation right outlined above.

Article 90.3A--Work Schedules
Motor Carrier Enforcement Officers (ODOT)

This Letter of Agreement is entered into between the Department of Administrative Services, Labor Relations Unit, on behalf of the Oregon Department of Transportation, and the SEIU Local 503, OPEU.

In the interest of cooperation and team building between the Parties and to minimize potential problems related to the scheduling process for the ODOT Motor Carrier Transportation Division, the Parties agree that:

1. In the developing of district schedule formats, individual employees may waive specific provisions of Article 90.3A, Section 1(c) and (f) when there is written mutual agreement between an individual employee and their supervisor, and such agreements do not result in overtime or FLSA violations.
2. Employee shifts and days off will not be final until they are officially scheduled and posted in accordance with Article 90.3A, Section 1(a) "...seven (7) calendar days prior to the effective date of the schedule"; (changes to the posted schedule are governed by Article 40.3--Penalty Pay, 90.3A--Work Schedules, and related Letters of Agreement two (2)).
3. Nothing in this Agreement is intended to restrict management's rights to determine work schedules consistent with Articles 90, 90.3A, and related Letter of Agreement, to schedule employees subject to operational needs including trials, training/crew meetings, special operations, etc.

The Parties agree to the following:

APPENDIX A – LETTERS OF AGREEMENT

Section 1. Application.

This Agreement covers all SEIU Local 503, OPEU-represented employees who are required to possess a commercial driver license and perform safety-sensitive functions in all Agencies where the Union is the bargaining agent. This Agreement is specifically limited to meeting the alcohol and drug testing requirements pursuant to Federal Department of Transportation regulations for CDLs and applicable law.

Section 2. Term of Agreement.

This Agreement ends June 30, 2011 except as otherwise noted.

Section 3. Payment for Testing.

Agencies will pay for random, reasonable suspicion, post-accident and return to duty testing. If an employee wants additional tests conducted, the employee pays for the test. As used herein, a drug test may include both the initial test and confirmation of a single specimen.

Where an employee with a positive alcohol/drug test result is offered a last chance agreement by the Agency, which the employee signs, the Agency will pay for the first six (6) follow-up tests required by the certified substance abuse professional.

Section 4. Pre-Employment Testing.

A pre-employment drug test will be conducted under the following conditions, except where conditions listed in Part 382.301(b)(c) are met:

- (a) New hire to the Agency, unless the employee meets the requirements outlined in the regulations.
- (b) Return from layoff.
- (c) Reemployed as a seasonal employee.
- (d) Promotions, demotions and transfers where the employee moves into a position that requires a commercial driver license.

The Parties acknowledge that an Agency, at its own discretion, may decide to offer a last chance agreement to an employee as an alternative to termination. However, nothing in the Master Agreement or this Agreement shall preclude an Agency from issuing a lesser form of discipline in conjunction with offering a last chance agreement. Last chance agreements will not include blood testing or additional follow-up testing not required by the certified substance abuse professional. The duration of a last chance agreement shall be for a period of five (5) years starting from the effective date of the last chance

agreement. After the five (5) year period, the last chance agreement will be removed from the employee's personnel file.

Section 6. Use of Leaves.

- (a) An employee will be granted Agency time for actual testing, traveling to and from the test site if such travel is required and for meeting with the Medical Review Officer if such meeting is necessary.
- (b) An employee who tests positive in a random, reasonable suspicion or post-accident test can use any accrued leave or leave without pay pursuant to the terms of the Agreement when removed from his/her position when the Agency does not assign the employee non-safety-sensitive functions to perform.
- (c) An employee can use accrued leave or leave without pay pursuant to the terms of the Agreement to enroll in and participate in a rehabilitation program and for meeting with the certified substance abuse professional if such meeting is required.
- (d) If test results are later found to be negative, and the employee used accrued leave when removed from a safety-sensitive function, the employee's leave accrual balance will be restored.

Section 7. Refusal to Test. An employee will be terminated pursuant to the requirements of the Agreement.

Section 8. Definition of "Accident" for Purposes of Post-Accident Testing. The definition of "accident" shall be the same as the definition contained in Part 390.5 of the Federal Regulations. - (a) Return from Layoff.

- blood pressure measure; and,
- body mass index calculation.

Health Screening Questionnaire: This will be the second step of the pre-test medical screening and will utilize employee information gathered from the previous Risk Assessment. Employee responses to this questionnaire will be masked (hidden) from any reviewer, preventing medical information from being seen by the reviewer. Employee specific health related information will be kept completely confidential throughout this process.

Pre-test medical screenings and WCT will be conducted on employee paid time.

Section 4. Test Administrators.

Test Administrators will inform employees of the results of the Health Screening Questionnaire. Test Administrators will be certified as Test Administrators.

Section 5. Medical Release.

Medical certification from a licensed physician of the employee's ability to take the WCT will be required when:

- The pre-test medical screening indicates the employee should not take the WCT without physician approval; or,
- The employee knows they have a medical condition that would require physician approval to take the test.

Medical certification from a licensed physician of the employee's ability to perform their assigned fire duties will be required when:

- The employee fails the WCT after their second attempt; or,
- The Employer has observed that the employee has difficulty performing their assigned fire duties.

Section 6. Test Administration.

Test Administrators are responsible for the collection of the Health Screening Questionnaire prior to allowing employees to test. Test Administrators are responsible for ensuring that while any employee testing occurs a certified Emergency Medical Technician (EMT) is present at the test site and has defibrillation capability on site.

Section 7. Costs.

- (a) The pre-test medical screenings and WCT will be provided by the Department of Forestry at no cost to employees required to take the test.
- (b) Releases obtained from licensed physicians as described in Section 5 will not be provided by the Department of Forestry. Any costs associated with those releases will be the responsibility of the employee.

Section 8. Conditioning Program.

The Employer shall develop a recommended WCT conditioning program in conjunction with Work Capacity Testing, as a component of the Statewide Safety Committee mission. The conditioning program will be completed no later than December 31, 2005. This conditioning

APPENDIX A – LETTERS OF AGREEMENT

program will be made available to all DOF employees free of charge.

Section 9. Alternatives for Permanent Employees.

- (a) Employees whose terms and conditions of hire did not include passing the WCT, who made a good faith effort to pass the WCT and are unable to pass the WCT, and are unable to obtain a medical release to perform their assigned duties shall be assigned alternate work consistent with their fitness level for the duration of the fire season.
- (b) Employees whose terms and conditions of employment did include the WCT, who made a good faith effort to pass the WCT and are unable to do so, and are unable to obtain a medical release to perform their assigned tasks, may be provided suitable work, if available, consistent with their fitness level, for the duration of the fire season.

Section 10. Alternatives for Seasonal Employees.

Employees who made a good faith effort to pass the WCT, and are unable to do so, or are unable to secure a medical release to perform their assigned work will be recalled and, based on a review of their position description, provided suitable work, provided such work is available for the duration of the fire season. Alternatively, at the employee's choice, he/she may elect not to be recalled in which case he/she shall have his/her name returned to the recall list for the following season.

If, in the following season, the employee is again unable to pass the WCT or secure a medical release to perform their assigned work, and they were assigned suitable and available work in the prior season, he/she shall have his/her name returned to the recall list for the following season.

Following the fire season in which they have not been employed by DOF, if the employee is unable to pass the WCT or secure a medical release to perform their assigned work, they will be deemed to have resigned.

Section 11. Statistics.

DOF will maintain statistics during the course of this LOA period to include the following items of information:

- (a) Employment status of those taking the WCT, i.e., seasonal or permanent by area;
- (b) Numbers of persons who take the WCT, those who pass and those who fail by employment status;
- (c) Number unable to take the WCT by employment status; and,
- (d) Number of persons provided alternative work and the type of alternate work performed by employment status and area.

Between January and April 2008, the Parties will meet to review the statistics for the previous two (2) seasons.

Section 12. Effective Date.

This Letter of Agreement continues until June 30, 2011, unless extended or eliminated by mutual agreement of the Parties.

This Letter of Agreement shall become effective September 1, 2009 and automatically terminate June 30, 2011, unless the Parties agree to extend or amend its provisions.

APPENDIX A – LETTERS OF AGREEMENT

Employees who are mandated to take a greater number of mandatory unpaid time off than closure days, based on Section 1, will take the remaining mandatory unpaid time off as float days consistent with Section 5 below.

5. Floating Mandatory Unpaid Time Off

(a) For agencies or programs designated by the Employer as non-closures (see list provided by the Employer on 6/22/09), employees will have their choice of days off, subject to operating needs. In the event that an agency receives additional positions from the 09-11 Legislature, the Employer will notify the Union of those positions that are subject to float days.

(b) Employees subject to floating mandatory unpaid time off will submit a mandatory unpaid time off request form to their supervisors at least thirty (30) days prior to the start of each quarter and supervisors will respond no later than fifteen (15) days prior to the start of each quarter.

(c) Mandatory unpaid time off requests for the same days will be determined pursuant to the specific provisions contained in Article 66.1 – 66.5 and related Agency provisions.

(d) In an effort to ensure that the scheduling of time off is distributed throughout the term of this Agreement, mandatory unpaid time off will be scheduled on a quarterly basis unless there is mutual agreement between an employee and his or her supervisor to schedule more days in some quarters and fewer in others, but in no case no more than two (2) days (sixteen (16) hours) in a month.

(e) If the mandatory unpaid time off is not scheduled or taken within the applicable quarter, then management reserves the right to ensure the mandatory unpaid time off is rescheduled and taken within the same quarter, if possible, or next quarter, (except for the last quarter in the biennium, during which management may reschedule such time during the same quarter).

(f) The Agency shall not incur any penalty or overtime payment for adjustments to employees' schedules not to exceed a thirty-two (32)-hour workweek.

6. No employee will be required to use mandatory unpaid time off on a holiday. An employee is not precluded from requesting to use mandatory unpaid time off on a holiday pursuant to the above provisions.

7. Unless required by law, no employee shall be authorized to substitute any other types of unpaid absences or paid leave to replace mandatory unpaid time off.

8. If a closure day is scheduled on a day in which an employee is scheduled to work more or less than an eight (8)-hour workday, the employee, with supervisory approval, will adjust his or her schedule in a manner which is consistent with the practice that is used during a week in which there is a holiday. In either case, the employee's schedule will not exceed a thirty-two (32)-hour workweek. The Agency shall not incur any penalty or overtime payment for adjusting the employee's schedule.

9. An employee shall not work on a date designated as mandatory unpaid time off. However, in emergency situations based on operational needs, the Agency head or designee may require the employee to work. Pursuant to the Collective Bargaining Agreement, the Employer shall pay any appropriate call-in or penalty pay for requiring an employee to work on a scheduled day off. If the Employer requires an employee to work on a date designated as mandatory unpaid time off, the employee will have his or her choice of an alternate day, subject to the operating needs and the provisions of Section 5. A mandatory unpaid time off day, if canceled, may not be rescheduled more than once.

10. A regularly scheduled sixteen (16)-hour shift worker will be allowed to work eight (8) hours of the shift scheduled on a mandatory unpaid time off day.

11. Should a designated closure date fall on the employee's regularly scheduled day off, subject to Agency approval, the employee shall take the mandatory unpaid time off on an alternate workday.

(a) If the alternate time is not scheduled or taken within the applicable quarter, then management reserves the right to ensure the mandatory unpaid time off is rescheduled and taken within the same quarter, or next quarter (except for the last quarter in the biennium, during which management may reschedule such time during the same quarter).

(b) The Agency shall not incur any penalty or overtime payment for adjustments to employees' schedules not to exceed a thirty-two (32)-hour workweek.

12. Mandatory unpaid time off will not count as a break-in-service for purposes of seniority or employee salary eligibility date.

13. Mandatory unpaid time off shall not add to the length of an employee's trial service period.

14. Deductions from the pay of a FLSA-exempt employee, for absences due to a budget required mandatory unpaid time off, shall not disqualify the employee from being paid on a salary basis except in the workweek in which the mandatory unpaid time off occurs and for which the employee's pay is accordingly reduced.

15. If a FLSA-exempt employee is permitted to work in excess of forty (40) hours in a workweek in which the employee takes mandatory unpaid time off, then such employee shall be eligible for pay at the rate of time and one-half (1 1/2x) for hours in excess of forty (40) hours that workweek.

16. For payroll purposes, mandatory unpaid time off shall be assigned a specific payroll code(s).

LETTER OF AGREEMENT 00.00-09-193 **Mandatory Unpaid Time Off** **Clarifications For Implementation**

The Letter of Agreement is between the State of Oregon, acting through its Department of Administrative Services (DAS) (Employer) and the SEIU Local 503, OPEU (Union). The parties agree to the following clarifications for implementation of the mandatory unpaid time off Letter of Agreement #00.00-09-189.

APPENDIX A – LETTERS OF AGREEMENT

- For purposes of a guideline, the tiered obligation for floating mandatory unpaid time off days has been equally split between the fiscal years in the biennium.

Tier	Sept. 2009 – June 2010	July 2010 – June 2011
1. \$2450 and below	5	5
2. \$2451 - \$3100	6	6
3. \$3101 and above	7	7

- Requests for Floating Mandatory Unpaid Time Off Days for September through December 2009.

Since the requirement to submit requests for floating mandatory unpaid time off days cannot be submitted thirty (30) days prior to the start of the quarter, the following will apply for such requests for September 2009 and the October-December 2009 quarter. Any time through October 15, 2009, employees may request to take up to two (2) float mandatory unpaid time off days in each month in this quarter. The supervisor will have up to fifteen (15) days to respond to the employee's request for the mandatory unpaid time off day.

- Scheduling Floating Mandatory Unpaid Time Off for Newly-Hired, Reemployed, Recalled and Transferred Employees.

At the time of an employment offer letter, the employee shall be given the dates in the current and/or next quarter that have been designated as floating mandatory unpaid time off days.

- Seasonal Employee - Calculation of Mandatory Unpaid Time Off Obligation.

Full-time seasonal employee's mandatory unpaid time off days obligation shall be determined by using the following formula as a guideline:

$$(MS \div TM) \times TO$$

Formula Description:

MS = Estimated number of months the seasonal employee will work during the period in which mandatory unpaid time off must be taken.

TM = Total number of months during the 2009-2011 biennium during which mandatory unpaid time off must be taken (which is twenty-two (22) months).

TO = Total number of mandatory unpaid time off days required for the biennium for the salary tier for the employee.

Example: The employee's seasons include the months of May through October 2010 and May through October 2011. The seasonal employee is expected to work both seasons. However, since the term of the Collective Bargaining Agreement begins September 1, 2009 and ends on June 30, 2011, only September and October 2009, May through October 2010, and May and June in 2011 count for determining the mandatory unpaid time off obligation. Consequently, there are nine (9) months of the employee's seasons in the biennium that count. The seasonal employee is in the top salary tier which has a maximum of fourteen (14) mandatory unpaid time off days. The calculation is the following:

$$(MS \div TM) = (9 \text{ months} \div 22 \text{ months}) = .409$$

$$TO = 14 \text{ days}$$

$$(9 \div 22) \times 14 = 5.73 \text{ days}$$

Rounding to nearest whole number = 6 mandatory unpaid time off days (8 hours each).

Part-time seasonal employee's mandatory unpaid time off obligation is prorated based on the scheduled hours for the part-time seasonal employee in the month. The same formula is used for part-time employees to calculate the number of days they are obligated to take. The mandatory unpaid time off obligation shall be prorated using the following formula as a guideline:

$$(SSH/FTH) \times 8 = MH$$

Formula Description:

SSH = The scheduled hours in a month for the part-time seasonal employee.

FTH = The number of full-time hours in a month.

8 = The number of hours in a full-time mandatory unpaid time off day obligation.

MH = The number of mandatory unpaid time off hours required for a mandatory unpaid time off day for the part-time seasonal employee.

Example: Using the facts in the example used for full-time calculation (six (6) mandatory unpaid time off days), but adding that the part-time seasonal is scheduled to work three-quarter (3/4) time for the month. Three-quarter (3/4) time is equivalent to one-hundred thirty (130) hours (i.e., three-quarters (3/4) of the one-hundred seventy-three and thirty-three one-hundredths (173.33) full-time hours in a month). The calculation is:

$$(130 \text{ hours} / 173.33 \text{ hours}) \times 8 = 6 \text{ hours}$$

The three-quarter (3/4) time employee would take three-quarters (3/4) of a workday (i.e., six (6) hours) off for a mandatory unpaid time off day scheduled for the month.

Seasonal employees employed multiple seasons and/or by multiple agencies, will be dealt with on an Agency-by-Agency basis to determine the number of mandatory unpaid time off days.

- Demotions, Promotion, Reclassification Resulting in a Change in Salary Tier for Mandatory Unpaid Time Off.

The effective date for a change in salary tier and a change in the mandatory unpaid time off obligation of an employee will be the effective date of the personnel action. However, if the effective date is after the fifteenth (15th) of the last month in a quarter, the change will be effective the following quarter.

- Unpaid Leaves (Including FMLA/OFLA, Military Leave, Workers Comp, Leave Without Pay) During Closures.

For employees observing mandatory unpaid closure days, if an employee is on leave without pay when a mandatory unpaid time off closure day occurs, the employee will not be required to make up the missed mandatory unpaid time off day.

APPENDIX A – LETTERS OF AGREEMENT

7. Unpaid Leaves (Including FMLA/OFLA, Military Leave, Workers Comp, Leave Without Pay) and Float Day Observance.

For employees observing mandatory unpaid float days, if an employee's scheduled mandatory unpaid time off day occurs when the employee is on leave without pay, the employee will be required to take or schedule the mandatory unpaid float day, unless the employee is on leave without pay for the entire calendar month.

If an employee returns to work the fifteenth (15th) day or before in the last month of a calendar quarter, the employee shall schedule and take the mandatory unpaid float day in that quarter, or, with approval, may schedule one (1) mandatory unpaid float day in the following quarter.

8. Employees Returning to Work from Unpaid Leave Without Pay in the Last Month of a Calendar Quarter.

If an employee returns to work from Leave Without Pay after the fifteenth (15th) day in the last month of a calendar quarter, the employee will not be required to take the floating mandatory unpaid time off for that quarter.

9. Scheduling of Vacation and Mandatory Unpaid Time Off.

In Agencies where vacation schedules or comp time off must be requested in advance and the advance requests cover periods of time beyond the quarterly scheduling of mandatory unpaid time off days, the prescheduled vacation or comp time off shall take precedence over scheduling of mandatory unpaid time off days. However, the quarterly scheduling of unpaid time off shall take precedence over short term vacation or comp time off requests.

Once mandatory unpaid time off has been scheduled, requests for vacation may be denied for operational reasons and cannot cause a rescheduling of mandatory unpaid time off days of other employees.

Employees may schedule a mandatory unpaid time off day as part of their vacation request, (e.g., an employee may request a week's vacation that includes a mandatory unpaid time off day). Also, if an employee requests and is approved for vacation in the future, at the time of submitting his/her quarterly mandatory unpaid time off request form, for the quarter in which the vacation is approved, the employee may request to substitute mandatory unpaid time off for pending vacation time. However, in no case shall an employee take more than two (2) mandatory unpaid time off days in a month. If seniority is used as a tiebreaker or to bump a preapproved vacation, there shall be no substitution with mandatory unpaid time off days.

10. Scheduling of Pre-Approved Paid Sick Leave and Mandatory Unpaid Time Off.

Employees who have pre-scheduled, paid sick leave (e.g., elective surgery, maternity leave, etc) may substitute a mandatory unpaid time off day for the pre-approved paid sick leave. The request to substitute is made at the time of submitting his/her quarterly mandatory unpaid time off request form for the quarter in which the sick leave is approved. However, in no case shall an employee take more than two (2) mandatory unpaid time off days in a month.

11. Employees Called In to Work on a Mandatory Unpaid Time Off Day Off.

In the event an employee is called in to work on a date designated as a mandatory unpaid time off day due to operational needs, the employee and supervisor shall arrange to take the remainder of the mandatory unpaid time off at a mutually agreeable time. The remaining mandatory unpaid time off, with approval from the supervisor, may be taken during the employee's workweek, as long as the workweek does not exceed thirty-two (32) hours, or at another time. If the remaining hours of mandatory unpaid time off to be made up are less than an employee's full scheduled workday, the employee may either split a workday (mandatory unpaid hours plus regular work hours) to make a full work shift or make alternate arrangements for the remainder of the shift, including but not limited to using appropriate accrued leave. If the remaining portion of the mandatory unpaid time off is not mutually scheduled or taken within the applicable quarter, then management reserves the right to ensure the remaining portion of the mandatory unpaid time off day is rescheduled and/or taken no later than the following quarter.

12. Adjusting the Mandatory Unpaid Time Off Day Off Obligation for Employees Hired After September 1, 2009.

Employees hired after September 1, 2009, will have their mandatory unpaid time off obligation adjusted for the time remaining to June 30, 2011. The following table identifies the obligation remaining for new hires by calendar quarter.

13. Changing Closure or Float Days for Operational Needs (SEIU).

If an Agency or group of employees within a program identifies specific operational needs for a program to change from observing closures rather than float days, or vice versa, or change from observing a specific scheduled closure date, the employees or Agency may submit a request to the Union and DAS Labor Relations to consider a change. Requests must be submitted prior to October 1, 2009. The Union and DAS will review requests and must mutually agree that the issue is appropriate for the Agency and Union representatives to discuss during a set period. Agreements to modify the Letter of Agreement must be mutually agreed to between DAS and the Union.

14. Non-Emergency Changes to Employees Observing Fixed Closure Days

The Letter of Agreement does not preclude schedule changes pursuant to the Collective Bargaining Agreement.

Employees who are attending or presenting at conferences or traveling on closure days may convert the closure day to a float day for that quarter.

For Board and Commission meetings scheduled on a closure day, that closure day may be converted into a float day.

		May 20 ⁴ (fixed)	1	6/16/11-6/30/11	0	0	0					

NOTES:

- ¹ Employees who retire or otherwise separate from the State prior to the end of the biennium are required to schedule and take the number of mandatory unpaid time off days identified for their separation date prior to separating. The mandatory unpaid time off days must be scheduled quarterly, unless an alternate plan is agreed upon between the employee and supervisor, to ensure the obligation is completed prior to separation.
- ² Break points for separation dates are based either on closure dates or the end of a month (typically the day before a retirement effective date).
- ³ An employee hired after June 15, 2010 will not be required to take the float mandatory unpaid time off day for that FY. However, the obligation shall be taken in the subsequent fiscal year.
- ⁴ Tier 1 & 2 promotions and reclassifications upwards, effective after May 20, 2011, will not have an additional mandatory unpaid time off obligation.
- ⁵ The one day mandatory unpaid time off obligation only applies to employees who observe all float days. Those who observe closures have no further obligation after May 20, 2011, except for Tier 3.
